IN DEDICATION

Roy B. Culler

To the memory of Roy B. Culler, whose labors of love are manifest today in many areas of the work of Central Baptist Association, this volume is respectfully and appreciatively dedicated.

Roy was a life-long member of Green Street Baptist Church until his transfer to Emerywood Baptist Church in November 1958. The new educational building of Green Street is largely a monument to his determined leadership. The Emerywood Church received his enthusiastic interest and generous support. He gave generously of himself to the community, and he maintained an active and generous interest in missions around the world.

Roy was a devoted husband and father, a devout churchman, an exemplary citizen and a successful business man. His countless hours of sacrificial service in this Association, and thousands of dollars in material gifts, will continue to bear fruit for all eternty.

Servant of God, well done!
Thy glorious warfare's past;
The Battle's fought, the race is won
And thou art crowned at last.

With saints enthroned on high,
Thou doest thy Lord proclaim,
And still to God salvation cry,
Salvation to the Lamb!

— Charles Wesley

MORNING SESSION

9:00—The Moderator called the first annual session of the Central Baptist Association to order, and Albert Leath led in the singing of "He Keeps Me Singing." Rev. R. L. Smith came forward and expressed his appreciation for the honor of leading the opening devotional. He read I John 4: 1-8 and led in prayer, asking God's blessings upon the Association.

9:10—There was a motion to adopt the program as printed, with one change, that the special music come at 10:10. This was seconded and passed.

The Clerk made the motion that the messengers present, and the others who would be present throughout the day, constitute the Association for this year. This was seconded and passed.

9:15—The Moderator introduced the pastors and their messengers, along with the new workers in the churches of the Association. Mr. David Lee, Music Director at Emerywood, was new to our Association. There were visitors present from other Associations other than those who were to take part on the program for this year.

9:30—Mr. Sloan Gibson presented the Hospital Report which was accepted. Dr. J. Roy Clifford, pastor of the First Church, Lexington, and member of the Baptist Hospital Board of Trustees, spoke to the report.

NORTH CAROLINA BAPTIST HOSPITAL REPORT

For the past few years the Hospital Reports have dealt largely with the treatment of patients who were unable to pay, and the need for larger Mother's Day Offerings.

In this report to you we want to point out some changes and additions in the physical properties of the Hospital, and services, also future plans to provide better care for patients.

The Hospital has made two major purchases of property adjacent to the Hospital. First, the purchase of St. John's Lutheran Church. It will be used by the Department of Pastoral Care. This property will enable this department to greatly expand its program, which has meant so much in healing the sick as it works together with the doctors and nurses. The Pastoral Care Alumni Association is raising the $90,000 for this purchase.

Second, the purchase of Twin Castles Apartments for $850,000. This property is built on a seven-acre tract. This acreage is a substantial addition to the twelve acres now owned by the Hospital. The apartments will be the home for the nurses. The present nurses home will be remodeled for use as hotel-type rooms for patients who can care for themselves, but must remain close by for medical treatment. This plan will provide 74 rooms, which means that many hospital rooms will be released earlier for more new patients.

Friends of the Hospital have given $485,000 on this purchase. Another challenge gift of $50,000 has been offered, provided the Hospital can raise an additional $100,000. A drive is on at this time to meet this challenge.

Many new machines have recently been added, such as the Cobalt, X-Ray, Heart-Lung, special sterilizing, anesthesia, and the Artificial Kidney machine. This kidney machine was provided by the John A. Hartford Foundation, along with $141,400 for research work in this field. Other services include heart surgery, plastic surgery, and treatment of blood disease.

Your Hospital is keeping abreast with new methods of treatment of patients, and is constantly improving the facilities of the Hospital.

We hope you will remember the Hospital when you are planning to make gifts, and pray daily that God will bless all who minister to the sick in our Hospital.

9:40—The Report of the Budget Committee was presented by Mr. Carson Stout, Chairman. After explaining the budget, he moved its adoption, and after a second, there was discussion upon the budget. Rev. James DeLoach made a substitute motion, which was seconded, that we accept the budget as recommended but that the recommendations be deleted. In his discussion Mr. DeLoach explained that the recommendations came under the scope of the Missions Committee, and if the Proposed Constitution was adopted this matter would be handled by them. The substitute motion carried.

9:50—Mr. Woodroe F. Haywood presented the Missions Committee Report, which was accepted.

MISSIONS COMMITTEE REPORT

This year the Missions Committee of the Association has held only one meeting, since it was only recently that the duties of the Committee had been defined by the committee working on the Constitution, which still has not been officially adopted.

Under the Constitution of the Piedmont Association, with whom we were formerly associated, the Missions Committee functioned as the Finance Committee as well as in the area of promoting local missionary work. It had been presumed that the area of work under our new Constitution would not be so far reaching, hence the wait and see approach was taken. Also, as in most new undertakings of this kind, it was necessary to await the availability of funds before work of the nature falling under the direction of this committee could be undertaken.

With the adoption of the proposed Constitution it is expected that the year

ahead will be filled with activity as this Committee endeavors to promote the missionary and extension work of the Association.

9:55—Mr. John A. Reavis presented the Training Union Report, which was accepted. He presented Mr. James P. Morgan, Training Union Secretary of North Carolina, who spoke to the report.

TRAINING UNION REPORT

Since the purpose of a Training Union is Training In Church Membership, we are aware that just to become a Christian is not enough, but is only the beginning of the new experience in Christ. To make that Christian's life a most useful one, he must be informed and trained in denominational beliefs and doctrines. This he receives through the help of more mature Christians in Training Union.

I am most grateful to the efficient Associational Training Union Officers and to the many churches who have cooperated so beautifully in this year's Training Union work.

Our enrolment goal for this year was 2,500. Our present enrolment is 2,597. A new Training Union was organized this year at Jamestown Baptist Church with Mr. O. D. Pace as director.

Our first mass meeting for the year was our M-Night program. This was held at Green Street Baptist Church with approximately 950 in attendance. Rev. Charlie Howard, Professor of Religion at Campbell College, brought the inspirational message. A free will offering of $200.00 was given Rev. Howard for the Howard Memorial Fund. This fund is used to help educate some of our youth for full-time vocational service who would not otherwise be able to attend college.

One hundred and thirty attended our Spring Youth Banquet and enjoyed a well-planned program. Rev. Thomas S. Haggai, Emerywood Baptist Church, was the guest speaker.

A meeting was held at the First Baptist Church where we had the privilege of hearing Dr. and Mrs. Maurice Anderson, Southern Baptist Missionaries to Hong Kong. They presented to each of us a challenge of the definite need of Christ in Hong Kong. Our gift to them was $21.34.

There were 143 represented from our Association this summer at one of our Assemblies for Training Union Week. Miss Elizabeth Reavis, First Baptist Church, represented us in the Intermediate State Sword Drill at Fruitland and was second place winner. We also had twenty-one Juniors eligible to participate in the State Junior Memory Work Tournament. We had one Junior who was a four-year State Winner, Mr. Theron Grubb, Hilliard Memorial Baptist Church. Congratulations, Theron!

Of the 23 churches who have a Training Union, there were 16 making requests for Training Union Awards. There was a total of 509 awards received.

We congratulate Miss Helen Hutto, Emerywood Baptist Church, for being the first in our Association to receive the Award of Merit. Miss Hutto is also a three-year State Memory Work winner.

We still have churches which do not have this training program in their church. We must train our people for definite Christian work. Training Union is the greatest agency in our world today to teach and train Bible students.

When one sees the many dedications made by our youth to full-time Christian service through our Training Union program, we again thank God for giving us the opportunity of having such a program.

10:10—Special Music was presented by Mr. Albert Leath.

10:15—The Music Report was presented by Mr. Albert Leath and accepted. Mr. Joseph O. Stroud, Secretary of the Music Department of the Baptist State Convention, spoke to the report.

MUSIC COMMITTEE REPORT

Christianity is the singing religion; Southern Baptists are a singing people; the Bible sings the message of God as well as preaches the message. These and the fact that great revivals are characterized by great Spirit-filled singing leads us to see the great need of good singing.

The past Associational year brought about the establishment of the Associational Music Committee for the Central Association. The officers were Albert Leath, Director; Roger Cole, Director of Training; Mrs. Helen C. Laney, Director of Publicity and Promotion; and Rev. W. F. Marks, Pastor Advisor. The leadership of these officers has been directed toward helping the other organizations in the field of music and to conduct the Associational Music School held in August. There were 78 attending from the 30 churches of the Central Association.

Next year we hope to be of more assistance to you in the training aspects of music in your churches. The needs of training are evident: better understanding of the real mission of church music, to undergird the total program of the church with the pastor's full support; choir opportunities for each age-group in every church for the development of talents to be used to glorify God; Sunday School and Training Union Department pianists and choristers, and also the need for Spirit-filled congregation singing.

Some of these needs can and will be met as you lend your support to the Associational Music Committee who will do its best with the help of the Spirit's leadership to help you.

10:30—Judge Walter E. Crissman, Associational Brotherhood President, presented his report and spoke to it. This report was accepted.

THE BROTHERHOOD REPORT

The active participation by men in the program of the church is one of the most encouraging signs of our day. There are more men engaged in working, giving, and going for World Missions than at any time in the history of the church. This is true, largely, because of the challenge which has been presented to them through Brotherhood and Royal Ambassador programs. Special sessions of prayer and offerings for missions have become church-wide rather than a program for a single organization. The laymen of our churches are sharing in the pastors' keen interest for the salvation of the lost people in their own communities. The number of men who are willing and who possess the skill of witnessing to lost men is increasing every day. More men are capable of teaching and leading in the organizations of the church. Yet there are many men who are not enlisted. About 75 per cent of the men on our church rolls are still inactive. They are the Brotherhood's greatest challenge.

The purpose of the Brotherhood is to discover men and their talents and to enlist them in every phase of the program of the church and denomination. The Brotherhood seeks to accomplish this purpose by offering programs and activities in an atmosphere of fellowship, study, and action. Programs and activities are planned in four major areas: Evangelism, Stewardship, Cooperative Program or World Missions, and Royal Ambassadors.

Printed materials are available from two sources: Free materials may be ordered from the Brotherhood Department, Baptist Building, 301 Hillsboro Street, Raleigh, North Carolina; priced materials are purchased from the Brotherhood Commission, 1548 Poplar Avenue, Memphis, Tennessee. It is suggested that every church provide for the following priced materials in their budget:

"The Brotherhood Journal" (for each Brotherhood member)

"The Ambassador Life" (for each Royal Ambassador)

"The Ambassador Leader" (for each Royal Ambassador counselor)

The Brotherhood Department is planning a program of intensive training during 1960. Regional clinics will be provided for associational leadership and associational clinics will be conducted for church leaders in Brotherhood and Royal Ambassadors. The new Brotherhood Secretary, Clyde L. Davis, Sr., and the Royal

Ambassador Secretary, B. W. Jackson, earnestly solicit your prayers for them as they seek to lead in this program.

10:45—Mrs. E. B. Hill, Associational Woman's Missionary Society President, presented her report and spoke to it. This report was accepted.

WOMAN'S MISSIONARY UNION REPORT

"In the beginning God—the earth was without form and void—and the Spirit of God was moving over the face of the waters."

Almost—did we find ourselves as a Woman's Missionary Union of the Central Baptist Association at the point of organization of the Association in November, 1958. But we have every reason to believe that the Spirit of God was very real, and the year has been one of moving within that Spirit.

Our organization is composed of, besides the President:

Vice-President.....Mrs. Grover H. Jones
Secretary.....Mrs. Claude Best
Y. W. A. Director.....Miss Lula Mae Underwood
G. A. Director.....Miss Patsy Craven
Sunbeam Band Director.....Mrs. Lothair Cecil
Jubilee Chairman.....Mrs. Grier A. Bradshaw
Mission Study Chairman.....Mrs. H. E. Nickens
Prayer Chairman.....Mrs. C. E. Siceloff
Stewardship Chairman.....Mrs. J. B. Ellis
Pianist.....Mrs. Neil Armstrong

The Community Missions Chairman position is presently open.

Of the 29 churches in full membership in the Association, 19 have one or more of the Woman's Missionary Union organizations, with seven of the churches having a fully graded union. Although, from the statistics, it is evident there is much to be done, it has been most gratifying to see the interest and participation on the part of all organizations in the Association. There is continued seeking on the part of those not so well experienced, and a joyful giving of help and encouragement on the part of those more experienced.

Our first "assembling ourselves together" was for the annual meeting in April, 1959. It was truly an exhilarating experience for us all as we participated in the birth of the new organization, and pledged ourselves to deeper dedication to God's mission to the whole world. Eighteen of the nineteen Woman's Missionary Unions were represented in this meeting, held at Emerywood Baptist Church, and the spirit of the day will follow us through the years.

In May, seven of the nine eligible officers went to Wake Forest for an Associational Officers Leadership Workshop. This workshop, led by the State Officers, was invaluable to this new organization in preparing for our work, and in conducting a workshop for the officers of the local churches. This workshop for our Association was held in September at the Green Street Baptist Church, with an attendance of 143 of the officers from 16 of the Woman's Missionary Unions in the Association.

During June, July and August, we were invited to participate in the camps at Lakewood with the Sunbeams, Girls Auxiliary, Y.W.A., and Woman's Missionary Societies of the Piedmont Association. We had representatives at all these assemblies. Some of the officers of our Association contributed leadership and were on the programs, and some of the ladies of the Societies helped with the preparation of food.

Your President has given nine programs or appeals in churches during the year, which has been a joy and privilege. One of these was in a church which has no organization in the Woman's Missionary Union. The Girl's Auxiliary Director has aided in the organization of Auxiliaries in two churches, and all of the officers offer their services in any way they may be needed. In the program of the Associa-

tion during the year, we made arrangements for the March meeting, bringing Rev. Judson Lennon, missionary on furlough from Thailand, to speak to the monthly meeting.

We, as a Woman's Missionary Union, have the deepest desire to be an integral part of the Central Baptist Association, and all our efforts are bent in that direction. We are sure that it is recognized that since we are missionary Baptist Churches, it is only fitting that each of our churches have as a vital part of its program the Woman's Missionary Union. This is our aim. To this end we shall strive, "Not by might, nor by power, but by MY SPIRIT, saith the Lord God of Hosts." Zechariah 4: 6.

11:00—Rev. J. J. Thornburg presented the Report on Denominational Literature, and Rev. C. W. Bazemore, Associate Editor of the **Biblical Recorder**, spoke to the report, which was accepted by the Association.

REPORT ON DENOMINATIONAL LITERATURE

"Give attention to reading," said the Apostle Paul, in writing to Timothy. In that day, the people had no newspapers, no magazines, no printing presses. But they had to read to find truth. Never before has there been so much to read, as we have today. Much of this flood of reading matter is bad; so Christian people must continually cast aside the evil and turn to that which is good. The Bible, of course, occupies first place always as we read in search of truth. All Christian literature must forever be dedicated to the furtherance of the Gospel, or it fails in its noble purpose.

The flood of obscene, degrading literature has become so heavy on newsstands and in the mails that the U. S. Post Office Department has cracked down in its nationwide efforts to break it up. The printed page has great power for good; and also great power for evil. Money-hungry publishers without Christian motives are pouring out obscene printed matter like a stream of poison to capture the minds of all who will stop, look and read. Baptists have no need to buy or read such literature, for they have an immense volume of clean, uplifting Christian literature coming from Baptist presses and other sources to suit every age and need.

"The promotion of missions, education, social service and the distribution of sound religious literature" was the main purpose of the Baptist State Convention of North Carolina when it was organized in 1830. In 1833 the **Biblical Recorder** was founded to help carry out these noble aims of our Baptist forefathers. Also we have **Charity and Children, The Commission,** the **Home Mission,** the **Home Life,** and all of the literature that we use in the organizations of our churches. The time has come when we must encourage all people to do more Christian reading.

The contacts, impressions and surroundings of a person largely make up his mind, habits and actions. Even a worm takes on the color of the plant or leaf on which it feeds. Human beings take on the color and nature of what they read. Never before has there been so much to read. Publishers have dressed up their wares in rainbow colors, and used every style, trick and art of printing to make their publications look tempting to the eyes of young and old. Much of this popular literature is bad. It pours like a stream of poison from the presses of profit-hungry publishers. It leads down the newsstands, and clogs the mail boxes of all who will buy and receive it. Much of this unclean reading matter gets into Baptist homes. This should never be, for no other denomination has so wide a variety of good Christian literature as Baptists have, to meet the spiritual interests and needs of every member of the family.

11:10—The Sunday School Report was accepted in the absence of Mr. Edward Kissiah, who was in Maryland, and emphasis was laid upon the Central Training School to be held at Green Street Church the last week in October (26-30). Rev. Jack Bagwell, associate in the Sunday School Department of the Baptist State Convention, spoke to the report.

SUNDAY SCHOOL REPORT

With the organization of the Central Baptist Association on Monday, November 24, 1958, all positions in the Associational Sunday School program were vacant. Our first concern was to enlist the necessary leadership, and we are glad to report that the following positions have been filled:

Superintendent.....Ed Kissiah
Superintendent of Training.....Tom B. Corns
Superintendent of Enlargement and Evangelism.....J. J. Thornburg
Superintendent of Audio-Visual Aids.....L. R. McNeill
Superintendent of Junior Work.....Mrs. J. E. Rawlinson
Superintendent of Intermediate Work.....Albert Leath
Superintendent of Young People's Work.....Mrs. Roger Cole
Superintendent of Adult Work.....David Lee

Workers have not been enlisted for the other positions.

An outstanding activity this year included the Vacation Bible School Clinic in First Church, Greensboro, on April 28, led by state and local leaders. An attendance of 342 was registered, the largest recorded in recent years.

A Central Training School was held in the Green Street Church October 26-30, with 20 out of 31 churches participating. There was an enrolment of 360, with an average attendance of 278. Rev. D. P. Brooks and the following workers led us in a very successful week of studies in Sunday School Administration: Mrs. Myra S. Motley, Mrs. L. L. Morgan, Miss May Bomar, Mrs. E. L. Spivey, Mrs. David Lee, Mrs. Herman Ihley, Mrs. C. R. Hinton, Rev. L. L. Morgan, Miss Sue Eller, Rev. L. J. Morriss and Marshall E. Hargrave.

It is our purpose to project a program of Sunday School work that will benefit the smallest to the largest church. Through a great cooperative effort we hope to build up and strengthen Sunday School work in our Association. This can be achieved only through complete cooperation of all pastors and superintendents.

11:25—Rev. L. R. McNeill, host pastor, instructed the people about the noon meal, and welcomed the people to Fairmont Park.

The Clerk expressed his regrets about having to leave the sessions, and hoped that the next speaker would understand that if it were not for a funeral he would not be leaving.

Albert Leath led in singing "Have Faith In God."

11:30—Dr. J. E. Rawlinson, pastor of the First Church, brought the annual sermon, which was considered one of the highlights of the Association, and a motion was made, seconded and passed that this sermon be sent to the **Biblical Recorder** for publishing.

12:00—The host church served lunch to the Association.

AFTERNOON SESSION

1:15—The Moderator called the Association to order. After singing of the hymn, Rev. Charlie Pierce led in the reading of Scripture and prayer.

Motion was made by Mr. Albert Leath to change the order of business, bringing the Report of The Constitution Committee up to 1:30, changing the following down to the 2:35 spot by 25 minutes. It was duly seconded and carried.

On Motion of Rev. Charlie Pierce, the same being duly seconded and carried, Dr. J. E. Rawlinson was requested to provide a copy of the Annual Sermon for the purpose of being sent to the **Biblical Recorder.**

Mr. DeLoach presented a gavel to the Moderator for his use.

1:30—With respect to the Constitution, Mr. Thornburg moved that it be dealt with only in terms of changes, with everyone being given a chance to ask questions. This motion was duly seconded and carried.

Mr. DeLoach presented the following Constitution changes from that which was printed in the Annual Report: Under Article 5, Section 2, after the first sentence add the following: "The Moderator and Vice-Moderator shall not serve for more than two successive years."

Article 6, Section 3, Sub-Section 11, following the word Association add "as the need may arise," then omit "in its Annual Session," continue with "action" etc.

In the By-Laws, Article 7, in the introductory paragraph add the sentence, "Recognizing that each local church is autonomous, the use of the Ordination Committee is merely suggested." In Section 1, Sub-Section 2, change the word in the first sentence "shall" to "may."

On motion of Dr. Rawlinson the above changes in the Constitution were accepted, the motion having been duly seconded and carried. There was considerable discussion of the method of naming the Institutional Representatives. The following changes after having been duly moved by Mr. DeLoach, seconded and carried were made: In the paragraph, Article 5 of the By-Laws, following the word "annually," "messengers who will represent" was deleted and "representatives for" substituted. In Article 6 of the Constitution, Section 3, under Sub-Section 2, the last sentence after standing commitees add "and Denominational Representatives." Time was extended five minutes for the discussion of the above.

Dr. Price moved that the Constitution as changed and its By-Laws be adopted, duly seconded and carried by unanimous vote. For the sake of the record, it should be added that a motion by Rev. Charlie Monk to amend or rather add a fifth Sub-Section to Article 7, regarding ordination in the By-Laws, died for the lack of a second.

It shall be his duty to keep a fair and accurate record of receipts and disbursements, and render a quarterly report to the Association at its fall meeting. He shall submit his books to the Auditing Committee for the annual audit.

Article VII—Ordination

It is our belief that a local Baptist Church is the proper authority in the matter of ordination to the gospel ministry. However, the significance and far-reaching effects of such an ordination on other Baptist churches and ministers impose a special obligation upon churches to be extremely careful in setting apart men for this sacred calling. A matter having such scope and importance merits a spirit of Christian cooperation of the highest order both between local churches and ministers.

Recognizing that the local church is the authority for ordination, we, therefore, only suggest that the churches use this Committee at their convenience and discretion.

1. The following suggestions are offered for use by the Ordination Committee when ordaining ministers:

(1) Unless there are justifying circumstances, a candidate shall first be called to and serving a church.

(2) When a local church is convinced the time has arrived for ordination, the church may notify the Moderator of the Association who will in turn request the Ordination Committee to assist the local church in every possible manner with plans and preparations for the ordination service.

(3) Any candidate, even before an oral examination, should meet the basic scriptural requirements for a pastor as found in 1 Timothy 3.

a. He should be a mature Christian, apt to teach. (1 Timothy 3: 6)

b. His home life should be correct. Specifically, he should not have a wife from whom he is divorced. (1 Timothy 3: 2)

c. His character should be recognized by all to be above reproach. (1 Timothy 3: 7)

(4) A candidate having met the above requirements shall then pass an earnest and thorough examination on Baptist faith and practice as set forth in Article IX of this Constitution. This examination shall be given by the Ordination Committee and all other pastors of the Association who wish to participate. The said examination is to take place at least several days before the ordination service. Upon passing this examination the candidate shall then be recommended to the church which requested his ordination and that church will proceed with the ordination.

2. This Committee is also available to churches desiring their services in the instruction and ordination of deacons.

Article VIII—Visitors

Baptist brethren, not members of the Association, who may be present at any session of the body, may on invitation by the body, take seats and participate in the debate of the Association, without the privilege to vote.

Article IX—Amendments

These By-Laws may be amended at any session of the Association by two-thirds vote of messengers voting, provided the proposed amendment has been read to the Association at least one hour prior to a vote thereon.

Article X—Effective Date

These By-Laws or any additions or amendments thereto shall become effective immediately upon passage.

Tucker resumed the chair, Dr. Robert C. Fincher was nominated for the Vice-Moderator and the motion was made to close the nominations and elect by acclamation. Such motion was duly seconded and carried by unanimous vote.

2:15—Report of Nominating Committee. In effect they moved to re-elect the remainder of the Associational Officers. This motion carried except for an amendment proposed by Dr. Rawlinson, duly seconded and carried, "to as soon as possible separate the Clerk-Treasurer office, leaving Mr. Robbins as the Associational Clerk, requesting that the Nominating Committee bring a nomination for Treasurer to the Executive Committee—they being given the authority to elect.

The other order of business proceeded in accordance to schedule except there was added at the end of the order of the afternoon session the matter of the receipt of a donation of a camp site to the Association by Mr. and Mrs. John A. Reavis. After sufficient information was received by the Association to understand the nature of the proposal, Dr. Fincher moved the Association accept with gratitude the proposed donation of from 5 to 6A Tract for a camp site, and that a letter be sent to the Reavises expressing the same. Seconded by Mr. Leath. Motion carried. Regard to the wisdom of the purchase of eight additional lots adjoining this property was referred to the Mission and Executive Committees for final decision.

2:15—The Report on the Baptist Homes was presented by Robert C. Fincher, with Rev. James M. Hayes, Superintendent of the Homes, speaking to the report. This report was accepted.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The ninth year of operation of the Baptist Homes for Aging began March 16, 1959. All three of the Homes—Resthaven, Albemarle, and Headquarters—have had a good year, and have been filled practically all the year to capacity—119, counting residents and helpers. When vacancies occur, there are always more applications on the waiting list than rooms to be filled.

This has been another year of God's favor upon the Homes and of encouraging progress. While the campaign to raise funds to build the fourth Home in Eastern Carolina, at Hamilton, has not been completed, there is good reason to believe that the money will be secured this year and construction will begin. Mr. Don G. Matthews of Hamilton has given the land for the site, and most of the $50,000 which he promised. He is ready to give the balance when the extra $100,000 has been raised. With reorganization of plans and persistent effort, the balance needed can and will be forthcoming.

Architectural plans and specifications for the enlargement of the infirmary at Headquarters have been prepared, and construction of 28 additional bedrooms should begin soon.

The two most pressing needs of the Homes for Aging now are (1) to finish raising the funds to start construction of the Hamilton Homes, and (2) to raise about $75,000 to cover the balance needed to pay for the additional facilities in the infirmary expansion. So, a total amount of $150,000 must be raised, therefore, to finish these two projects. When they are completed, 60 more bedrooms will be added for anxious and needy residents, thus increasing the total capacity of all the Homes to 170 residents. In addition a special committee is studying the prospects of establishing a Home facility at Lake Lure in Western North Carolina.

Would you like to have a generous part in helping to make these plans become a reality at the earliest possible date? If so, please let us hear from you at once. Why not furnish, or endow, or construct a room with your gift? If you are not able to do as much, send the amount you are able to give to N. C. Baptist Homes, Inc., Reynolds Park Road, Winston-Salem, N. C., and your gift will be used as you may instruct. Remember, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." (Matthew 25: 40)

To better depict the work of the Homes there is now available, rental free, a 35-mm. color-film strip entitled, "Adding Life To Years." Contact Audio-Visual Aids, Department of our State Convention, regarding its use.

All connected with the N. C. Baptist Homes are most grateful to the churches,

individuals, and corporations for the help given to offer our aging friends who live in the Homes a program of security, comfort, congeniality, and a Christian ministry.

A motion to accept this report was seconded and unanimously passed.

2:40—The Baptist Student Union Report was presented by Miss Shelby Williams, student at High Point College.

BAPTIST STUDENT UNION REPORT

The Baptist Student Union was started around 1952 on the campus of High Point College under the direction of the late Dr. James W. Moffitt.

As everywhere, the B. S. U. at High Point College serves primarily as a connecting link between the college and the student's home church.

About two out of every nine students on the Methodist campus of one thousand are Baptists. There are about thirty active members in the B.S.U.

Baptist students are provided with a leadership training ground for the local churches. The B. S. U. seeks to meet the needs of the students through emphasis on daily spiritual activity, missions participation, Bible study, Christian fellowship, and cooperation with the local church program.

The 1959-60 school year began with the B. S. U. entertaining the freshmen with a weiner roast during orientation. Rev. Tom Haggai from Emerywood Baptist Church is the pastor advisor. Dr. Robert Bryden from the science department is the faculty advisor. Meetings are held on the second and fourth Thursday nights at 7:00 o'clock.

2:45—The Radio and Television Report was presented by Charlie Monk, Jr., and was adopted.

RADIO AND TELEVISION REPORT

With each passing year the Convention's radio and television ministry has expanded . . . sometimes in facilities and equipment, sometimes in finances, and, when made possible by these, additional programs have been launched.

Early this year, a project called TELEVANGELISM took shape and gave a new impetus to the television series "This Is The Answer." It was a new slant on visitation coupled with television which captured the imagination of individuals and churches all over the nation.

Because of the success of TELEVANGELISM in 1959, and the aid it gave the Simultaneous Evangelistic Crusades, it has been proposed as one facet of the entire Baptist Jubilee Advance for the next five years.

With a vast background of experience in how to use the television programs in connection with a program of church visitation, now it is hoped that TELEVANGELISM 1960, will reach more people and have an even greater impact for Christ. TELEVANGELISM 1959 was a success in every sense of the word with more than 5,000 churches participating directly. Spearheading the project on the local level were 800 associational radio-TV chairmen, plus all the associational missionaries who took an active part. The Evangelism Department worked through secretaries of evangelism in each state to promote TELEVANGELISM in a great way. Results: During the 13 weeks of the TV series, mail to the Commission had reached nearly 1,000 letters a week. A good portion indicated a spiritual stirring in individuals who had never experienced such a thing.

"This Is The Answer" continues in popularity and effectiveness. Thirteen new films were produced and distributed for use in 1959. For the first time, it was possible to provide each of the 100 TV stations telecasting the series with the same episode in the series so that the same film was being shown at the same time everywhere. The result was the most effective promotion the TV films have ever had.

The 1960 "This Is The Answer" series for TV and TELEVANGELISM is now complete.

The program which elicits the most encouraging mail response is on the fewest number of radio stations. "La Hora Bautista," a 30-minute modified worship service in Spanish, is carried by 24 stations which reach large segments of Spanish-speaking population. Letters received from listeners range from expressions of dissatisfaction with hereditary Catholicism to joy in a newfound faith. Spanish Bibles are sent to those who ask . . . and spiritual counsel is given when requested.

Another new project, launched in April, 1959, is a new concept in religious radio called "Master Control." The 30-minute program has a "magazine" format with a variety of music, comments on the news, features about people, ideas and places, classical and semi-classical music, challenging interviews, and, most important, a period of brief but direct gospel preaching. Aim of the Commission with this program is to reach as much as 90% of the United States population through the 100 top-rated stations in the nation. As with all other radio and television productions of the Commission, none of the time for "Master Control" will be paid for, but will be given by the station. It is another step in the denominational effort to reach the world with the all-important good news of salvation. This new program brings to five the major productions produced weekly for radio. Total number of stations broadcasting these will soon run to 800.

Stations which carry all programs increased steadily during 1958. An average of 100 television stations have scheduled "This Is The Answer" throughout the year. "The Baptist Hour" fluctuates but maintains a steady average of 460 stations. More than 1,000 tape recordings are mailed every two weeks to all parts of the world as Southern Baptists have a vital part in missions through radio. As official representative of Southern Baptists to the national radio and television networks, the Commission produces about six programs annually. Southern Baptists are to be featured on CBS "Church of The Air" twice this year. NBC's "Faith In Action" on radio and "Frontiers of Faith" on television, will have Southern Baptist programs three times each, in addition to other single network program activities.

Every year for the past 10 years the Christian opportunities in radio and television have multiplied. Southern Baptists' Radio and Television Commission ex-

periences constant growth as it attempts to keep pace with the industry and with the needs of the denomination.

On our local radio station, WHPE, each Sunday afternoon, you may hear "The Baptist Hour" from 1:00 to 1:30 o'clock.

2:50—The Report on Christian Education, presented by Frank Marks, was adopted. Mr. John Hiatt of Gardner-Webb College and Mr. Raymond Nelson of Mars Hill College spoke to the report.

REPORT ON CHRISTIAN EDUCATION

In this report we are considering Christian Education in terms of our seven Baptist colleges in North Carolina. In its broader meaning, the term includes many other educational and training activities in our local churches.

Chronologically we recognize our seven colleges as follows:

Wake Forest College.....1834	Wingate College 1896
Chowan College 1848	Meredith College 1899
Mars Hill College.....1856	Gardner-Webb College.....1907
Campbell College.....1887	

It should be noted that progress in our North Carolina Baptist program of higher education has not been in the number of institutions, but in the changes made within the seven institutions which have been in operation for more than a half century. Fortunately, the geographical distribution of these colleges throughout our States makes one of them fairly close to all our Baptist young people. Time does not permit us to review the growth of each of these seven colleges, but we would remind you that as a group they now constitute a program of higher education second only to Texas among all the states in our Southern Baptist Convention territory. In these seven colleges are enrolled each year nearly 8,000 students, or more than one-eighth of all college students in North Carolina. The annual operating budgets total more than $10,000,000.00, of which our Baptist people, through church offerings, provide approximately five per cent. Students, through tuition and fees, pay approximately 60 per cent and the remaining 35 per cent comes from endowment and gifts. If it were possible for the colleges to apply the total of approximately $1,000 given through our churches to their operating costs, the present five per cent would become 10 per cent of the operating costs. It is hoped that this will be possible in the near future through some long-range Convention plan for meeting the capital needs of all institutions and agencies, thereby leaving income from Cooperative Program and special offerings for current operating needs.

Perhaps the most significant development in the work of our colleges in this present year is the action of our Baptist people in adopting the report of the Convention Committee of 25 as it relates not only to the colleges but to all other Baptist institutions and agencies. We would urge all our people to read this report carefully as it relates to these colleges. It does not recommend the addition of any new college at present, but it emphasizes the necessity for our recognizing the increasing demands upon these colleges which can be met only through growth in all respects. The Committee recommends that consideration be given to the possibility of changing the status of some of the two-year colleges to four-year colleges, and already progress is being made in this respect.

These Baptist colleges will continue to be faced with the competition of all other colleges in both the quality of their work and the growing costs of operation and expansion. Our college young people must be convinced that academically they are as good as the best. As Baptist church leaders and parents of these young people, we want our colleges to be Christian and to present a positive Christian witness at all times and in all respects.

3:05—The hymn "My Redeemer" was sung.

There was special music.

3:10—The Report on Evangelism was given by Neil J. Armstrong, who spoke to his report. The report was accepted.

REPORT ON EVANGELISM

Jesus' command to us is, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: teaching them to observe all things whatsoever I have commanded you: and lo, I am with you alway, even unto the end of the world." Matthew 28: 19-20. Here Jesus summed up God's purpose in the world and the objective toward which God's people must ever move in full dedication if they are to be in His will.

The purpose of God in which He uses His people (and the only purpose in which He uses them) is the evangelization of the world. Evangelization means "making disciples," "baptizing them," and "teaching them" to be obedient to Christ in "all things" He has commanded. Thus a person is not evangelized until he becomes an evangelist. Therefore, evangelism is to make disciples and mature them. This is God's purpose and plan for His people in the world.

In the Great Commission Jesus said, "Go," "teach" with the purpose of making disciples, "baptize" and "teach" them to be obedient to Christ in all things. The only imperative in all these mighty words of action is "to make disciples" or to teach with the purpose of making disciples. Thus Jesus puts soul-winning first in His total program with a definite command.

In every church or associational program, soul-winning must be in the forefront of its total program to be in the will of Christ. This order is the divine imperative. Any individual or church that changes this order is disobedient to Christ, and therefore cannot expect His empowering and blessing upon the efforts put forth.

During the years 1959-1964, in the Jubilee Advance, Baptists of North America are making an effort to be obedient to the Great Commission by putting soul-winning in the foreground of their respective programs. In 1959 it appears that real progress has been made in this direction. Reports received in the Office of Evangelism in Raleigh indicate that the Simultaneous Evangelistic Crusades over the State were the most fruitful ever. With one exception, every association in the State participated. Most of them did more praying, planning and working to win all the people to a full committal to Christ than ever before. Figures in the Raleigh office for the State show about 15,000 baptisms, 20,000 total additions, and that more than 2,000 young people offered their lives for full-time Christian vocations.

The ratio of baptisms to church members is 1.22 for Southern Baptists and 1.25 for North Carolina Baptists. The goal of Southern Baptists in ratio of baptisms to church members is 1.8. This constitutes our greatest challenge. Only as we get soul-winning in the forefront of our total program can we become obedient servants of Christ. In an effort to achieve this objective, therefore, be it resolved that the Central Baptist Association adopt the following goals:

1. To conduct an annual clinic devoting two sessions exclusively to evangelism, striving to have at least seventy-five per cent of the churches and pastors participating.
2. To conduct an annual Simultaneous Revival Crusade each spring with at least eighty per cent of the churches participating.
3. To endeavor to have at least seventy-five per cent of the churches using the church council and sustaining perennial programs of evangelism with soul-winning in the forefront of the total program in every church.

3:25—Dr. E. L. Spivey brought a stirring message on "State Missions."

3:50—Adjourn.

EVENING SESSION

7:00—The Moderator called the session to order. The hymn "Blessed Assurance" was sung. Rev. E. W. Clapp, Jr., read Ephesians 4: 4-11 and led in prayer.

7:10—The Report on the Children's Homes, prepared by A. C. Moody, was accepted, and Marse Grant, from the Children's Home, spoke to the report.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

North Carolina Baptists have shown remarkable interest in their Children's Homes during the past year. Numerous church groups have visited the three campuses. Continued financial support has been encouraging. Awakened interest in your Child Care program has been evidenced in many respects.

During the past year members of the Children's Homes staff, under the best leadership available, have engaged themselves in conscientious study of the entire Child Care program sponsored by North Carolina Baptists. Findings have been gratifying. The program has a commendable history and is one of the best in the nation. Every effort is being made by the present administration to continue the best care possible for dependent children.

More than 1,000 boys and girls were served by the Children's Homes during the past year. Mills Home, Kennedy Home and Odum Home provided care for 547 children, while 197 lived in Foster Homes. Through financial assistance of the Mothers' Aid program 40 children were able to live with their own mothers. Supervision and financial help was afforded 30 college students. Resourceful case workers assisted 214 additional children to find homes with relatives and other social service agencies.

Three cottages are currently under construction: one at each of the three Homes. The Roy Culler family of High Point is providing funds for the boys' cottage at Mills Home. The H. C. Ferebee family of Camden is making possible a cottage for girls at Kennedy Home. The new cottage at Pembroke will provide administration offices, living accommodations as well as kitchen and dining facilities for the Indian boys and girls.

Mr. Vernon Sparrow became superintendent at Mills Home in Thomasville July 1, 1959. He comes to this post with an excellent background of training and experience. Prior to Mr. Sparrow's going to Mills Home he served as Associate Pastor and Minister of Education in the First Baptist Church of Lenoir.

Significant recommendations relative to the Children's Homes were adopted by the Baptist State Convention in May following a two and a half year study by the Committee of Twenty-Five. They are as follows:

1. That the number of children in Foster Home care be increased to approximate the number in institutional care.
2. That the Children's Homes begin to develop new types of programs to help children who are not being adequately cared for in other ways.
3. That increased attention be given to families throughout the State by well trained, mature case workers to help avoid family breakdowns.

The Convention has voted to bring the Children's Homes into the Cooperative Program on the same basis as other institutions and objects. Churches may continue to send Once-A-Month Offerings and special gifts. Designated gifts from the churches to the Children's Homes will be administered by the Convention in the same manner as designated gifts from churches to any other institutions. The Homes are encouraged with this improved financial relationship with the Convention. For lack of sufficient income the Homes operated on a $22,000 deficit in 1958. The deficit for 1959 will be approximately $65,000. The only way the Homes have of meeting the $65,000 deficit this year is through a substantial increase in the Thanksgiving Offering.

With the increase in population, the development of industry, the growth of cities and the mounting tensions in the present day society, there is an increasing demand for service for dependent children. Your Children's Homes are being asked by the Convention to expand their services. With your prayers and loyal and generous support, your leadership will continue to move forward as resources are made available.

7:20—The Treasurer made his report and moved its adoption. Seconded and passed.

7:35—James DeLoach made the following motion:

"On behalf of Brother Woodroe Haywood, Chairman of the Committee on Committees, I would like to make the motion that the nominations for Missions Committee, Finance Committee, and Representatives for the De-

nominational Institutions be postponed until our Executive Committee meeing."

This motion was seconded and passed.

James DeLoach, Chairman, reported for the Credentials Committee:

He then moved the adoption of the report, which was accepted.

REPORT OF THE CREDENTIALS COMMITTEE

Upon request by Mount Calvary Baptist Church, the Credentials Committee would like to recommend that this church be accepted into the fellowship of the Central Baptist Association, upon transferral of membership from the Piedmont Baptist Association. We further recommend that our Associational Clerk be instructed to ask for a letter of recommendation and dismissal for this church from the Piedmont Baptist Association.

The Central Baptist Association was duly organized in a special meeting called for this purpose on November 24 at the First Church, High Point. There were 24 churches that had asked for letters of transfer from the Piedmont Association so that they might become charter members in this new Association.

During the year this Committee has been called into session on two occasions. Our first meeting was held on February 7 at the North Main Street Baptist Church. At this meeting our Committee recommended to the Executive Committee that the following churches, who had requested membership in our Association, be accepted into the fellowship of the Central Baptist Association: Colonial Heights Baptist Church and Cloverdale Baptist Church from the Piedmont Association; First Baptist Church of Archdale and Trinity Baptist Church of the Randolph Association. Our Committee also recommended that Oak View Baptist Church be accepted under the watchcare of the Association for a period of one year.

In our second meeting on June 15 at Conrad Memorial Baptist Church we recommended to the Executive Committee that Bethel Baptist Church be accepted under the watchcare of the Association for a period of one year.

At the present our Association consists of 29 churches, with two other churches under watchcare.

7:40—Rev. Wendell G. Davis, pastor of Western Avenue Baptist Church, Statesville, and a member of the P.O.A.U., brought an address on "Protestants and Other Americans United for the Separation of Church and State." Following his message Woodrow W. Robbins moved that this matter of P.O.A.U. be referred to the Executive Committee for study and further action. Seconded and unanimously passed.

8:05—It was brought to the attention of the Association that we had neglected to provide for a Memorial for our beloved dead. The Clerk reported that 69 went to be with the Lord this past year. The Moderator asked that Rev. Bill Barker come to the front and lead in prayer in memory of our loved ones, following the special music. This was done.

8:20—Woodrow W. Robbins introduced Rev. and Mrs. Charles Allen, Jr., who came and brought testimonies. Charles Allen, Jr., is from Fayetteville, and Mrs. Allen was Jean Short, who was reared in High Point, a member of Lexington Avenue Baptist Church. The Allens are going to Guatemala in October, 1959, for their first term of service on the mission field.

From this Association are Dr. and Mrs. Charles Tabor, Korea; Rev. Worth Grant, Japan; and Mrs. Bud Spencer, Japan.

Following the testimonies, Mr. Robbins introduced Dr. Robert L. Lindsay, missionary to Israel. Dr. Lindsay brought a most interesting message and closed the session with prayer.

Thus closed our first Annual Session of the Central Baptist Association.

NORTH CAROLINA BAPTIST HOSPITAL REPORT

SLOAN D. GIBSON, JR.

For the past few years the Hospital Reports have dealt largely with the treatment of patients who were unable to pay, and the need for larger Mother's Day Offerings.

In this report to you we want to point out some changes and additions in the physical properties of the Hospital, and services, also future plans to provide better care for patients.

The Hospital has made two major purchases of property adjacent to the Hos-

pital. First, the purchase of St. John's Lutheran Church. It will be used by the Department of Pastoral Care. This property will enable this department to greatly expand its program, which has meant so much in healing the sick as it works together with the doctors and nurses. The Pastoral Care Alumni Association is raising the $90,000 for this purchase.

Second, the purchase of Twin Castles Apartments for $850,000. This property is built on a seven-acre tract. This acreage is a substantial addition to the twelve acres now owned by the Hospital. The apartments will be the home for the nurses. The present nurses home will be remodeled for use as hotel-type rooms for patients who can care for themselves, but must remain close by for medical treatment. This plan will provide 74 rooms, which means that many hospital rooms will be released earlier for more new patients.

Friends of the Hospital have given $485,000 on this purchase. Another challenge gift of $50,000 has been offered, provided the Hospital can raise an additional $100,000. A drive is on at this time to meet this challenge.

Many new machines have recently been added, such as the Cobalt, X-Ray, Heart-Lung, special sterilizing, anesthesia, and the Artificial Kidney machine. This kidney machine was provided by the John A. Hartford Foundation, along with $141,400 for research work in this field. Other services include heart surgery, plastic surgery, and treatment of blood disease.

Your Hospital is keeping abreast with new methods of treatment of patients, and is constantly improving the facilities of the Hospital.

We hope you will remember the Hospital when you are planning to make gifts, and pray daily that God will bless all who minister to the sick in our Hospital.

Churches presently conributing to Baptist Student Union work are requested to send their checks to the Association and designate them to Baptist Student Union work. Total Baptist Student income will not exceed $500.00.

2. It is the purpose of the Association to contribute in any manner possible, any new work started in our Association. We, the Budget Committee, therefore, recommend that any surplus, after expenses for immediate operations have been deducted, be given to Oak View Baptist Church to help them start their new work. The exact amount will be determined by the Budget and Executive Committees.

3. The Budget Committee requests the opportunity to promote this budget to our people through the local churches.

MISSIONS COMMITTEE REPORT

WOODROE F. HAYWOOD

This year the Missions Committee of the Association has held only one meeting, since it was only recently that the duties of the Committee had been defined by the committee working on the Constitution, which still has not been officially adopted.

Under the Constitution of the Piedmont Association, with whom we were formerly associated, the Missions Committee functioned as the Finance Committee as well as in the area of promoting local missionary work. It had been presumed that the area of work under our new Constitution would not be so far reaching, hence the wait and see approach was taken. Also, as in most new undertakings of this kind, it was necessary to await the availability of funds before work of the nature falling under the direction of this committee could be undertaken.

With the adoption of the proposed Constitution it is expected that the year ahead will be filled with activity as this Committee endeavors to promote the missionary and extension work of the Association.

TRAINING UNION REPORT

JOHN A. REAVIS

Since the purpose of a Training Union is Training In Church Membership, we are aware that just to become a Christian is not enough, but is only the beginning of the new experience in Christ. To make that Christian's life a most useful one, he must be informed and trained in denominational beliefs and doctrines. This he receives through the help of more mature Christians in Training Union.

I am most grateful to the efficient Associational Training Union Officers and to the many churches who have cooperated so beautifully in this year's Training Union work.

Our enrolment goal for this year was 2,500. Our present enrolment is 2,597. A new Training Union was organized this year at Jamestown Baptist Church with Mr. O. D. Pace as director.

Our first mass meeting for the year was our M-Night program. This was held at Green Street Baptist Church with approximately 950 in attendance. Rev. Charlie Howard, Professor of Religion at Campbell College, brought the inspirational message. A free will offering of $200.00 was given Rev. Howard for the

Howard Memorial Fund. This fund is used to help educate some of our youth for full-time vocational service who would not otherwise be able to attend college.

One hundred and thirty attended our Spring Youth Banquet and enjoyed a well-planned program. Rev. Thomas S. Haggai, Emerywood Baptist Church, was the guest speaker.

A meeting was held at the First Baptist Church where we had the privilege of hearing Dr. and Mrs. Maurice Anderson, Southern Baptist Missionaries to Hong Kong. They presented to each of us a challenge of the definite need of Christ in Hong Kong. Our gift to them was $21.34.

There were 143 represented from our Association this summer at one of our Assemblies for Training Union Week. Miss Elizabeth Reavis, First Baptist Church, represented us in the Intermediate State Sword Drill at Fruitland and was second place winner. We also had twenty-one Juniors eligible to participate in the State Junior Memory Work Tournament. We had one Junior who was a four-year State Winner, Mr. Theron Grubb, Hilliard Memorial Baptist Church. Congratulations, Theron!

Of the 23 churches who have a Training Union, there were 16 making requests for Training Union Awards. There was a total of 509 awards received.

We congratulate Miss Helen Hutto, Emerywood Baptist Church, for being the first in our Association to receive the Award of Merit. Miss Hutto is also a three-year State Memory Work winner.

We still have churches which do not have this training program in their church. We must train our people for definite Christian work. Training Union is the greatest agency in our world today to teach and train Bible students.

When one sees the many dedications made by our youth to full-time Christian service through our Training Union program, we again thank God for giving us the opportunity of having such a program.

MUSIC COMMITTEE REPORT

ALBERT LEATH

Christianity is the singing religion; Southern Baptists are a singing people; the Bible sings the message of God as well as preaches the message. These and the fact that great revivals are characterized by great Spirit-filled singing leads us to see the great need of good singing.

The past Associational year brought about the establishment of the Associational Music Committee for the Central Association. The officers were Albert Leath, Director; Roger Cole, Director of Training; Mrs. Helen C. Laney, Director of Publicity and Promotion; and Rev. W. F. Marks, Pastor Advisor. The leadership of these officers has been directed toward helping the other organizations in the field of music and to conduct the Associational Music School held in August. There were 78 attending from the 30 churches of the Central Association.

Next year we hope to be of more assistance to you in the training aspects of music in your churches. The needs of training are evident: better understanding of the real mission of church music, to undergird the total program of the church with the pastor's full support; choir opportunities for each age-group in every church for the development of talents to be used to glorify God; Sunday School and Training Union Department pianists and choristers, and also the need for Spirit-filled congregation singing.

Some of these needs can and will be met as you lend your support to the Associational Music Committee who will do its best with the help of the Spirit's leadership to help you.

THE BROTHERHOOD REPORT

WALTER E. CRISSMAN

The active participation by men in the program of the church is one of the most encouraging signs of our day. There are more men engaged in working, giving,

and going for World Missions than at any time in the history of the church. This is true, largely, because of the challenge which has been presented to them through Brotherhood and Royal Ambassador programs. Special sessions of prayer and offerings for missions have become church-wide rather than a program for a single organization. The laymen of our churches are sharing in the pastors' keen interest for the salvation of the lost people in their own communities. The number of men who are willing and who possess the skill of witnessing to lost men is increasing every day. More men are capable of teaching and leading in the organizations of the church. Yet there are many men who are not enlisted. About 75 per cent of the men on our church rolls are still inactive. They are the Brotherhood's greatest challenge.

The purpose of the Brotherhood is to discover men and their talents and to enlist them in every phase of the program of the church and denomination. The Brotherhood seeks to accomplish this purpose by offering programs and activities in an atmosphere of fellowship, study, and action. Programs and activities are planned in four major areas: Evangelism, Stewardship, Cooperative Program or World Missions, and Royal Ambassadors.

Printed materials are available from two sources: Free materials may be ordered from the Brotherhood Department, Baptist Building, 301 Hillsboro Street, Raleigh, North Carolina; priced materials are purchased from the Brotherhood Commission, 1548 Poplar Avenue, Memphis, Tennessee. It is suggested that every church provide for the following priced materials in their budget:

"The Brotherhood Journal" (for each Brotherhood member)

"The Ambassador Life" (for each Royal Ambassador)

"The Ambassador Leader" (for each Royal Ambassador counselor)

The Brotherhood Department is planning a program of intensive training during 1960. Regional clinics will be provided for associational leadership and associational clinics will be conducted for church leaders in Brotherhood and Royal Ambassadors. The new Brotherhood Secretary, Clyde L. Davis, Sr., and the Royal Ambassador Secretary, B. W. Jackson, earnestly solicit your prayers for them as they seek to lead in this program.

WOMAN'S MISSIONARY UNION REPORT

MRS. E. B. HILL

"In the beginning God—the earth was without form and void—and the Spirit of God was moving over the face of the waters."

Almost—did we find ourselves as a Woman's Missionary Union of the Central Baptist Association at the point of organization of the Association in November, 1958. But we have every reason to believe that the Spirit of God was very real, and the year has been one of moving within that Spirit.

Our organization is composed of, besides the President:

Vice-President.....Mrs. Grover H. Jones
Secretary.....Mrs. Claude Best
Y. W. A. Director.....Miss Lula Mae Underwood
G. A. Director.....Miss Patsy Craven
Sunbeam Band Director.....Mrs. Lothair Cecil
Jubilee Chairman.....Mrs. Grier A. Bradshaw
Mission Study Chairman.....Mrs. H. E. Nickens
Prayer Chairman.....Mrs. C. E. Siceloff
Stewardship Chairman.....Mrs. J. B. Ellis
Pianist.....Mrs. Neil Armstrong

The Community Missions Chairman position is presently open.

Of the 28 churches in full membership in the Association, 19 have one or more of the Woman's Missionary Union organizations, with seven of the churches having a fully graded union. Although, from the statistics, it is evident there is much

to be done, it has been most gratifying to see the interest and participation on the part of all organizations in the Association. There is continued seeking on the part of those not so well experienced, and a joyful giving of help and encouragement on the part of those more experienced.

Our first "assembling ourselves together" was for the annual meeting in April, 1959. It was truly an exhilarating experience for us all as we participated in the birth of the new organization, and pledged ourselves to deeper dedication to God's mission to the whole world. Eighteen of the nineteen Woman's Missionary Unions were represented in this meeting, held at Emerywood Baptist Church, and the spirit of the day will follow us through the years.

In May, seven of the nine eligible officers went to Wake Forest for an Associational Officers Leadership Workshop. This workshop, led by the State Officers, was invaluable to this new organization in preparing for our work, and in conducting a workshop for the officers of the local churches. This workshop for our Association was held in September at the Green Street Baptist Church, with an attendance of 143 of the officers from 16 of the Woman's Missionary Unions in the Association.

During June, July and August, we were invited to participate in the camps at Lakewood with the Sunbeams, Girls Auxiliary, Y.W.A., and Woman's Missionary Societies of the Piedmont Association. We had representatives at all these assemblies. Some of the officers of our Association contributed leadership and were on the programs, and some of the ladies of the Societies helped with the preparation of food.

Your President has given nine programs or appeals in churches during the year, which has been a joy and privilege. One of these was in a church which has no organization in the Woman's Missionary Union. The Girl's Auxiliary Director has aided in the organization of Auxiliaries in two churches, and all of the officers offer their services in any way they may be needed. In the program of the Association during the year, we made arrangements for the March meeting, bringing Rev. Judson Lennon, missionary on furlough from Thailand, to speak to the monthly meeting.

We, as a Woman's Missionary Union, have the deepest desire to be an integral part of the Central Baptist Association, and all our efforts are bent in that direction. We are sure that it is recognized that since we are missionary Baptist Churches, it is only fitting that each of our churches have as a vital part of its program the Woman's Missionary Union. This is our aim. To this end we shall strive, "Not by might, nor by power, but by MY SPIRIT, saith the Lord God of Hosts." Zechariah 4: 6.

REPORT ON DENOMINATIONAL LITERATURE

J. J. THORNBURG

"Give attention to reading," said the Apostle Paul, in writing to Timothy. In that day, the people had no newspapers, no magazines, no printing presses. But they had to read to find truth. Never before has there been so much to read, as we have today. Much of this flood of reading matter is bad; so Christian people must continually cast aside the evil and turn to that which is good. The Bible, of course, occupies first place always as we read in search of truth. All Christian literature must forever be dedicated to the furtherance of the Gospel, or it fails in its noble purpose.

The flood of obscene, degrading literature has become so heavy on newsstands and in the mails that the U. S. Post Office Department has cracked down in its nationwide efforts to break it up. The printed page has great power for good; and also great power for evil. Money-hungry publishers without Christian motives are pouring out obscene printed matter like a stream of poison to capture the minds of all who will stop, look and read. Baptists have no need to buy or read such literature, for they have an immense volume of clean, uplifting Christian literature coming from Baptist presses and other sources to suit every age and need.

"The promotion of missions, education, social service and the distribution of

sound religious literature" was the main purpose of the Baptist State Convention of North Carolina when it was organized in 1830. In 1833 the **Biblical Recorder** was founded to help carry out these noble aims of our Baptist forefathers. Also we have **Charity and Children, The Commission,** the **Home Mission,** the **Home Life,** and all of the literature that we use in the organizations of our churches. The time has come when we must encourage all people to do more Christian reading.

The contacts, impressions and surroundings of a person largely make up his mind, habits and actions. Even a worm takes on the color of the plant or leaf on which it feeds. Human beings take on the color and nature of what they read. Never before has there been so much to read. Publishers have dressed up their wares in rainbow colors, and used every style, trick and art of printing to make their publications look tempting to the eyes of young and old. Much of this popular literature is bad. It pours like a stream of poison from the presses of profit-hungry publishers. It leads down the newsstands, and clogs the mail boxes of all who will buy and receive it. Much of this unclean reading matter gets into Baptist homes. This should never be, for no other denomination has so wide a variety of good Christian literature as Baptists have, to meet the spiritual interests and needs of every member of the family.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

ROBERT C. FINCHER

The ninth year of operation of the Baptist Homes for Aging began March 16, 1959. All three of the Homes—Resthaven, Albemarle, and Headquarters—have had a good year, and have been filled practically all the year to capacity—119, counting residents and helpers. When vacancies occur, there are always more applications on the waiting list than rooms to be filled.

This has been another year of God's favor upon the Homes and of encouraging progress. While the campaign to raise funds to build the fourth Home in Eastern Carolina, at Hamilton, has not been completed, there is good reason to believe that the money will be secured this year and construction will begin. Mr. Don G. Matthews of Hamilton has given the land for the site, and most of the $50,000

which he promised. He is ready to give the balance when the extra $100,000 has been raised. With reorganization of plans and persistent effort, the balance needed can and will be forthcoming.

Architectural plans and specifications for the enlargement of the infirmary at Headquarters have been prepared, and construction of 28 additional bedrooms should begin soon.

The two most pressing needs of the Homes for Aging now are (1) to finish raising the funds to start construction of the Hamilton Homes, and (2) to raise about $75,000 to cover the balance needed to pay for the additional facilities in the infirmary expansion. So, a total amount of $150,000 must be raised, therefore, to finish these two projects. When they are completed, 60 more bedrooms will be added for anxious and needy residents, thus increasing the total capacity of all the Homes to 170 residents. In addition a special committee is studying the prospects of establishing a Home facility at Lake Lure in Western North Carolina.

Would you like to have a generous part in helping to make these plans become a reality at the earliest possible date? If so, please let us hear from you at once. Why not furnish, or endow, or construct a room with your gift? If you are not able to do as much, send the amount you are able to give to N. C. Baptist Homes, Inc., Reynolds Park Road, Winston-Salem, N. C., and your gift will be used as you may instruct. Remember, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." (Matthew 25: 40)

To better depict the work of the Homes there is now available, rental free, a 35-mm. color-film strip entitled, "Adding Life To Years." Contact Audio-Visual Aids, Department of our State Convention, regarding its use.

All connected with the N. C. Baptist Homes are most grateful to the churches, individuals, and corporations for the help given to offer our aging friends who live in the Homes a program of security, comfort, congeniality, and a Christian ministry.

BAPTIST STUDENT UNION REPORT

MISS SHELBY WILLIAMS

The Baptist Student Union was started around 1952 on the campus of High Point College under the direction of the late Dr. James W. Moffitt.

As everywhere, the B. S. U. at High Point College serves primarily as a connecting link between the college and the student's home church.

About two out of every nine students on the Methodist campus of one thousand are Baptist. There are about thirty active members in the B. S. U.

Baptist students are provided with a leadership training ground for the local churches. The B. S. U. seeks to meet the needs of the students through emphasis on daily spiritual activity, missions participation, Bible study, Christian fellowship, and cooperation with the local church program.

The 1959-60 school year began with the B. S. U. entertaining the freshmen with a weiner roast during orientation. Rev. Tom Haggai from Emerywood Baptist Church is the pastor advisor. Dr. Robert Bryden from the science department is the faculty advisor. Meetings are held on the second and fourth Thursday nights at 7:00 o'clock.

RADIO AND TELEVISION REPORT

CHARLIE MONK, JR.

With each passing year the Convention's radio and television ministry has expanded . . . sometimes in facilities and equipment, sometimes in finances, and, when made possible by these, additional programs have been launched.

Early this year, a project called TELEVANGELISM took shape and gave a new impetus to the television series "This Is The Answer." It was a new slant on visitation coupled with television which captured the imagination of individuals and churches all over the nation.

Because of the success of TELEVANGELISM in 1959, and the aid it gave the

Simultaneous Evangelistic Crusades, it has been proposed as one facet of the entire Baptist Jubilee Advance for the next five years.

With a vast background of experience in how to use the television programs in connection with a program of church visitation, now it is hoped that TELEVANGELISM 1960, will reach more people and have an even greater impact for Christ. TELEVANGELISM 1959 was a success in every sense of the word with more than 5,000 churches participating directly. Spearheading the project on the local level were 800 associational radio-TV chairmen, plus all the associational missionaries who took an active part. The Evangelism Department worked through secretaries of evangelism in each state to promote TELEVANGELISM in a great way. Results: During the 13 weeks of the TV series, mail to the Commission had reached nearly 1,000 letters a week. A good portion indicated a spiritual stirring in individuals who had never experienced such a thing.

"This Is The Answer" continues in popularity and effectiveness. Thirteen new films were produced and distributed for use in 1959. For the first time, it was possible to provide each of the 100 TV stations telecasting the series with the same episode in the series so that the same film was being shown at the same time everywhere. The result was the most effective promotion the TV films have ever had.

The 1960 "This Is The Answer" series for TV and TELEVANGELISM is now complete.

The program which elicits the most encouraging mail response is on the fewest number of radio stations. "La Hora Bautista," a 30-minute modified worship service in Spanish, is carried by 24 stations which reach large segments of Spanish-speaking population. Letters received from listeners range from expressions of dissatisfaction with hereditary Catholicism to joy in a newfound faith. Spanish Bibles are sent to those who ask . . . and spiritual counsel is given when requested.

Another new project, launched in April, 1959, is a new concept in religious radio called "Master Control." The 30-minute program has a "magazine" format with a variety of music, comments on the news, features about people, ideas and places, classical and semi-classical music, challenging interviews, and, most important, a period of brief but direct gospel preaching. Aim of the Commission with this program is to reach as much as 90% of the United States population through the 100 top-rated stations in the nation. As with all other radio and television productions of the Commission, none of the time for "Master Control" will be paid for, but will be given by the station. It is another step in the denominational effort to reach the world with the all-important good news of salvation. This new program brings to five the major productions produced weekly for radio. Total number of stations broadcasting these will soon run to 800.

Stations which carry all programs increased steadily during 1958. An average of 100 television stations have scheduled "This Is The Answer" throughout the year. "The Baptist Hour" fluctuates but maintains a steady average of 460 stations. More than 1,000 tape recordings are mailed every two weeks to all parts of the world as Southern Baptists have a vital part in missions through radio. As official representative of Southern Baptists to the national radio and television networks, the Commission produces about six programs annually. Southern Baptists are to be featured on CBS "Church of The Air" twice this year. NBC's "Faith In Action" on radio and "Frontiers of Faith" on television, will have Southern Baptist programs three times each, in addition to other single network program activities.

Every year for the past 10 years the Christian opportunities in radio and television have multiplied. Southern Baptists' Radio and Television Commission experiences constant growth as it attempts to keep pace with the industry and with the needs of the denomination.

On our local radio station, WHPE, each Sunday afternoon, you may hear "The Baptist Hour" from 1:00 to 1:30 o'clock.

REPORT OF CONSTITUTION COMMITTEE

In accordance with the motion made at the Executive Committee on September 22, 1959, your Committee On The Proposed Constitution presents the fol-

lowing Proposed Constitution and By-Laws for your consideration.

As a matter of information, you should know that your committee met and prayerfully sought to propose the best possible constitution and by-laws. After our work was done, copies were presented to the Executive Committee of the Association, in July, 1959. By motion of that body, August and September were designated for the discussion of this constitution. Any changes brought about there are included in this Proposed Constitution and By-Laws which follow: (W. W. R.)

Application for membership shall be made through the Credentials Committee appointed annually by a committee on committees. The Executive Committee shall have authority to receive any church under watchcare upon recommendation of the Credentials Committee. Churches under watchcare of the Association shall make written monthly reports of their progress and cooperative effort in the work. The Associational Clerk shall furnish the forms to the churches under watchcare for these reports.

Section 2. Baptist Churches, who are affiliated with and in fellowship with other Baptist Associations, may become affiliated with the Association without coming under the watchcare, upon the recommendation of the Credentials Committee.

Section 3. The Association shall be clothed with authority only to advise the churches touching all things pertaining to their interest but shall in no case presume to direct or control them in reference to their own government or internal policy. The Association recognizes the complete autonomy of each affiliated church.

Section 4. When any church shall fail to be represented by letter or messenger for two consecutive years, the Moderator shall appoint a committee to confer with the church, and if a satisfactory reason is not given, and there is no evidence of effort to keep alive their association with cooperating churches, the Committee shall bring its findings to the Association, and the Association by majority vote of its messengers casting ballot, may withdraw its fellowship. The Association

recognizes that any affiliated church has the right to withdraw its fellowship from the Association.

Article V—Officers

It shall be his duty to keep a fair and accurate record of receipts and disbursements, and render a quarterly report to the Association at its fall meeting. He shall submit his books to the Auditing Committee for the annual audit.

Article VII—Ordination

It is our belief that a local Baptist Church is the proper authority in the matter of ordination to the gospel ministry. However, the significance and far-reaching effects of such an ordination on other Baptist churches and ministers impose a special obligation upon churches to be extremely careful in setting apart men for this sacred calling. A matter having such scope and importance merits a spirit of Christian cooperation of the highest order both between local churches and ministers.

1. The following suggestions are offered for use by the Ordination Committee when ordaining ministers:

(1) Unless there are justifying circumstances, a candidate shall first be called to and serving a church.

(2) When a local church is convinced the time has arrived for ordination, the church shall notify the Moderator of the Association who will in turn request the Ordination Committee to assist the local church in every possible manner with plans and preparations for the ordination service.

(3) Any candidate, even before an oral examination, should meet the basic scriptural requirements for a pastor as found in 1 Timothy 3.
   a. He should be a mature Christian, apt to teach. (1 Timothy 3: 6)
   b. His home life should be correct. Specifically, he should not have a wife from whom he is divorced. (1 Timothy 3: 2)
   c. His character should be recognized by all to be above reproach. (1 Timothy 3: 7)

(4) A candidate having met the above requirements shall then pass an earnest and thorough examination on Baptist faith and practice as set forth in Article IX of this Constitution. This examination shall be given by the Ordination Committee and all other pastors of the Association who wish to participate. The said examination is to take place at least several days before the ordination service. Upon passing this examination the candidate shall then be recommended to the church which requested his ordination and that church will proceed with the ordination.

2. This Committee is also available to churches desiring their services in the instruction and ordination of deacons.

Article VIII—Visitors

Article X—Effective Date

These By-Laws or any additions or amendments thereto shall become effective immediately upon passage.

Respectfully submitted,

REPORT ON EVANGELISM

NEIL J. ARMSTRONG

Jesus' command to us is, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: teaching them to observe all things whatsoever I have commanded you: and lo, I am with you alway, even unto the end of the world." Matthew 28: 19-20. Here Jesus summed up God's purpose in the world and the objective toward which God's people must ever move in full dedication if they are to be in His will.

The purpose of God in which He uses His people (and the only purpose in which He uses them) is the evangelization of the world. Evangelization means "making disciples," "baptizing them," and "teaching them" to be obedient to Christ in "all things" He has commanded. Thus a person is not evangelized until he becomes an evangelist. Therefore, evangelism is to make disciples and mature them. This is God's purpose and plan for His people in the world.

In the Great Commission Jesus said, "Go," "teach" with the purpose of making disciples, "baptize" and "teach" them to be obedient to Christ in all things. The only imperative in all these mighty words of action is "to make disciples" or to teach with the purpose of making disciples. Thus Jesus puts soul-winning first in His total program with a definite command.

In every church or associational program, soul-winning must be in the forefront of its total program to be in the will of Christ. This order is the divine imperative. Any individual or church that changes this order is disobedient to Christ, and therefore cannot expect His empowering and blessing upon the efforts put forth.

During the years 1959-1964, in the Jubilee Advance, Baptists of North America are making an effort to be obedient to the Great Commission by putting soul-winning in the foreground of their respective programs. In 1959 it appears that real progress has been made in this direction. Reports received in the Office of Evangelism in Raleigh indicate that the Simultaneous Evangelistic Crusades over the State were the most fruitful ever. With one exception, every association in the State participated. Most of them did more praying, planning and working to win all the people to a full committal to Christ than ever before. Figures in the Raleigh office for the State show about 15,000 baptisms, 20,000 total additions, and that more than 2,000 young people offered their lives for full-time Christian vocations.

The ratio of baptisms to church members is 1.22 for Southern Baptists and 1.25 for North Carolina Baptists. The goal of Southern Baptists in ratio of baptisms to church members is 1.8. This constitutes our greatest challenge. Only as we get soul-winning in the forefront of our total program can we become obedient servants of Christ. In an effort to achieve this objective, therefore, be it resolved that the Central Baptist Association adopt the following goals:

1. To conduct an annual clinic devoting two sessions exclusively to evangelism, striving to have at least seventy-five per cent of the churches and pastors participating.
2. To conduct an annual Simultaneous Revival Crusade each spring with at least eighty per cent of the churches participating.

3. To endeavor to have at least seventy-five per cent of the churches using the church council and sustaining perennial programs of evangelism with soul-winning in the forefront of the total program in every church.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

A. C. MOODY

North Carolina Baptists have shown remarkable interest in their Children's Homes during the past year. Numerous church groups have visited the three campuses. Continued financial support has been encouraging. Awakened interest in your Child Care program has been evidenced in many respects.

During the past year members of the Children's Homes staff, under the best leadership available, have engaged themselves in conscientious study of the entire Child Care program sponsored by North Carolina Baptists. Findings have been gratifying. The program has a commendable history and is one of the best in the nation. Every effort is being made by the present administration to continue the best care possible for dependent children.

More than 1,000 boys and girls were served by the Children's Homes during the past year. Mills Home, Kennedy Home and Odum Home provided care for 547 children, while 197 lived in Foster Homes. Through financial assistance of the Mothers' Aid program 40 children were able to live with their own mothers. Supervision and financial help was afforded 30 college students. Resourceful case workers assisted 214 additional children to find homes with relatives and other social service agencies.

Three cottages are currently under construction: one at each of the three Homes. The Roy Culler family of High Point is providing funds for the boys' cottage at Mills Home. The H. C. Ferebee family of Camden is making possible a cottage for girls at Kennedy Home. The new cottage at Pembroke will provide administration offices, living accommodations as well as kitchen and dining facilities for the Indian boys and girls.

Mr. Vernon Sparrow became superintendent at Mills Home in Thomasville July 1, 1959. He comes to this post with an excellent background of training and experience. Prior to Mr. Sparrow's going to Mills Home he served as Associate Pastor and Minister of Education in the First Baptist Church of Lenoir.

Significant recommendations relative to the Children's Homes were adopted by the Baptist State Convention in May following a two and a half year study by the Committee of Twenty-Five. They are as follows:

1. That the number of children in Foster Home care be increased to approximate the number in institutional care.
2. That the Children's Homes begin to develop new types of programs to help children who are not being adequately cared for in other ways.
3. That increased attention be given to families throughout the State by well trained, mature case workers to help avoid family breakdowns.

The Convention has voted to bring the Children's Homes into the Cooperative Program on the same basis as other institutions and objects. Churches may continue to send Once-A-Month Offerings and special gifts. Designated gifts from the churches to the Children's Homes will be administered by the Convention in the same manner as designated gifts from churches to any other institutions. The Homes are encouraged with this improved financial relationship with the Convention. For lack of sufficient income the Homes operated on a $22,000 deficit in 1958. The deficit for 1959 will be approximately $65,000. The only way the Homes have of meeting the $65,000 deficit this year is through a substantial increase in the Thanksgiving Offering.

With the increase in population, the development of industry, the growth of cities and the mounting tensions in the present day society, there is an increasing demand for service for dependent children. Your Children's Homes are being asked by the Convention to expand their services. With your prayers and loyal and generous support, your leadership will continue to move forward as resources are made available.

CREDENTIALS COMMITTEE REPORT

JAMES R. DELOACH

The Central Baptist Association was duly organized in a special meeting called for this purpose on November 24 at the First Church, High Point. There were 24 churches that had asked for letters of transfer from the Piedmont Association so that they might become charter members in this new Association.

During the year this Committee has been called into session on two occasions. Our first meeting was held on February 7 at the North Main Street Baptist Church. Our Committee also recommended that Oak View Baptist Church be accepted under the watchcare of the Association for a period of one year.

In our second meeting on June 15 at Conrad Memorial Baptist Church we recommended to the Executive Committee that Bethel Baptist Church be accepted under the watchcare of the Association for a period of one year.

At the present our Association consists of 28 churches, with two other churches under watchcare.

FOREIGN MISSIONS REPORT

WOODROW W. ROBBINS

We are in a changing world with an exploding population. What are we as Christians and Baptists going to do with two billions of human souls, where the majority of them are lost and under the curse of sin? What are we going to do?

After better than a century of preaching the gospel, 9½ million Southern Baptists have a little better han 1,350 missionaries serving in 30 countries of this earth. Our present advance began in the challenge of Dr. Rankin in 1948. It has been gratifying since then, but nothing like it should be. We rejoice in the growth of the work of Southern Baptists on other shores, among other nations. But we need more, and it is the plan of the Foreign Mission Board to have no fewer than 2,000 missionaries by 1964, the year of the Baptist Jubilee Advance. May we respond to His will.

Nine and one-half million Southern Baptists should support a thousand missionaries for every million members. This is not an impossibility! Here is what we can do:

1. Know the fields, which are ripe unto harvest. Let us make missions the task of the entire church. Let us all get into the act.
2. Pray. Pray for new missionaries to be raised up and prepared. Pray for God to supply the money. Pray for the fields and the workers already there. Pray.
3. Give—and give the tithes and offerings. Our churches have not begun to give. In the 1957 **Southern Baptist Handbook**, page 45, we find that the estimated income of 8,474,741 Southern Baptists in 1955 was $1,394 per capita, making a total of $11,813,101,130. Yet we gave per capita that year $39.51, making a total of $334,836,283. This should be the picture: $139.39 per capita gifts, which would have totaled $1,181,310,113. What are we going to do? Why haven't we done more?

There are a number of reasons why our churches have not done more. I mention one. There are those who criticize our Foreign Mission Board. Reports have been circulated to the effect that our money given through the Foreign Mission Board does not get to the field. But the facts prove differently. If one will examine the report of the Foreign Mission Board in the 1959 Minutes of the Southern Baptist Convention, pages 130-209, he will find that our Foreign Mission Board is one of the best stewards of Southern Baptists possible. You will find that the money received by the Board for its work does the work we want it to do, for 95% (approximately) goes to the foreign fields to do the work, 5% takes care of salaries, promotion (free literature, maps, etc.) in the home office.

In the near future (as soon as plans can be arranged) our Association plans to have a Missionary Week, when missionaries will come to all our churches and speak. The Lottie Moon Christmas Offering is coming in December, and this could be a wonderful church project, not just a Woman's Missionary Society project. Let the entire church in on this.

We are thankful that from High Point there are young people serving on the fields of the world. Dr. Charles Tabor, a High Point man, was reared here, educated in our schools and college here, graduated from Bowman Gray School of Medicine, and is now a missionary in Korea. He was a member of Green Street Baptist Church, then of Lexington Avenue Baptist Church, where he was married to Miss Ellen Dennis, who came to High Point after two years at Mars Hill. She and Dr. Tabor were married at Easter of 1948. She is a graduate of the Baptist Hospital School of Nursing and serves with her husband in Korea, where they are medical missionaries. They have one son, David, and are looking forward to their second child in November. Lexington Avenue Baptist Church (I am sure Green Street, too) is proud to have had these young people as members of the church.

Then, again, we have a young lady with us at this meeting, who will bring a testimony. She is Miss Jean Short, who was reared in High Point, graduated from her schools, then went on to Mars Hill and Wake Forest Colleges, where she graduated Phi Beta Kappa. She was reared in Lexington Avenue Baptist Church where her parents were and are faithful members. Her mother served for years as Woman's Missionary Society president, and her father as a deacon for years. They are charter members of the church. She married Charles Allen, Jr., in 1954. Both of them will be stationed in Guatemala, Central America. They have two children, a girl and a boy. Charles Allen graduated from Wake Forest and Southeastern

Baptist Theological Seminary. A native of Fayetteville, he, too, graduated Phi Beta Kappa from Wake Forest. He will bring a word of testimony.

Also with us is Mrs. Gene Phillips, who served with her husband in Greensboro as pastor's wife, before going to Africa for their first term of service. They have returned for a year and are living at Wake Forest. We are happy to have this consecrated young lady with us.

Following the testimonies we will hear Dr. Robert L. Lindsay, a native of Norman, Oklahoma. He graduated from Oklahoma University. He was active in Baptist Student Union work, and began preaching at 18. He visited Palestine in 1939-40 as a student in Hebrew University. He finished Th.M. in 1943 in Louisville, Th.M. in Princeton Theological Seminary in 1945, Th.D. in Southern Baptist Theological Seminary in Louisville in 1954. He was sent to Palestine by the Foreign Mission Board in 1945, where he has served since.

His wife is the former Margaret Lutz, reared in Korea, daughter of missionaries. They have six children, the oldest of which is 16, and the yougest 3. Three are boys and three are girls.

Dr. Lindsay is now working on a new translation of the New Testament into Modern Hebrew. It is with a great deal of pleasure that he comes now to address our Association for this closing period.

It shall be his duty to keep a fair and accurate record of receipts and disbursements, and render a quarterly report to the Association at its fall meeting. He shall submit his books to the Auditing Committee for the annual audit.

Article VII—Ordination

It is our belief that a local Baptist Church is the proper authority in the matter of ordination to the gospel ministry. However, the significance and far-reaching effects of such an ordination on other Baptist churches and ministers impose a special obligation upon churches to be extremely careful in setting apart men for this sacred calling. A matter having such scope and importance merits a spirit of Christian cooperation of the highest order both between local churches and ministers.

Recognizing that the local church is the authority for ordination, we, therefore, only suggest that the churches use this Committee at their convenience and discretion.

1. The following suggestions are offered for use by the Ordination Committee when ordaining ministers:

(1) Unless there are justifying circumstances, a candidate shall first be called to and serving a church.

(2) When a local church is convinced the time has arrived for ordination, the church may notify the Moderator of the Association who will in turn request the Ordination Committee to assist the local church in every possible manner with plans and preparations for the ordination service.

(3) Any candidate, even before an oral examination, should meet the basic scriptural requirements for a pastor as found in 1 Timothy 3.
   a. He should be a mature Christian, apt to teach. (1 Timothy 3:6)
   b. His home life should be correct. Specifically, he should not have a wife from whom he is divorced. (1 Timothy 3:2)
   c. His character should be recognized by all to be above reproach.

(4) A candidate having met the above requirements shall then pass an earnest and thorough examination on Baptist faith and practice as set forth in Article IX of this Constitution. This examination shall be given by the Ordination Committee and all other pastors of the Association who wish to participate. The said examination is to take place at least several days before the ordination service. Upon passing this examination the candidate shall then be recommended to the church which requested his ordination and that church will proceed with the ordination.

Article VIII—Visitors

Baptist brethren, not members of the Association, who may be present at any session of the body, may on invitation by the body, take seats and participate in the debate of the Association, without the privilege to vote.

Article IX—Amendments

These By-Laws may be amended at any session of the Association by two-thirds vote of messengers voting, provided the proposed amendment has been read to the Association at least one hour prior to a vote thereon.

Article X—Effective Date

These By-Laws or any additions or amendments thereto shall become effective immediately upon passage.

NORTH CAROLINA BAPTIST HOSPITAL REPORT

Sloan D. Gibson, Jr.

The ministry of our Baptist Hospital touches every area of our state. Last year it served more than 17,000 bed patients, with 150,000 visits being made to the clinics and offices. They came for examinations, medical treatment, skilled surgery, and spiritual guidance. Many of our homes, most of our churches, and almost all of our communities have been served by this ministry of healing. It touches the family life of about a quarter of a million of our people each year.

Sickness is no respector of persons or pocket books. It strikes the rich and poor alike — the widow, the orphan, the aged. There are times when they need such specialized care as that available at our Baptist Hospital. The Mother's Day Fund provides money with which our Hospital gives assistance to those who cannot pay the full cost of their care. Our Hospital almost doubles our gifts with matching funds from welfare agencies and other gifts. In addition to this, the

medical staff gives its services without charge to all free service patients, except for available insurance payments.

Probably we should ask ourselves if we as Christians should provide such a ministry for our needy, sick neighbors. Jesus and the New Testament writers give us the answer. But do we really want such a ministry? It cannot be provided except at great cost. Our Hospital receives about 3¾% of our Co-operative Program funds for payments on the buildings, purchase of expensive equipment, such as heart-lung machines, and for the Department of Pastoral Care. Our Mother's Day Fund provides the money to help pay the hospital bills of needy, sick persons. The amount of this fund determines for the most part the amount of help our Hospital can give.

If we are serious about this ministry which was so close to the heart of our Lord, and want our Hospital to give help when our people need it, we are going to have to become serious about our giving to the Mother's Day Fund. Our Hospital is facing a grave financial problem, and if it is to give free service we are going to have to contribute the money to finance the program.

The only way we can support this work is to plan for it, to make somebody in each church responsible for it, to let our people know about the need, and to challenge them to give of their means. Some of our churches over the state have been doing this, and our people have demonstrated that when this is done they will provide the necessary support. We come to ask you to do it in your church — not for the hospital, but for the sick people who are in need.

A motion was made that this report be accepted, which was seconded, and unanimously passed. Dr. Richard K. Young, from the Baptist Hospital, spoke to the report.

MISSIONS COMMITTEE REPORT

This being the first year of the work of the Missions Committee, we have attempted to organize and think out the proposed work. Realizing that difficulties have arisen in the past, we have sought to prepare carefully the plan and principles we would follow in using the funds available for mission work in our association. The following principles were submitted to the executive committee on March 22, 1960 and were adopted:

1. Interpretation of the work of the Missions Committee:

Our Constitution gives the duties of the Missions Committee as follows: "The Association shall elect from the membership of the Executive Committee a Missions Committee of ten members, three of whom shall be the Moderator, Clerk, and Treasurer of the Association. The duty of the Missions Committee is to promote the missionary and extension work of the association. This committee will work with the Associational Missionary in projecting the total program of the association. This committee will offer its services to local churches or groups contemplating the establishing of new work or missions."

The Constitution places upon the Missions Committee the responsibility of promoting the missionary and extension work of the association. We understand our duties to include the following:

1. The promotion of missions where Baptist work is needed.

2. Assisting in organization of new churches.

3. Allocation of Associational Missions Funds and making recommendations to the executive committee concerning request to the State Convention for Pastors' aid and purchase of property.

Therefore, in discharging our duties as stated above, we will be governed by the following principles:

II. Guiding principles under which the Missions Committee operates:

1. We recommend that only those missions started and sponsored by a co-operating church or by the Association itself be eligible for financial aid from our association or our recommendation for aid to State Convention.

2. Before we recommend that any church or mission receive any financial aid from the Association or State Convention we will expect that church or mission to co-operate with the Division of Missions, the Department of Church Development, the Church Planning Department and the Associational Missions Committee. This financial aid includes help on pastor's salary, purchase of new prop-

erty, help on new buildings, renovations, or new additions. The association will not assume responsibility for any assistance toward pastor's salaries.

3. We recommend that assistance on any one project not exceed 50% of funds allocated for missions.

Action Taken

Our Missions Committee recommended to the Executive Committee that $500 be given to Oak View Baptist Church in June, 1960, and also in August, 1960, making the amount given, $1,000.00. These recommendations were accepted. But it was understood that this would not set a precedent.

The Missions Committee has been active in meeting with other groups interested in beginning new mission work in our associational area.

Respectfully submitted,

Missions Committee,
W. Frank Marks, Chairman
Clyde H. Tucker, Moderator
W. W. Robbins, Clerk

TRAINING UNION REPORT

John A. Reavis

The training offered and received through the Baptist Training Union Program is most valuable and helpful. It is through this phase of our denominational work that we get our best informed and trained leadership to carry on Christ's work through our churches.

The number enrolled in Training Union in our association is now 2,300.

The "M" Night program was held in Green Street Church on December 7, 1959. This meeting was well attended. The Rev. Randall Lolly was the guest speaker.

A course of study and training was held in February in the Lexington Avenue Baptist Church with an average attendance of 200. There were six state approved workers leading in this course of study. From this average attendance there were one hundred eighty who requested awards.

May 27-28 a Youth Retreat was held at Lakewood Baptist Assembly with approximately sixty in attendance. Those appearing on the program outside our association were the Rev. Jack Roe, pastor of the Magnolia Street Baptist Church of Greensboro, and Mr. Skeet Long, of the Thomasboro Baptist Church, Charlotte, N. C.

Two hundred twenty-eight Training Union members attended at least one of our summer assemblies.

Representing our association in the Young People's Better Speakers Tournament as alternate to the state tournament was Mr. Kay Clinard of the Green Street Baptist Church. Miss Kilby of the Green Street Baptist Church was alternate to the state tournament in the Intermediate Sword Drill. Sixteen Juniors represented our association in the State Junior Memory Work Tournament. We congratulate two of this number for taking the honors by becoming Four Year State Winners in the Junior Memory Work Tournament. They are Miss Dannielle Fincher of the Five Points Mission, and Miss Nancy Hutto of the Emerywood Baptist Church.

A clinic for new leaders and officers is planned for October 20, at the Green Street Baptist Church.

A study course in methods is presently being taught at Oak View Baptist Church, which will be followed with the organization of a Training Union for all age groups.

My heartfelt thanks and appreciation goes to the associational officers and the leadership of the individual churches for their fine co-operation during the year.

This report was unanimously accepted, with Mrs. J. W. Moffitt from Green Street speaking to the report.

Mr. Joseph M. McWethy, from Lexington Avenue, brought special music, singing "A Passion for Souls."

MUSIC COMMITTEE REPORT

Albert Leath

Novella D. Preston has said, "Music is a gift from God. Sometimes it bears an invitation to come to the Saviour. Sometimes it voices a prayer—a call of the soul to its Creator. And sometimes it sounds a paean of praise and thanksgiving to God the giver of all good gifts." Yes, music is a gift from God, and it is a pleasant way to offer Him the sincere worship of our hearts.

The past associational year has seen the music ministry being correlated with the work of the other organizations. This has been carried through the efforts of the Associational Music Committee. The officers were Albert Leath, director; David Lee, director of training; Mrs. Helen C. Laney, director of publicity and promotion; Roger Sole, director of congregational activity, and Rev. W. F. Marks, pastor advisor.

The needs of training are evident: better understanding of the real mission of church music, to undergird the total program of the church with the pastor's full support; choir opportunities for each age-group in every church for the development of talents to be used to glorify God; Sunday School and Training Union department pianists and choristers, and also the need for Spirit-filled congregational singing. Some of these needs can and will be met as we lend our support to one another.

This was unanimously adopted.

W. M. U. REPORT

Any report of a year's work in a Woman's Missionary Union cannot, in my mind, reflect what may or may not have been accomplished. We are speaking of a report of facts and figures, only, for, as in every phase of God's work, the measure of the worth of any program of work is the impact on the individual to whom it is directed. The aim of the associational program of Woman's Missionary Union has been, through bringing her to an awareness of the missionary purpose, to bring the individual woman in her church into a fuller participation in the world-wide mission of His church.

Of the 30 churches in our association, 20 have some organization in the Woman's Missionary Union. The 10 who do not, of course, continue to be a weight upon our hearts, and we certainly hope before this year is completed that our organization will have the strength to make great inroads on this number.

There is great encouragement in the reports of the work in those churches which do have organizations. The emphasis this year, as you know, has been on training of leadership, and although the annual reports are not yet complete, we have a count of 73 who have obtained Leadership Cards during this year. In addition to this number, we have knowledge that there are other churches who are working at the present time on courses that, when completed, will award the Leadership Cards to their members. There has also been much interest in the study of this year's Jubilee Advance Mission Book, "Educating Youth in Missions," and the coming year's work will show the results of this study, I am sure.

In February, 1960, our association was hostess to a State-Wide Sunbeam Band Workshop which was led by leaders from the Woman's Missionary Union offices

in Birmingham, Ala. This workshop, for the purpose of training the associational officers in the state to return to their own associations and train local leaders, was attended by about 125 persons from all over the state. The meeting was held at First Baptist Church, and the association is indebted to the leaders of their Woman's Missionary Union for their wonderful hospitality.

In May, 1960, the association asked the regional officers to help with a one night's conference workshop at Green Street Baptist Church, with a view to inspiring and helping leaders to complete the work for their Leadership Cards. The meeting was attended by 69 of the members of the local Woman's Missionary Unions.

The Annual Fall Workshop for the purpose of training the in-coming officers for next year, was held at Lexington Avenue Baptist Church on September 29, with an attendance of 58 of the officers from the local churches. Although this might be termed a disappointing number, we feel that with our support of the State-Wide Jubilee Leadership conferences in Asheboro the week before, those who needed the help were reached.

Prior to our own workshop, on August 30, the associational officers were in an all day workshop for associational officers in Lexington's First Baptist Church. This workshop was led by state officers, and served to prepare the associational officers for their leadership in the association.

Our Annual Associational meeting in April was held at First Baptist Church. This is always a highlight of the year, with the visit of our regional president, Mrs. Harry Wood, of Leaksville, and one of our missionaries, Miss Elizabeth Watkins, returned missionary from Japan.

This association participated with Piedmont Association in October, 1959, in the Mission Study Institute, and our Mission Study chairman, with the leaders of the youth organizations, led the Spring Mission Study Institute at Trinity Baptist Church in February, 1960. Plans are now underway for the Fall Institute to be held at Hilliard Memorial Baptist Church on October 18, 1960.

Your president has been in individual churches on ten occasions for the purpose of giving programs or teaching study courses. Mrs. H. E. Nickens, Mission Study chairman for this past year, has either taught or been instrumental in securing teachers for seven other churches. All of your officers are anxious to be of service, and hope that they will be called upon when they can be of help.

With the Woman's Missionary Union of the Southern Baptist Convention, we take our motto "For the Love of Christ Constraineth Us" for the coming year, with the determination that all that we say or do will be only for this reason. We pray that we may have the patience to wait for the leadership of our Lord, the wisdom to recognize it when it comes, and the humility to follow it completely.

Officers for the year October 1, 1960-September, 1961: Vice-President, Mrs. Grover H. Jones; Secretary, Mrs. Claude Best; Sunbeam Band Director, Mrs. Lothair Cecil; Jubilee Chairman, Mrs. Jack Cox; Mission Study Chairman, Mrs. V. B. Collins; Prayer Chairman, Mrs. Franklin C. Welch; Community Missions Chairman, Open; Stewardship Chairman, Mrs. J. B. Ellis; Y.W.A. Director, Open; G.A. Director, Open.

This was unanimously adopted, with Mrs. A. Leroy Parker, Vice-President, bringing a most interesting message, pointing out that always the ladies of W.M.S. are auxiliary to the Convention, Southwide and Statewide and in the association.

REPORT ON DENOMINATIONAL LITERATURE

J. E. Rawlinson

For such a time as this:

It behooves every Baptist to be an Indoctrinated Baptist. It is always of first importance for every believer to adorn the doctrine of the Word of the Lord.

It behooves every Baptist to be an Informed Baptist. Until we know and experience the truth for ourselves, our vision is limited and Christian endeavor is nil.

It behooves every Baptist to be an Understanding Baptist. When a Christian knows the truth, he understands, and Christian understanding promotes fellowship in the furtherance of the Gospel of the Lord Jesus Christ.

It behooves every Baptist to be an Inspired Baptist. One, who is kindled by the flame of the Holy Spirit and dedicated to the propagation of the faith once for all delivered to the saints.

It behooves every Baptist to be a Co-operating Baptist. We are a people with one Lord, one faith, one baptism. We are to stand fast in one spirit, striving with one soul for the faith of the gospel. As one body in Christ Jesus, we are laborers together.

For every Baptist to be an Indoctrinated Baptist, an Informed Baptist, an Understanding Baptist, an Inspired Baptist and a Co-operating Baptist, it is imperative that we give ourselves individually and collectively to the Bible and the tenets of our faith as magnified and promoted through Denominational Literature.

To these ends, it is encouraging to note the Biblical Recorder has the highest circulation in its history — 63,719. It should be still more encouraging to many churches to know The Recorder can go into a home each week at the rate of three cents a week. The most satisfactory way for all concerned is for the Recorder to be placed in the Church Budget. The Biblical Recorder is a must for every Baptist who would be informed and constructive.

Where will we find Mission Journals to equal Home Missions of the Home Mission Board and The Commission of the Foreign Mission Board. Home Missions can be had at the Club Rate of 75c a year for 10 or more, or the Budget Rate of 60c a year. The Commission can be had through the Church Club Plan at $1.10 a year per subscription, for 10 or more subscriptions. Through the Church Budget Plan, The Commission is sent to each family in the membership at the rate of 88c per subscription. These two Journals are truly dedicated to the purpose — "that the world may know we are the disciples of the Lord Jesus Christ."

What would a Baptist Church do without the publications of the Sunday School Board? The Board publishes 41 Quarterly, 8 Monthly and 3 Weekly periodicals with a combined circulation of 13,859,361. In addition, we have the Baptist Bulletin Service and the Broadman Press.

What more does mind need and can heart desire by way of Denominational Literature than that which we have at the present time? But, what avail is it, if the Literature is not found in every Baptist Church, every Baptist home and the Christian experience of every member of every Baptist Church? That this come to pass is unspeakably important for the world as a whole.

In the words of another — "If religious literature is not widely circulated among the masses in this country, I do not know what is to become of us as a nation. If truth be not diffused, error will be; if God and His Word are not received, the devil and his works will gain the ascendancy; if the evangelical volume does not reach every hamlet, the pages of a corrupt and licentious literature will; if the power of the gospel is not felt through the length and breadth of our land, anarchy and misrule, degredation and misery, corruption and darkness will reign."

We believe the literature of our beloved denomination to be incomparable and indispensable for every believer and every church.

This report was unanimously accepted.

SUNDAY SCHOOL REPORT

W. Edward Kissiah

Two major activities have characterized the associational Sunday School program this year. First of these was the Vacation Bible School Clinic at Green Street on April 19. This was the first clinic of this type in our association, the previous clinics being held in conjunction with Piedmont Association. One hundred seventeen persons were present and conferences were led by Dr. Sibley Burnett, Dr. Herman Ihley, Mrs. Nolan Johnston, Mrs. J. W. Boldman, Mrs. Woodrow Hill, Mrs. J. E. Rawlinson, Albert Leath, and Jimmy Hinson.

Second major activity of the year was the Central Training School at Emerywood Baptist Church, October 3-6, 1960. All of the teaching books were offered by the following outstanding faculty members: Mrs. J. W. Moffitt, Rev. John Wade, Mr. and Mrs. Harold Craig of Winston-Salem, Mrs. H. E. Hutto, Mrs. W. E. Anderson, Mrs. Carrie Mae McKinney of Greensboro, Jimmy D. Hinson, Sr., Walter Jacobs and Miss Alma Bumgarner. Less than ten churches participated in the school and only four pastors were present during the week.

Sunday School work in our association offers a tremendous challenge. In order to project an adequate program of work, a minimum of four meetings a year is necessary to sustain interest. Additional meetings will be necessary for planning. Undergirding the entire program of Associational Sunday School work there must be the complete co-operation of pastors and superintendents in the churches. This will involve clearing local church calendars for clinics, training schools, and other meetings, and giving strong promotion to these activities, as well as attending themselves.

Our organization is incomplete inasmuch as three of our workers (J. R. DeLoach, David Lee, and L. R. McNeill) left the city during the year. It is hoped that this organization can be completed early in the new year.

This report unanimously accepted, with Dr. Langley, from Texas, who is in a revival at Green Street, spoke to the Association.

REPORT OF ACTIVITIES OF BAPTIST STUDENT UNION OF HIGH POINT COLLEGE FOR CENTRAL BAPTIST ASSOCIATION

Andrew Leo Buie
President, Baptist Student Union
High Point College

First, I would like to give you some of the objectives of the BSU program as set forth by the staff of the Department of Student Work, N. C. Baptist State Convention.

1. To proclaim Jesus Christ as Lord of all life, the Saviour of all men, the unifying force and central point of reference of all truth.
2. To call all students to an intellectual and emotional commitment to Christ as Lord, the object of one's loyalty, the center of one's affection, the foundation of one's faith, the motivation of one's evangelistic concern.
3. To provide the means of understanding the truths of God in Christ, thereby helping students witness to their faith.
4. To help students relate their dedication to Christ to all areas of life.
5. To afford opportunities for students to put into practice their Christian concern in areas of creative service.
6. To instill a sense of the worth and meaning of the Christian world mission.
7. To cultivate an appreciation for the Baptist heritage, a loyalty to the denominational purposes and program, and a sense of the worth and meaning of the New Testament concept of the Church.

Next, I would like to tell you something of the program of the Baptist Student Union of High Point College. This past year we had a variety of interesting and informative programs. One of our first programs was a talk by a foreign missionary, who told us something of his work in Thailand and also showed some very interesting and beautiful slides. Another program of particular interest was one in which different students of different denominations and faiths told something of their religious beliefs, followed by a question and answer period. This was a particularly enjoyable program and if we can work it into our schedule we plan to have a similar one this year. In a program last spring we had a psychiatrist give a talk on the relations of psychology and religion.

Along with these programs we also had some social events. As has been the custom, at the beginning of each school year the BSU gives a weiner roast for all of the incoming Freshmen. This gives us a wonderful opportunity to meet the new Baptist students and get them interested in the BSU. Last spring, in the line of social events, we started something new, a Spring Banquet. This is a wonderful opportunity to end the year with a good felowship and also a time to honor the graduating seniors.

This year at High Point College there are 244 Baptist preference students, with some 79 of these living in the dormitories. The enrollment at the school this year is about 1,050 students, so almost one fourth of the student body is Baptist. Unfortunately, we have only about 25 or 30 of these who are active members of the BSU. From this you can see there is a great field of service for the BSU at High Point College.

This year we have made plans for what we hope will be an eventful year for our BSU. In view of the forthcoming elections, we are planning an impartial program on a Christian's position in politics. Because of the need of more emphasis on missions, we are planning more programs on missions and our foreign mission program. We also plan to have a program or two on building Christian leadership.

Every year the state BSU's have two conventions, one in the fall and one in the spring. This year we plan to send delegates to the Fall Convention, which will be held in Winston-Salem, the 4th through the 6th of November. We hope to have a good many more attending the Spring Leadership Training Conference, because this will be held at Green Street Baptist Church here in High Point next

April. Along this same line we started something new last spring. At the First Baptist Church here in High Point in February we held a Mid-Year Retreat. This included the BSUs of High Point, Guilford, Salem, and Pfeiffer Colleges. This is a good opportunity for the students from the small colleges in this area who do not have a BSU Director on their campus to get together and discuss some of their problems. This is also a good chance to get in some good Christian thought and worship.

We of the High Point College BSU would be glad to have any of the pastors or lay members of any of the Baptist churches visit us at any of our programs. I would also like to say that we would be glad to help any of the churches in their church program in any way that we can.

This concludes the report of our activities.

The time for the annual sermon arrived. A hymn was sung, then the alternate to preach the sermon, Rev. Charlie Monk, Jr., read the Scripture and led in prayer. Rev. J. J. Thornburg, the preacher, brought a very stirring message on "The Preeminence of Christ in Soul Winning."

The afternoon session opened with the singing of the hymn "Are Ye Able?" H. E. Benfield read Psalm 23 and led in prayer.

The report of the Time, Place and Preacher was brought and adopted.

As set forth in the Association's constitution, the election of moderator and vice-moderator was from the floor. Dr. E. W. Price, Jr. nominated Clyde H. Tucker, saying that under the constitution he had served but one year, and since he had done such an excellent job as

our moderator, he felt we should elect him to serve another year.

Brother Tucker then called upon the Vice-Moderator, Dr. R. C. Fincher, to take charge. After checking the constitution Dr. Fincher ruled in favor of Dr. Price's interpretation, and Brother Tucker was elected by acclamation.

For Vice-Moderator, Dr. R. C. Fincher was re-elected by acclamation.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

R. C. Fincher

God's gift to the Homes for the Aging during the past nine years has been James M. Hayes, Sr. No man could have worked harder, or accomplished more, than this dedicated man of God. On July 1, he relinquished the heavy and challenging responsibilities of the office of general superintendent to his successor, William A. Poole.

The new superintendent is diligently at work and is finding a solid foundation on which to build and expand our ministry to the aging in our midst.

Great blessings are in store for us in this tenth year of our Homes for the Aging. The new Infirmary Annex, constructed at a cost of $193,000, and with 28 new rooms, will be in use by September 1. It is hoped that the construction of the proposed new Hamilton Home can be started by late summer, with facilities for around 30 additional residents. Our hats are off to all who have given so liberally and worked so tirelessly in bringing this fourth Home to fulfillment!

At the present, there are sixty applicants on the waiting list, and new inquiries and applications pouring in daily. We now have a total of 106 residents in our three Homes — Resthaven, 20; Albemarle, 34; Headquarters, 52. Even with our new facilities, it is not unrealistic to say that we could fill rooms up to 500 in the next two years. We must attempt great things for God and expect great things from God as we plan for the future in our ministering to the ever-growing number of the aging who need the loving care of North Carolina Baptists.

One of the life-lines in our work is the vital relationship that we have with the pastors and churches of our convention. We could not operate without this very important and blessed tie that binds. We are increasingly dependent upon the prayers and the financial support of the churches. During the fiscal year, October 1, 1959, to August 1, 1960, we have received $82,521.20 from the churches. Of this amount, $76,352.70 was contributed through the Special Offering in February. Although this amount is $123,000 short of our goal of $200,000, we are profoundly grateful to God and to everyone who has had a part in contributing to the worthy cause which we represent.

We are constantly experiencing mixed emotions in the Homes. We rejoiced with Aunt Fannie Drumwright on her 99th birthday in July, and were saddened by the deaths of Miss Lillie Herring in October, Mrs. Mary Holder in April, Mr. T. J. Castevens in June, and Mrs. Annie Smith in July.

We shall welcome a visit to the Homes from our fellow Baptists at any time and stand ready at all times to render the service that God has called us to render to the aging.

Let it be known throughout the bounds of our fair state that there is nothing to hinder any needy aging person in our midst from coming to the North Carolina Baptist Homes for the Aging except lack of space. Let us, therefore, dedicate ourselves to the end of making more space available at the earliest possible moment.

This report was unanimously accepted, with Mrs. Smith, who works in the office at the Baptist Homes, bringing a most interesting address to the report.

SOUTHERN BAPTIST RADIO-TELEVISION COMMISSION REPORT

Paul M. Stevens

World-wide radio and television are now realities. In the light of present day tensions and world conditions, mission work by way of radio and television may be the only means of witnessing to large areas of our world which are now, or soon may be, closed to our present mission methods.

Early in October a 15-minute evangelistic preaching program will be transmitted in Russian by short wave into Moscow from Monte Carlo. A quarter-hour version of the "Master-Control"* program will be beamed weekly from the same transmitter into Great Britain beginning in November. Other language broadcasts are planned for the immediate future.

The Radio and Television Commission preaches the Good News of Christ almost daily somewhere, reaching individuals who might otherwise never hear the message of Life. God is blessing Southern Baptists' efforts to use radio and television as evangelistic tools. There are three main facets to the work of your Radio-Television Commission: 1) preaching the gospel on radio and television; 2) building an audience for the programs; 3) providing counsel and filling requests which come in response to the programs.

The Commission is currently producing seven programs for radio, including the two new ones mentioned above. Others distributed weekly are: "The Baptist Hour," "Master-Control,"* "La Hora Baptista," "International Sunday School Lesson," and "The Chapel Upstairs." A children's program, a music program and a program designed to teach literacy are now in the planning stages.

Preparation of "The Answer" series for television continues to be a highly successful method of reaching the unchurched and frequently uninterested viewer. At the same time, "Televangelism" as a project through which to relate church visitation and evangelism to the television program continues to be used effectively — this year by more than 6,000 churches and participated in by over 75,000 individuals. A new series of 13 films for use in 1961 has been produced, bringing to 52 the films available to television stations. Other types of programs are being planned to serve and represent Southern Baptists on television.

Requests for prayer come daily in the mail and are taken up by the staff at a morning devotional period. Spiritual and moral counsel are given to hundreds by mail, as each writer is urged to contact his local pastor.

Southern Baptist pastors can now obtain **The Beam**, monthly 68-page magazine of the Commission, upon request without cost, and a budget plan of 50c a year is available to churches which have 25 or more subscribers. The periodical doubled in size with the October issue.

You are urged to hear and view the programs which are on radio and television in your area. And above all, pray for us as we attempt to use wisely these divine opportunities to spread the Good News.

Our Baptist Hour, sponsored by our association, can be heard over Radio Station WHPE every Sunday at 1:30 P.M.

This report was unanimously accepted.

REPORT OF CHRISTIAN LIFE COMMITTEE

This is the first year we have had this committee. According to the Constitution under Article VI, the duties of this committee shall be to "study, present and recommend to the Association, as the need may arise, in its Annual Session, action which bears on social service and civic righteousness."

Last Christmas we worked in co-operation with our Methodist brethren on the newspaper article which appeared twice in the "High Point Enterprise" advocating keeping Christ in Christmas and intoxicating beverages out. This was our only project.

We have been silent too long and have failed to protest some practices that are generally accepted or condoned, therefore, we would like to submit the following recommendations:

1. We believe that Christians should totally abstain from the use of intoxicating beverages, and that this Association register its disapproval of the sale of such beverages anywhere, especially in grocery and drug stores.
2. That Christians be challenged from the pulpits to observe the Lord's Day as a Holy Day. Many of the business concerns would of necessity close their doors on Sunday if church members would refuse to patronize them on this day.
3. That we deplore the display and sale of obscene literature from newsstands.
4. That Christians make their observance of Christmas, Christ-centered. Children should be taught the true meaning of Christmas and the true spirit of giving.

This committee realizes that all these things will not be done in a week or a year, but we must make a start in the right direction. We call on God's people to take a firm stand on these and other issues, as Christ taught us in Matthew 5:16, "Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven."

Respectfully submitted,

REPORT OF CHRISTIAN EDUCATION

Report of Progress of the Committee on Advance Program for our Baptist Colleges to the Central Baptist Association

May I say that it has been a very humbling experience this year for me to have had the opportunity to serve on the Committee on Advance Program for our Baptist Colleges with Dr. E. Norfleet Gardner as Chairman.

Some of you may not be familiar with the assignment of this committee. The assignment given this committee by the convention was to study the needs of the seven Baptist colleges and bring to the 1960 convention a plan for meeting the pressing financial needs of these schools.

As this committee makes its report at the meeting of the convention in Asheville in November, it will be laying upon the hearts of the Baptist people of this state the imperative need for more adequate financial support for Christian Education for our seven colleges.

The report of this committee will bring the results of prayer, extensive study of the minimum needs of each college after visits to each campus and numerous conferences with each president, as well as information gained from conferences with informed persons in educational, financial and church fields, to say nothing of the many meetings of the full committee and sub-committees.

To educate your thinking in preparation for this report we would direct your attention to these salient facts.

Christians cannot afford to be satisfied with less than the best and the highest standards in Christian Education; otherwise, it is inevitable that our ablest young people will by-pass church schools for higher standards in state and other secular institutions, thus causing the inevitable loss of the finest in leadership to which Christianity is entitled and which it must have if it is to be dominant in the world.

Quoting from a report from the office of the Department of Student Work of the Baptist State Convention of which Mr. Harold Cole is secretary:

"Today 83.9% of Baptist students are enrolled in non-Baptist schools. The present trend projected over the next decade will put about 10% of Baptist students in Baptist colleges and 90% in non-Baptist colleges. Our colleges must expand even to have minimum facilities to minister to 10% of the anticipated Baptist student population of 1970."

With each college filled to capacity and many students turned away because of the lack of housing facilities, we would ask you to think in terms of a long-range program of expanding our college facilities to accommodate a larger student body in each of our schools with quality of teaching as the cornerstone. Facilities that would accommodate 12,500 students or a 50% increase over the present enrollment.

In this expansion program we would ask you to think of the possibility of again adding a graduate program to the curricula of Wake Forest College where by our Baptist students could have the benefit of graduate study in one of our own schools.

Mr. J. Everett Miller of the Department of Public Instruction of the State of North Carolina in discussing with the committee some trends in connection with education in North Carolina said, "There is an increasing demand for a personnel that has had a longer period of study. More selectivity in college has produced more specialization in all branches of education. It seems imperative that Wake Forest resume graduate work in the teaching field of education. There are seven white colleges in North Carolina that offer the master's degree, two of which also offer the doctor's degree. About 500 candidates are granted the master's degree each year from these seven colleges. Since 1943 the master's degree has been required for all superintendents and principals of schools. Beginning in 1964 the American Association of School Administrators will require that all new superintendents and principals have at least one year above the master's degree."

Thus you see there is and will continue to be a greater trend in the field of education for graduate study.

Now looking briefly at the financial needs of our Baptist colleges.

It was a real revelation for the committee to have the opportunity to visit the campuses of our schools and gaze with pride at the physical improvements that have been made to more adequately provide for our young people. While each college president is proud of the physical aspects of his campus, he sees with clear vision the college of the future and realizes the imperative need for a bigger financial investment in his school if it is to take its stand with state-supported schools.

Seemingly, to remedy the financial need of our colleges, which do not receive adequate support through the Cooperative Program or through the Fund for Christian Education as such, it is the studied opinion of your committee that the Baptists of North Carolina begin to feel in a more definite fashion the financial support of their colleges.

We should be very appreciative of the excellent financial support we have had from generous souls of other denominations, but can we continue to receive generously from these friends and be lax ourselves in realizing our financial responsibility toward our colleges? Can we expect the trustees of our colleges to be knocking as it were on the door for money for Meredith College one week and on that same door for Wingate College the next week, and so on? Surely we wouldn't want it said that we are making professional beggars out of our college presidents and trustees.

After careful study and restudy of the financial needs of each of the seven colleges your committee is convinced that $45,000,000 represents the minimum

immediate needs of these schools—and has voted to recommend to the convention that it accept this goal and that a campaign be launched as soon as practical to provide this money; that this campaign be a convention-promoted program, enlisting each member to have the opportunity to make a commitment—with the understanding that this special effort for Christian Higher Education would in no way interfere with the Cooperative Program and regular allocations for Christian Education.

The committee has voted to recommend to the convention that it give consideration to the calling of a special convention to consider this matter early in 1961 at which time ways and means to reach this goal would be presented by the committee.

Friends, if you have never been challenged before, you are challenged now.

Looking at this goal proportionately it would not be an impossible goal to reach. There are around 800,000 Baptists in North Carolina. To reach a goal of $45,000,000 means actually each member giving $56.25. This would be a sacrifice for many, but when we look at the rewards of the sacrifice it would be worthwhile.

Perhaps some of our folk will fuss and squirm and wiggle and tighten their purse strings, but we believe when they have been challenged with the goal of $45,000,000 and know the facts and figures, our Baptist people will be concerned and will cooperate with the plans and will contribute to this campaign.

And what would be the rewards? Liquidation of college debts, construction of necessary buildings, renovation of old buildings, endowment which would provide more scholarships and assure financial security to the faculties, provide facilities to accommodate 12,500 students or 50% increase over the present enrollment, resume a graduate program for Wake Forest College and the greatest reward would be that we would have assumed our responsibility in providing the best in Christian Education for our young people.

Our colleges are on the way to arriving at their place of leadership. Let us see to it that they arrive in our generation.

EVANGELISTIC REPORT

Neil J. Armstrong

There never was a time when the Gospel of Jesus Christ was not urgent, but many Christians have been slow to sense it. If circumstances can shock us out of complacency, then every Christian should be alerted today to the urgency of evangelism in this atomic age.

Southern Baptists have been blessed by God as few people have been blessed in all Christian history. However, along with these blessings there are inescapable responsibilities. We are Christians and we must share the gospel with those who are not Christians. We are the children of light and we must share with those who sit in darkness. In his message before the Southern Baptist Convention meeting in Miami Beach, Florida, Billy Graham said, "America is the world's greatest mission field." If this be true, and no doubt it is, and if Southern Baptists are the leading evangelical denomination in America, we must match this hour with total education to Christ in evangelism.

Therefore, we recommend:

1. That we strive to reach the "Evangelism Standard of Excellence" for our association annually.

2. That our association have an evangelistic clinic on February 10, 1961.

3. That our association participate in the Baptist Jubilee Revival, and that we set annual Baptist Jubilee revival dates through 1964. (A map showing the dates for 1964 in North Carolina has been mailed to all pastors.)

4. That our association shall recognize the associational officers to serve as the Baptist Jubilee Revival Committee.

5. That every church utilize the church council in promoting a perennial program of evangelism within the local church.

6. That every church co-operate with the Baptist Jubilee Revival, and that consideration be given to having at least one other revival during 1961, with emphasis in both revivals being placed upon every member doing personal soul-winning.

7. That each church follow the **Revival Plan Book**, thus pray, plan and work to reach the maximum number of lost souls during the Baptist Jubilee Revival and to experience a new depth of Spiritual Life.

8. That every church co-operate fully with the Training Union in promoting the spiritual growth program so as to help anchor and mature every member coming into the fellowship of the church.

This was unanimously adopted.

The Rev. Julian Hopkins, Superintendent of Evangelism of the Baptist State Convention, spoke, bringing a stirring message on evangelism and missions.

The evening session opened with the singing of a hymn, with Billy Freeman reading the Scripture and leading in prayer.

The Children's Home Report was accepted.

THE BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

The Baptist Children's Homes of North Carolina, Incorporated, is a multiple service agency providing Christian love and nurture for more than 800 deserving boys and girls annually.

The three homes are: Mills Home at Thomasville with 311 children, Kennedy Home at Kinston with 165, and Odum Home at Pembroke with 24 children.

There are 160 children in Foster Homes and 40 others who are assisted by Mother's Aid. Case work supervision is afforded 30 college students annually.

Children attend public school and participate in all school activities. Opportunities for Christian commitment and spiritual growth are afforded on the campuses, in the cottages, and through the churches.

Relatives, pastors, social service agencies, and interested friends make inquiries about admission of children in need of care. When applications are received, well trained case workers make a thorough study of each situation to determine the need and the best possible plan of care for the child.

The Social Service Department of the Children's Homes affords case work services throughout the state. Individuals, families, pastors, and churches are entitled to this help upon request.

The Baptist Child Care Program is supported through the Co-operative Program 31.5 per cent. Thanksgiving Offerings 31.1 per cent, Once-A-Month Offerings 21.9 per cent, Special Gifts and Endowment 15.5 per cent.

Income for the past three years has not been sufficient to meet minimum needs. Many children have been denied a Christian home whom we should have served. An increased Thanksgiving Offering is imperative this year.

North Carolina Baptists have been caring for homeless and dependent children for 75 years. Appropriate observance of the 75th Anniversary will be made in November. During these years, more than 8,000 children have been afforded life's best opportunities. The need for such services increases with the development of industry, increase in population, growth of cities, and the mounting tensions which accrue to families in an urbanized society.

John E. Roberts became Editor of **Charity and Children**, June 1, 1960. We envision, under his editorship, this paper making an increasing contribution to the total life of our Baptist people.

North Carolina Baptists will continue to love and serve dependent children. No other object is so worthy of service and sacrifice. Many areas of unmet need confront us each day. Your continued interest and increasing support will help us meet them.

REPORT OF THE RESOLUTION COMMITTEE

The following resolutions were adopted by the Association:

Resolved, that a letter from the Central Baptist Association protesting the sale of intoxicating beverages in grocery and drug stores be sent to the Merchants Association and the High Point Enterprise.

Whereas, the United States is facing one of the greatest crisis in this century from the many forces seeking to destroy or control our nation, and

Whereas, the upcoming election concerns the election of a Roman Catholic for president of the United States, and

Whereas, many people are confused concerning this opposition to Roman Catholicism, and characterize it as bigotry, not realizing that the Roman Catholic Church is not only a religion, but Roman Catholicism is also a government, which is dictatorial in its power, and

Whereas, the evidence of this Roman Catholic Church-state interference in the government of various states in our union, as well as in the federal government, is abundant, and

Whereas, the record of history makes the aim of this Church-state perfectly clear,

Therefore, Be It Resolved: That we declare the following to be some of the facts justifying this opposition to a Roman Catholic as president:

1. The Roman Catholic Church represents a sovereign state, Vatican City, the territorial seat of the Papacy and the smallest sovereign state in the world as stated in the Catholic Almanac, 1959, page 207.

2. "On November 21, 1948, the U. S. bishops of the Roman Catholic Church declared that the American doctrine of the separation of church and state, as the Supreme Court has consistently interpreted it, is 'the shibboleth of doctrinaire secularism' and urged Catholic people to work 'peacefully, patiently and perseveringly' for its revision. They endorsed a program of 'non-preferential' tax aid for American churches."

3. "In June 1960 the Roman Catholic hierarchy organized the first Catholic political party on American soil. The 'Christian Action' party of Puerto Rico has as its announced goals: censorship control of books, movies, and TV, subsidies for Catholic schools, and control of marriage and more rigid laws against birth control."

According to Canon 1374 the Roman Catholic Church is actively opposed to our public school system. That this opposition is active is evidenced by the fact that "Some 35 public schools in Indiana have been taken over by the Roman Catholic Church and now operate as parish schools with salaries and maintenance paid from tax funds. In Kansas an even larger number of public schools have been "captured by this Church."

5. The pre-eminence of Rep. John McCormack (D-Mass.) in securing public benefits for the Roman Catholic Church has been recognized by that Church's head, Pope Pius XII. By using all the prestige and power of his position as Majority Leader of the House, as well as his great personal charm, Rep. McCormack has been instrumental in the passage of bills in Congress granting more than $36,000,000 to the Catholic Church. Pope Pius invested Mr. McCormack in April, 1957 with the rank of Knight Commander of St. Gregory the Great, with star. Since the award was for "civil and military" service to the Vatican, and since the award had been made by a foreign potentate, Federal Law required a special act of Congress to permit Congressman McCormack to wear his medal. The Congressman's colleagues in both houses did not hesitate a moment.

6. Within recent months the Vatican has on a number of occasions insisted on its right to give "moral instruction" to Catholic voters. On May 17, 1960, for example, L'Osservatore Romano, the Vatican newspaper, in a special instruction entitled "Firm Points" declared: "The political-social problem cannot be separated from religion because it is a highly human problem . . . As a consequence the Church cannot remain aloof, especially when politics touch the altar." The statement also declared that the Roman Catholic hierarchy "has the duty and right to guide, direct and correct" the faithful in the political field, just as in other aspects of life.

7. Canon Law 1258 — It is not lawful for the faithful to assist or to take part in the sacred services of non-Catholics. At funerals of non-Catholics, at their marriages, and similar solemnities, provided there is no danger of perversion or scandal, passive attendance . . . may be tolerated for a grave reason, which in doubtful cases must be approved by the bishop. Heretics may not be sponsors in Catholic Baptism and Confirmation: they likewise may not be witnesses at Catholic marriages, but the Ordinary can tolerate it for a grave reason, provided there is no scandal.

The above facts are taken from Church and State, publication of Protestants and Other American United For Separation of Church and State, Washington, D. C. These facts are also discussed in "America's Freedom and Catholic Power," "God and Man In Washington" by Paul Blanshard, as well as other reliable sources.

Therefore, be it further resolved: That since Senator John F. Kennedy's stated position is not in keeping with the declared position of the Roman Catholic Church, and since his position has been criticized by publications of his church, we believe our historic principles of religious liberties and separation of church and state would be in jeopardy with a Roman Catholic in the White House, and give full support to the following resolution adopted by the Southern Baptist Convention in Miami Beach, Florida, May 20, 1960:

"1. We hereby reaffirm our faith in the historic principle of the separation of church and state as expressed in the Bill of Rights and the constitutional guarantee that a man's personal faith shall not be a test of his qualifications for public office.

"2. We reaffirm our conviction that a man must be free to choose his own church and that his personal religious faith shall not be a test of his qualification for public office. Yet, the fact remains that when and if a public official is inescapably bound by the dogma and demands of his church, he cannot consistently separate himself from these. This is especially true when that church maintains a position in open conflict with our established and constituted American pattern of life as specifically related to religious liberty, separation of church and state, the freedom of conscience in matters related to marriage and the family, the perpetuation of free public schools and the prohibition against use of public monies for sectarian purposes.

"3. Therefore, the implications of a candidate's affiliations, including his church, are of concern to the voters in every election. In all cases a public official should be free from sectarian pressures that he may make independent decisions consistent with the rights and privileges of all citizens.

"4. We remind every member of every church of his obligation to pray for public officials, to participate in the full democratic process, including the voting, and to seek divine leadership in the selection of those men who guide the destiny of our land in such a time as this."

This was adopted.

From the floor the following was presented and adopted:

In the light of the tremendous influence of America's national pastime, baseball, especially professional baseball, and in the light of the fact that millions view professional baseball on T.V. and hear it on radio,

Therefore be it resolved:

1. That the Christian Life Committee be authorized by our Association to write suitable letters to the commissioners of baseball and express gratitude and appreciation to them for not having beer interests advertise the World Series; and
2. Also suggest to the Commissioners of Baseball that they make it a policy whereby alcoholic beverage companies not be permitted to advertise any alcoholic beverage on radio or T.V.

Further note that our Christian Life Committee is authorized to write these letters, and set forth the part that beer or any other alcoholic beverage does not go along with baseball.

Copies of these letters will go to the *Biblical Recorder* and *Charity and Children.*

Respectfully submitted,
WOODROW WILSON ROBBINS

CREDENTIALS COMMITTEE REPORT

In view of correspondence from the pastor of Bethel Baptist Church stating that they have disbanded, and are no longer a Baptist Church, the Credentials Committee recommends that we drop their application for affiliation with the Central Baptist Association. This report from A. B. Asbill, Chairman, was accepted by the association.

ANNUITY BOARD REPORT

Jimmy Hinson

The Southern Baptist Convention has entrusted the Annuity Board with the responsibility of caring for our pastors and their families in the days of need and anxiety. This program of protection is called The Southern Baptist Protection Plan.

The Southern Baptist Protection Plan provides financial help in the time of death, disability, and retirement. The Board is there to serve in time of sorrow, if the church is in the Protection Plan. In case of the pastor's death, his widow would receive an income from the Board as long as she lived or until she remarried. The Board is there to serve in time of sickness, if the church is in the retirement plan. In case of disability, the pastor would receive a monthly check from the Board as long as he was disabled. The Board is there to serve at retirement, if the church is in the retirement plan. At age 65, the pastor can receive

his regular annuity as long as he lives. He can not outlive this protection. A church can have all of this protection for the pastor if the church is in the Southern Baptist Protection Plan.

We urge all churches to contribute to the work of the Annuity Board. The cost to the church is only 10% of the pastor's salary. For instance: $400.00 a year is as much as this program will cost any church who is paying their pastor $4,000.00 a year salary. If all our churches contribute, then all our pastors will be protected and all of our churches carrying out the command of our Lord.

At present, 11 churches in our association contribute to this phase of our work. This is a denominational program and deserves the support of all the churches. The Baptist State Convention of North Carolina is launching an intensive campaign to enlist at least 300 additional churches this year. We recommend that our association adopt our share of this as a goal and that we urge all our deacons and Brotherhood members to present this program to their churches as soon as possible.

We also suggest that one of our monthly Associational Meetings or Brotherhood Meetings be given to the discussion of this phase of our denominational work.

Churches desiring further information should contact members of the Annuity Committee, the Associational Missionary, or Tom Greene, Baptist Building, Raleigh, North Carolina, who is the Director of the Annuity Board work in North Carolina. He will be happy to present this matter to any local church desiring his help.

This report was adopted by the association.

REPORT OF ORDINATION COMMITTEE

Hedrick for Ordination. He was ordained at the Hilliard Memorial Baptist Church on Sunday morning, May 8 with Rev. Frank Marks preaching the ordination sermon.

DEDICATION OF MINUTES
To Rev. R. L. Smith and Rev. W. L. Smith

R. L. Smith was ordained August 25, 1929. Before his ordination he preached for five years as an evangelist. He was ordained by South Side Baptist Church, High Point, N. C. He served Trinity Baptist Church in 1929 when they called for his ordination.

He supplied the pulpits at North Park Baptist Church (now Lexington Avenue), North Main Street Baptist Church and South Side Baptist Church.

He organized Allen Jay Baptist Church in an old dance hall with 21 charter members. While serving the church part time he began his ministry the second Sunday in November, 1936, at Oak Grove Baptist Church. In November, 1961 he observed his 25th anniversary at Oak Grove.

We salute Brother R. L. Smith who has given 32 years to the ministry of Baptist churches in the High Point area.

It shall be his duty to keep a fair and accurate record of receipts and disbursements, and render a quarterly report to the Association at its fall meeting. He shall submit his books to the Auditing Committee for the annual audit.

Article VII—Ordination

It is our belief that a local Baptist Church is the proper authority in the matter of ordination to the gospel ministry. However, the significance and far-reaching effects of such an ordination on other Baptist churches and ministers impose a special obligation upon churches to be extremely careful in setting apart men for this sacred calling. A matter having such scope and importance merits a spirit of Christian cooperation of the highest order both between local churches and ministers.

Recognizing that the local church is the authority for ordination, we, therefore, only suggest that the churches use this Committee at their convenience and discretion.

1. The following suggestions are offered for use by the Ordination Committee when ordaining ministers:

(1) Unless there are justifying circumstances, a candidate shall first be called to and serving a church.

(2) When a local church is convinced the time has arrived for ordination, the church may notify the Moderator of the Association who will in turn request the Ordination Committee to assist the local church in every possible manner with plans and preparations for the ordination service.

(3) Any candidate, even before an oral examination, should meet the basic scriptural requirements for a pastor as found in I Timothy 3.
   a. He should be a mature Christian, apt to teach. (1 Timothy 3:6)
   b. His home life should be correct. Specifically, he should not have a wife from whom he is divorced (I Timothy 3:2)
   c. His character should be recognized by all to be above reproach.

(4) A candidate having met the above requirements shall then pass an earnest and thorough examination on Baptist faith and practice as set forth in Article IX of this Constitution. This examination shall be given by the Ordination Committee and all other pastors of the Association who wish to participate. The said examination is to take place at least several days before the ordination service. Upon passing this examination the candidate shall then be recommended to the church which requested his ordination and that church will proceed with the ordination.

Article VIII—Visitors

Baptist brethren, not members of the Association, who may be present at any session of the body, may on invitation by the body, take seats and participate in the debate of the Association, without the privilege to vote.

Article IX—Amendments

These By-Laws may be amended at any session of the Association by two-thirds vote of messengers voting, provided the proposed amendment has been read to the Association at least one hour prior to a vote thereon.

Axticle X—Effective Date

These By-Laws or any additions or amendments thereto shall become effective immediately upon passage.

THE SUMMARY OF THE EXECUTIVE COMMITTEE MEETINGS DURING THE YEAR

A Summary of the Executive Committee Meetings of the Association during this year. All routine action is not given here. Only the action that is significant is put in this digest.

November 22, 1960. The request of the Oakview Baptist Church for pastoral assistance was unanimously approved. Also the missions committee was empowered to deal with other requests for help on salaries; help on a missionary's salary, and help on a pastor's salary for Lexington Avenue mission.

January 17, 1961. The special meeting to see about the calling of an Associational Missionary made its report. Dr. E. W. Price reported for the committee. He said the committee studied the whole question thoroughly and prayerfully. They asked the first question: Do we need such a worker in our Association? The answer is yes. They asked the second question: Are we financially able to support an Associational Missionary? They consulted with the finance committee who told them that our association is financially able to support a missionary. In view of this and after careful study, the committee recommends that the Association proceed with the employing of an Associational Missionary. Dr. Price moved the acceptance of the recommendation and W. W. Robbins seconded it. After a thorough discussion it was unanimously voted to accept the committee's report. It was then moved, seconded and passed that a committee of five be appointed by our Committee on Committees to proceed with securing a missionary.

W. W. Robbins made a motion which was seconded and passed that we express our appreciation to this committee of Mr. Sloan Gibson, chairman; Dr. E. W. Price, Mrs. E. B. Hill, Mr. Paul Godfrey, Rev. Neil Armstrong. The Executive Committee stood to show their appreciation to this committee.

April 18, 1961. In view of Mr. Massey moving to Florida, W. W. Robbins was asked to serve as Treasurer until a new one could be elected.

The motion was made that the program committee study and take the necessary action toward having a schools of missions in our Association.

September 12, 1961. Green Street Chapel. The special committee appointed to secure an Associational Missionary reported. Rev. Floyd H. Rhyne was recommended and called as our missionary. The salary of the Superintendent will be $5200, car expense will be $900 annually, $200 annuity. We will furnish a house.

DUTIES OF SUPERINTENDENT OF MISSIONS

1. The Association shall have a Missions Committee to meet with the Superintendent and to help plan the work together. They shall also act as mediators between the Superintendent and the Association.

2. It will be the *duty* of the Superintendent to plan a long-range program of work through a complete study and survey of our field and its needs.

3. The Superintendent agrees to work with the Pastors and the Department Heads of our Association. He will work to the end that all churches will have all organizations and auxiliaries; but he shall at no time go beyond the Pastors and officers of the churches to hold meetings of any nature in the churches.

4. The Superintendent agrees to attend all Associational-wide meetings, all group meetings, and will serve any church in the Association in any way he may be called upon. He will accept invitations for service including supply, religious census, teaching study courses, etc., on a first come first served basis, in line with the total program promoted by the Associational Missions Committee. He will never cancel an appointment in a smaller church in order to speak in a larger one.

5. *No mission will be organized without having some church or churches of the Association to extend an arm to mother and supervise it.*

6. The Superintendent will supply pulpits when needed and invited, with the understanding that he will not supply more than *three weeks in succession at*

any one church, except in cases of needy fields or new work, and then only upon approval of the Missions Committee. Any Church asking the Superintendent to supply in the absence of its Pastor will make a check in the same amount as paid for a regular supply, the check to be made payable to the Treasurer of the Association. This does not apply to new work. This does not apply to any promotional work the Superintendent may do in the local church.

7. The Superintendent shall have two weeks vacation with pay each year, and one day free each week; these to be taken at his discretion. He shall be allowed time for *at least two revivals per year* off the field (outside the normal Associational responsibility), and two Schools of Missions or work in cooperation with our Baptist State Convention. He also will be expected to attend all State and South-wide meetings, which he feels will be helpful to his work, and while away for such meetings his salary will continue, including usual operating expenses.

8. The Superintendent will keep a record of all supplies that he may purchase for promotional use, and will be refunded only when paid bills are presented to the Associational Treasurer.

9. The Association will pay its respective part of the Superintendent's Retirement Plan. The Association will furnish a home for the Superintendent of Missions.

10. The Superintendent will publish a news bulletin monthly. News items of interest, such as revivals, new buildings, pastoral changes, etc., are to be sent to his office and should be in his hands before the 25th of each month.

This work agreement may be revised at any time that both parties involved may deem it wise and profitable.

September 18, 1961. The Executive Committee authorized the trustees of the Central Baptist Association to purchase a house for the Superintendent of Missions at 1617 Centennial Avenue. The house was purchased for $15,200.

Special note: Our Superintendent of Missions moved to High Point September 30.

MINUTES OF THE CENTRAL BAPTIST ASSOCIATION

The Third Annual Session of the Central Baptist Association was called to order by the Moderator, Clyde H. Tucker, promptly at nine o'clock A.M. at the Hilliard Memorial Baptist Church. There was the singing of a hymn, "God, Our Father, We adore Thee." Then the host pastor, Rev. Ralph R. Hensley, read the Scripture and led in prayer.

Mr. W. Edward Kissiah then moved that the printed program of the order of business constitute the order of business for the meeting of the Central Association, with any changes that it might be found advisible to make through the day. This was seconded and carried.

The clerk reported that we had a quorom, and moved that the messengers now present, and those who would enroll during the day, constitute our association. This was seconded and passed.

The Moderator then recognized the new pastors and workers who have come into our association during the past year. The host pastor, Rev. Ralph R. Hensley, pastor of Hilliard Memorial Church. Rev. Max Reese of Oak View Baptist Church; our new superintendent of Missions, Rev. Floyd H. Rhyne and Mrs. Rhyne were recognized. Miss Jeanette Ogg, of Emerywood Baptist Church, has come into our association also.

(Possibly we should note here that 25 pastors were present during the session of the Association.)

The Business then proceeded as given in the order of business, with the Rev. S. Bazemore, associate editor of the *Biblical Recorder* given opportunity to speak in the afternoon, and the *Recorder* report is received as a part of the reports to the association.

ORDINATION COMMITTEE REPORT

The Ordination Committee only met on one occasion this year; therefore, I don't have much to report, but here it is.

At the request of Allen Jay Baptist Church, the Ordination Committee of Central Baptist Association met on Sunday afternoon, March 26, 1961, 3:00 P.M. for the purpose of examining Brother E. Jack Lanier concerning his call to the ministry prior to ordination.

Brother Lanier was questioned concerning his experience of salvation, call to the ministry, call to the pastorate, and doctrinal beliefs. Brother Lanier, being questioned in detail by the committee was found sound in the faith and by vote of the committee was recommended to Allen Jay Baptist Church for ordination.

Members of the committee present were:

John E. Wade, Chairman
A. C. Moody
W. W. Robbins
Charles R. Pierce
J. J. Thornburg
George H. Wallace

EVENING SESSION

The Central Baptist Association requests the honour of your presence at a reception in honor of our Superintendent of Missions, The Rev. Floyd H. Rhyne, and family, on Thursday evening, October 12, from seven-thirty until nine o'clock, in the parlor or the educational building, Green Street Baptist Church.

MINUTES OF THE CENTRAL BAPTIST ASSOCIATION

Morning Session October 12, 1961, 9:00 A. M.

Dr. W. K. McKee, from the Baptist Hospital, was present and gave greetings to the association from "Your Baptist Hospital." He spoke for a few minutes, and then it was moved, seconded and unanimously accepted that the report on our Hospital be received by the association. The report follows:

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

Our Baptist Hospital continues to try to serve our people in the fullest measure possible. Last year it provided its largest number of days of hospital care and saw the largest number of patients in the Clinics—78,000 visits to the Out-Patient Clinics, from 96 of the 100 counties in the State, and 75,000 Private Clinic visits.

SOME OF THE NEWER SERVICES

The New Progressive Care Unit was open in March, providing 80 beds for patients who do not require the more expensive and intensive care of the regular hospital. This is a new and advanced step in hospitalization and patients are highly pleased with it. The Hospital's one regret is that at the present time it does not have money necessary to open it to Service Patients.

A new type of unit for the sterilization of surgical and other equipment by gas was recently installed. This is more effective than the older methods used in the fight against infection, which is a constant problem in all hospitals. In the X-Ray Department a rapid film developer is now in use which greatly speeds the preparation of the x-ray films.

One of the most recent additions is a Pastor's Library given by Mrs. Walter M. Williams of Burlington in memory of her noble Christian husband. All pastors and others are invited to ask about this excellent collection of religious books and to use it when they visit the Hospital.

THE MOST URGENT NEEDS

Among the many needs at our Baptist Hospital, there are some which are acute. One of the most pressing needs is a building to provide classrooms and other facilities for the eight schools operated by the Hospital. These schools are training urgently needed medical personnel and Christian workers in addition to doctors. They are badly limited and handicapped for lack of room.

The need for enlargement of the overcrowded and seriously limited Out-Patient Department, Children's Center, and Psychiatry section of the Hospital is urgent. The need is far beyond the present facilities in each of these departments.

The constant need for Mother's Day Funds for helping Service Patients bear the cost of their hospitalization grows more and more acute. We cannot emphasize too strongly the importance of this Fund and the need for our churches greatly to enlarge their Mother's Day Offerings.

A new opportunity to help meet this need is now open in the Service Patient Endowment Fund. This is a permanent endowment invested by the Hospital's Trustees with all of its proceeds being used for the help of Service Patients. Gifts in any amount can be made at any time. A gift can be made in one's own name, in memory of a friend, as a memorial to a loved one, or the Endowment can be placed in one's will. All gifts will be gratefully received, appropriately acknowledge, and a permanent record kept of each one. We hope you will think and pray about this and that many will take advantage of this opportunity.

A motion was made that a committee be appointed to study our associated Constitution and report in 1962. This was seconded and passed.

The Committee on Committees was instructed to name the members of this committee for approval.

TRAINING UNION REPORT

John A. Reavis

2 Timothy 2:15 tells us why we should have a Training Union Program, since it tells us to "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

This verse should be a challenge to every Christian to desire to study the scriptures and train in church membership.

I feel that our pastors are seeing the need more and more that their leadership be trained through our Church Training Union Program. This year I have had a call from two churches saying, "We are ready for a Training Union in our church." One of these was the Hillsville Mission who now has a Training Union, it being started by having a Training School for both their leaders and members to show them how a Training Union operates. We expect to fill the other request at any early date. We have also begun a Training Union in the Oakview Baptist Church.

The objective of every church should be to train its membership as trained leaders can do so much more to help so many more than can untrained leaders. In Training Union NO Christian is too OLD or too YOUNG to learn and train for greater service for our Master.

We have had a good year in that the Training Union Department of the Association participated in the following activities: Last October a Training Union Clinic for every Training Union Officer was held at Green Street Baptist Church with fifteen classes plus special care for the Beginner, Primary, and Nursery children. Ninety people attended this Clinic.

In December we had a wonderful "M" Night Program at the First Baptist Church. Our guest minister was Dr. Claude Broach of Charlotte, N. C., who brought an inspiring message.

A training School for all age groups was sponsored by the Training Union and held at the First Baptist Church with sixteen churches represented and an average attendance of 213.

Much work and enthusiasm went into our Tournament Work this year. There were twenty-three Juniors representing six churches in the Associational Junior Memory Work Tournament with a number of these going on and being state winners.

Miss Elaine Kilby of Green Street Baptist Church represented our Association in the State Intermediate Sword Drill Tournament. Mr. John Eddinger also of Green Street Baptist Church took second place in the State Young People's Better Speakers Tournament. Mrs. M. K. Wilson of the First Baptist Church won second place in the Adult Scripture Reading Tournament in the state. Congratulations to each of you, we are proud of you.

A representative number of our people attended the summer Training Union Assemblies at either Fruitland, Caswell, or Ridgecrest.

Youth week was observed in some of the churches and an Associational Youth Banquet was held at the YWCA with Rev. Huss Heyne of Greensboro, N. C., as guest speaker who brought a challenging message to the 65 in attendance.

A one-night clinic for all new Training Union Officers is presently planned for October 17 at the Green Street Baptist Church.

My sincere thanks to all who have had a part in this vital phase of our Lord's work.

We the Associational Training Union Officers covet your prayers as we try to lead others to Study to shew themselves approved unto God, a workman that needs not to be ashamed as they give of God's truths to others.

MUSIC COMMITTEE REPORT

Walter Jacobs

This past year has been a busy one, and I believe a very successful one for the Associational Music Ministry (note the change in terminology—churches and associations have Music Ministries—not Departments). The Associational music officers have planned and worked together to make this success possible. They are: Walter Jacobs, Director; Roger Cole, Director of Training; Mrs. Helen Laney, Director of Graded Choirs; Mrs. J. W. Sears, Director of Instrumental Activities, Mr. Joseph McWethy, Director of Publicity and Promotion, and Albert Leath, Director of Congregational Activities.

We provided a choir for two Associational events—"M-Night" and the Evangelistic Rally in March at Green Street.

We had a very successful School of Church Music in August with an average attendance of 117 and 87 awards. The books offered were: Graded Choir Handbook, The Beginning Music Reader, The Beginning Vocalist, The Church Pianist, The Beginning Organist, and Makers of Music.

The Associational Music Ministry works with the State Music Department to help each church to have a more effective Music Ministry. We do this through the following areas of work: Providing training opportunities, the Choir Festival Program, Hymn and Carol Sings, and the Caswell and Fruitland program in the summer.

DENOMINATIONAL LITERATURE REPORT

Mrs. J. W. Moffitt

Dr. James L. Sullivan, of the Baptist Sunday School Board, has said, "God has seen fit to use human words effectively in the spread of his divine truth across the centuries . . . Words are mighty tools. Whether the words are spoken or written, they are effective when God has inspired them. Printed truth is true even as spoken words and can enter doors where spokesmen can never go . . . God has not ceased to use the printed page. Nor has he allowed the effectiveness of the printed truth to dimish."

It was the great English author, Addison, who said, "Reading is to the mind what exercise is to the body. As by the one, health is preserved, strengthened and invigorated; by the other virtue (which is the health of the mind) is kept alive, cherished and confirmed." Our schools spend a large portion of teachers' and pupils' time teaching and learning to read. As adults we are encouraged to take special courses in rapid reading to double or triple our speed and efficiency in reading.

Developing our skill in reading is necessary, but it is not enough. Unless a person does read after he has learned how, he is no better off than the person who has never learned. Fortunate is that one who is provided with reading material which is attractive, interesting and which meets his needs. In just this way are we, as Southern Baptists, fortunate in being provided with the variety of excellent denominational literature.

Have you ever stopped to think that God chose to use "writing" as His means of self-revelation to the world? He made known His nature and will to men through writing. Where would the world be today were it not for the divinely-written revelation, the Bible? Since God Himself saw fit to use literature to reveal His will, as Christians we obviously have a divine plan to follow. In 1961, this principle still holds true as we think of all the fine Christian literature being written.

When North Carolina Baptists think of their own literature, they naturally think of their state Baptist paper since 1833—the *Biblical Recorder*. Down through the years, it has been one connecting link among Baptists. Not satisfied to live in the past, though, the *Recorder* strives to convey its message in an attractive, appealing manner.

The *Recorder* is edited so it will be of interest to all North Carolina Baptists. Consider the many features each week—full page pictures on the cover, stimu-

lating editorials, Life in the Churches, the Sunday School Lesson, the Family Page, changes in the churches, complete coverage of all Baptist news, numerous pictures, inspirational pieces, stories about your fellow Baptists, and many other articles too numerous to mention.

Circulation which is the highest in history continues to rise. At the present time it is more than 78,000, up more than 10,000 over a year ago. The goal for 1964 is 100,000 and the help of every church is needed to reach this goal.

At a workshop of Southern Baptist editors at Syracuse University this summer, the *Recorder* received high recognition from the Syracuse professors who praised it for its pleasing appearance and good content. The professors especially liked the covers and the large number of good pictures used in every issue.

It is the *Recorder's* job to keep North Carolina Baptists informed—but please remember that this is a two-way street. Even though the *Recorder* may be judged the outstanding paper in the Southern Baptist Convention, if you are not receiving it, you have no way of knowing what you are missing.

The Every Family Plan is best and simplest. Nearly 500 churches testify to the value of sending the *Recorder* to every resident family at the cost of a four cent stamp each week—or $2.00 a year. It doesn't cost, it pays. As a starter, your church may want to get four or more people to take the *Recorder,* thus qualifying for the Club Plan before going to the Every Family Plan.

The *Recorder* staff pledges itself to get out a paper that will justify the confidence your church places in it. Nowhere else will you be able to get so much for so little. Try the *Recorder* this coming year and see for yourself the blessing you will receive from it each week.

In addition, we have *Charity and Children,* the organ of our children's homes. From our southwide boards and agencies we have all kinds of material for instruction, planning, and spiritual growth.

How could we stimulate and promote our southwide missions programs without *The Commission* and *Home Missions,* with their many thrilling stories of the acts of today's apostles? How could we secure the material for our programs in the Woman's Missionary Union and the Brotherhood without the materials which come to us from these agencies? Indeed, how could we conduct our Sunday Schools and Training Unions, with the activities for the various age levels without those indispensable periodicals which guide us in our work? No person in place of leadership in any of our organized Baptist life need ever fear that there will be no material with which to work and no suggestions to guide. It is all there, written by scholars who have spent many years in deep study of God's word and other related fields of learning and by experts who have experimented with new methods and found them to work.

All of us are familiar with the regular Sunday School periodicals, I am sure, both for the teacher and for the pupil. There have been some recent additions for our youngest pupils, in the CHURCH NURSERY GUIDE, to be used at the church, and LIVING WITH CHILDREN, which is for the parents of children under four. And most of us are familiar also with the periodicals for the Training Union. But in the last few years there have been many splendid new periodicals of a general nature, or for a special group.

For pastors and other staff members there is the church activities magazine called *The Baptist Program.* For deacons, church officers and committee members, as well as the church staff, there is *Church Administration,* now in its third year. For special phases of our church work there are: *The Baptist Student, Church Recreation, The Church Library Magazine, The Church Musician,* and *Home Life,* among others. You can notice the very attractive art work. As you have opportunity to leaf through these periodicals, you will notice, not only the attractive make-up, but the interesting topics, and the many excellent writers.

All of these—and more—are ours to take for the asking—or, for the reading. They are ours to use, for the enrichment of our own lives and for the contributions we may make, through our churches, to the lives of others. May we not be guilty of taking for granted this labor of others. May we, instead, use these materials for God's glory and the kingdom's sake.

W. M. U. REPORT

"That thy way may be known upon earth." We ask ourselves, as we take a backward look, if that has been our aim, if we can measure any steps upon that way. We believe some of your churches can feel the warmth of the spirit we have seen and felt in your Woman's Missionary Unions during this past year. There is evidence of a sometimes new, sometimes renewed, awareness of the importance of and personal responsibility for the world-wide causes of missions.

Of the 31 churches and missions in our Association, 23 now have some Woman's Missionary Union organization. This is evidence of an increase of three churches since last year. These are Oakview Baptist Church, Highland Baptist Church and Hillsville Mission. We are grateful for the help of the women of Hilliard Memorial Baptist Church and Emerywood Baptist Church in the beginning of these new organizations. We pray constantly for those which are not yet fully aware of the vital need for this organization in their churches.

The special emphasis for this Jubilee Advance year has been on Stewardship, and we are pleased to report increase throughout the Association in gifts to special offerings and awareness of our own opportunity for participation through our gifts regularly to the Cooperative Program.

Hilliard Memorial Baptist Church was hostess for our Mission Study Institute in November, 1960, and Green Street Baptist Church was hostess for the Institute in January, 1961. These sessions, led by Mrs. V. B. Collins, Mission Study Chairman of the Association, with the help of Mrs. Lothair Cecil, Sunbeam Band Director, and others recruited from the various churches for the purpose, were instrumental in helping the local churches prepare for the Foreign and Home Missions Study Courses for this year. Mrs. Collins assisted, either by preparing and furnishing materials or making arrangements for teachers, in twelve churches during the year.

Green Street Baptist Church was hostess to our Annual Associational Meeting April 20, 1961, which proved to be an inspiration to us all as members of many of the churches participated in presentation of the Stewardship Playlet "Wait A Minute" under the direction of Mrs. Claude Best and Mrs. Jack Cox; Miss Miriam Robinson, Executive Secretary of Woman's Missionary Union of North Carolina, challenged us to higher aims in our work; and Miss Vivian Wilson, Director of the Goodwill Center in Granite City, Illinois, introduced us to some of our work under the Home Mission Board.

Five of your Associational Woman's Missionary Union officers attended a two-day State Workshop at Fruitland Baptist Bible Institute and two attended the Jubilee Workshop in Mount Airy during September for the purpose of preparing ourselves to lead our own Annual Fall Workshop on September 28, 1961. This meeting was held at the North Main Baptist Church, and there were 126 officers of Woman's Missionary Unions in 16 of our churches present to help prepare themselves for the work of the coming year.

Your President has been in various churches of the Association on 17 occasions during this year for the purpose of giving programs, teaching Study Courses, or helping with the beginning of a new organization. All of your officers are enthusiastically beginning this new year and invite you to call upon us as we can be of help. There is a full slate of officers, all of them dedicated to the purpose: "That thy way may be known upon the earth . . .". Use us, as we pray continuously for the leadership of our Lord so that we may be able to provide leadership as it is needed. The officers for the coming year are:

President, Mrs. E. B. Hill; Vice-President, Mrs. Dolan Hedrick; Secretary, Mrs. Claude Best; Y.W.A. Director, Mrs. Roger W. Cole; G.A. Director, Mrs. R. C. Fincher; Sunbeam Band Director, Mrs. Lothair Cecil; Jubilee Chairman, Mrs. Jack Cox; Mission Study Chairman; Mrs. V. B. Collins; Prayer Chairman, Mrs. Franklin Welch; Stewardship Chairman, Mrs. Arnold Culler; Community Missions Chairman; Mrs. Carlton Clinard; Pianist, Mrs. Neil Armstrong.

Respectfully submitted,
Mrs. E. B. Hill, President

SUNDAY SCHOOL REPORT

W. Edward Kissiah

As Baptists we work together in an Association because of the common fellowship in Christ which binds us together, and because of the mutual interests and purposes which pull us together to do collectively what we could not do separately. We need each other personally and collectively if we are to accomplish the Lord's work in Central Baptist Association. If Sunday School work is to advance it will mean that our churches must come together for long range planning and establishing of objectives and goals. Then, a "priority concept" must be established in which every area of our Associational work is positionalized in our local churches and promoted vigorously by the pastors and other church leaders. This will eliminate short-sightedness and lack of cooperation in planning meetings and accepting engagements in conflict with the program of the Association. The work of Central Baptist Association must begin at this point if it is to survive. It is our prayer that our churches may come together in harmony and love and cooperation and project and promote an intelligent and vigorous Sunday School program in every church, from the smallest to the largest.

Several major activities have claimed our attention this year. The Annual Vacation Bible School Clinic at Conrad Memorial Baptist Church on April 27 was most successful. Directed by Rev. Russell Hinton, Associational Vacation Bible School superintendent, 121 workers, representing 19 churches, were present. An Associational Training-Planning Clinic was held at the Lexington Avenue Baptist Church on September 8. Conferences were led, as follows: Sunday School, Rev. Richard Smith, Raleigh; Training Union, Mr. Troy Hamrick of Winston-Salem; and Music, Mr. Verl Capps of Greensboro.

An Associational Sunday School Workshop was held in the Lexington Avenue Baptist Church, October 2-5, with an enrollment of 140, representing 16 churches. Four outstanding courses were offered with Dr. E. W. Price, Jr., Mrs. J. W. Moffitt, Mr. Walter Jacobs and Rev. Clyde Tucker as instructors.

The Sunday School theme for 1961-62 is "Outreach for the Unreached—Spearhead for Advance." To the Sunday School is entrusted the tremendous responsibility of reaching the people, teaching them the word of God, training and developing them, and leading them into channels of Christian service. Let us met this responsibility with our very best in dedication, hard work and preparation.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

R. C. Fincher

How thrilling it is to minister to the aging in our midst! North Carolina Baptists can be justly grateful for their Christian ministry to 125 residents in their three Homes—Resthaven and the Hayes Home in Winston-Salem, and the Albemarle Home in Albemarle.

With 130 people waiting for admission at the present time, lack of rooms is one of our most acute problems. North Carolina Baptists, however, are definitely doing something about this situation. The Hamilton Home, now under construction in Martin County, is proof-positive. This, our fourth Home, will provide for 30 additional residents. It is hoped that the Hamilton Home will be ready for occupancy no later than the first of January, 1962. A debt of $275,000.00 has been assumed on this Home, and for the purpose of completing the liquidation of the indebtedness on the new infirmary at Winston-Salem. There is no further expansion of desperately needed additional facilities anticipated until the major portion of this debt is paid. Special Day Offerings and gifts from the churches should, therefore, be increased greatly in order that we may go on in the great task which is ours, and that we might meet the ever-increasing demands of the aging among us as quickly as possible.

We are now in the eleventh year of operation, and the past year has been a great one and a good one. *Twenty-six* new residents have been received and are now finding happiness and peace, love and security, in their new home.

The Special Day Offerings and special gifts are running 17% ahead of last

year's contributions, and we are profoundly grateful to each church and to each individual for the liberal support to the wonderful cause which we represent.

The appointment of Mr. C. O. Weaver of Greensboro, N. C., as Business Administrator of the Homes has proven to be one of the greatest blessings of the past year. This dedicated layman is serving with unusual ability and insight and is making a splendid contribution to the work.

The average age of our residents is around 80, and we rejoice in the fact that the life-span is increasing for them. We are exceedingly grateful that one of them, Aunt Fannie Drumwright, reached her 100th birthday on July 6. She is the first resident in our North Carolina Baptist Homes to attain this remarkable milestone. She is the living example of the years that are actually being added to a person's life by the loving kindness of North Carolina Baptists through the tender care of our Homes.

One of the most wonderful gifts ever made to the Homes is now coming to fruition. It is the handsome duplex apartment, made possible through the generosity of Miss Roxie Sides of Winston-Salem. This new facility, now under construction on the Reynolds Park Road site in Winston-Salem, will be occupied in the fall, we hope, and will open an avenue for four additional residents.

Along with our many blessings have been the moments of bereavement which have saddened our hearts, but we have soon been lifted up in the knowledge that God has called His own unto Himself. During the past year fourteen of our residents were called to the Heavenly Home.

The happiest times in the Homes ever are when friends and members of our North Carolina Baptist Churches visit. We extend a cordial welcome to come and see first-hand the things of great Christian significance that are being experienced daily in our Homes and that can never adequately be described on the printed page.

Pray for, visit, and continue the same splendid support in the future that you have so graciously given in the past to our Baptist Homes for the Aging.

At this time special music was brought by Miss Ogg, which was a blessing to all. Rev. John Wade, pastor of the Jamestown Baptist church brought an inspiring message on "Form Without Power." The Messengers and visitors felt it was a high hour. (See report of Resolutions Committee).

A delightful time of fellowship was experienced as the Messengers enjoyed a delicious meal served by the ladies of the host church.

AFTERNOON SESSION

The moderator called the association back into session promptly at 1:15 P.M., and Walter Jacobs led in the singing of the hymn, and Rev. Max Reese read the Scripture and led in prayer. Then came the reports.

CHRISTIAN EDUCATION ADVANCE PROGRAM

Dr. Spivey spoke to the Association on this asking the messengers to take the printed report he had in his hand, and then proceed to speak on the sin in the hearts of the Baptist people—covetousness. How we are robbing God and holding back his work. The churches are to increase their gifts by 35%. If a church gave $100 thru the Cooperative Program, then $135 for this year; if $1,000, then $1,350. In North Carolina the tithe of our Baptist peoples was $150,000,000 last year. One out of every 4 persons with an income in N. C. is a Baptist. Yet we gave $46 million—short 104 million. Why? Covetousness! The Report in the printed form contains this vital information, which is given here for our people:

INTRODUCTORY

The Baptist State Convention of 1959 meeting in Greensboro authorized the appointment of a strong committee to study the "pressing financial needs" of our seven Baptist colleges.

A progress report of the Committee to study the needs of the colleges was made at the 1960 session of the Baptist State Convention in Asheville. At the request of this Committee a special session of the Convention was convened in Greensboro May 4, 1961. After thorough discussion of the needs of the colleges the following was adopted:

ACTION OF THE CONVENTION

1. We recommend that we set the Cooperative Program budget of the Baptist State Convention of North Carolina during the next three years, beginning January 1, 1962, as follows:

(A) 1962—an amount not to exceed 5 per cent increase over the 1961 budget receipts
1963—an amount not to exceed 5 per cent increase over the 1962 budget receipts
1964—an amount not to exceed 5 per cent increase over the 1963 budget receipts.

(B) That beginning January 1, 1962, we urge our churches to increase their Cooperative Program gifts at least 35 per cent during the years 1962-1963-1964, with the understanding that all undesignated Cooperative Program money received above the Convention budget during these years mentioned, be distributed as follows: 85 per cent to the colleges and 15 per cent to the Baptist Student Union. The matter of the decision of the division of the 85 per cent for the colleges shall be referred to the General Board for further study and re-allocation.

2. We recommend that this program be promoted through the regular channels of our churches and our Baptist State Convention. It is undertsood, however, that extra help may be employed on a salary, subject to the approval of the General Board to help promote the statewide campaign to increase the Cooperative Program 35 per cent.

3. We recommend that the Convention instruct the institutions not to borrow on anticipated funds from this campaign.

4. We recommend that our Bapsitt colleges use this three year period to raise money for their institutions, from every possible source consistent with our denominational principle outside the Baptist churches, to implement the campaign for Christian education.

5. In view of the increased state and federal interest in higher education, we recommend that the Baptist State Convention or our colleges make no great attempt to increase the enrollment of our Baptist schools at this time but rather give more attention to Christian Education of such a quality as to strengthen the work of our churches, institutions, and our Baptist witness around the world.

6. We recommend that the General Board and the Council on Christian Education work together in the implementation of these recommendations and the strengthening of our Cooperative Program.

QUESTIONS AND ANSWERS

1. Why Baptist colleges?

The need for distinctly Christian Education is self-evident. A trained Christian leadership as well as a membership alert and informed in Baptist principles is necessary if our churches and denominations are to grow and prosper in the work of our Lord. The future is at stake. This generation battles for the minds of men. We must courageously face the test of our age by making whatever sacrifice necessary to provide education that is imbued with the spirit of Christ in order to combat Communism, secularism and materialism.

2. Is there a real need for increased support for our colleges?

These institutions have critical building needs to care for their present enrollments. This is a particularly difficult problem as it relates to non-income-producing buildings such as library space, classrooms and administrative facilities.

3. Will a successful Advance Program for Christian Education meet the needs of the colleges?

In part. It will aid substantially in meeting the necessity posed by present inadequate facilities and the opportunities of growing enrollments.

4. Will the colleges continue to receive a share of the Cooperative Program operating budget?

Yes, it is expected that during the three year period of the Christian Educat-

tion Advance Campaign the colleges will continue to receive approximately the same percentage of the Convention's operating budget as at present.

5. Will the colleges be free to raise additional funds?

Yes, they are encouraged to do so. The action of the Convention plainly states, *"We recommend that our Baptist colleges use this three year period to raise money for their institutions from every possible source consistent with our denominational principles outside the Baptist churches to implement the campaign for Christian Education."* It is felt that increased interest in the colleges created by the Christian Education Advance movement will encourage and strengthen the colleges in their efforts to secure other sources of income.

6. May the colleges borrow in anticipation of receipts from the Advance Program?

No. Again the action of the Convention is explicit: *"We recommend that the Convention instruct the institutions not to borrow on anticipated funds from this campaign."*

7. Will a professional fund-raising firm be employed?

No. Quoting again from the action above: *"We recommend that this program be promoted through the regular channels of our churches and our Baptist State Convention. It is understood, however, that extra help may be employed on a salary subject to the approval of the General Board to help promote the statewide campaign to increase the Cooperative Program 35%."* The carrying out of the Christian Education Advance Program becomes the responsibility of the General Secretary and the Division of Stewardship Promotion.

8. Will the colleges provide an education distinctly Christian?

A distinctly Christian atmosphere must prevail in all areas of campus life. The action of the Convention calls for *"more attention to Christian education of such quality as to strengthen the work of our churches, institutions, and our Baptist witness around the world."* The leaders of our colleges are committed to these high aims.

9. What must my church do now?

Simply stated, if a church is currently giving $100 per year through the Cooperative Program, it should in 1962 give $135. If a church is now giving $1,000 per year through the Coopertive Program, it follows that it should, in 1962, endeavor to give $1,350. Just 35% to the amount you are now giving through the Cooperative Program as you plan your 1962 church budget.

10. How could a church without a budget have part in this program of Advance?

Such churches could share significantly in this program and in the world mission program of Baptists in one of two ways—they could vote to send a percentage of all regular offerings for missions through the Cooperative Program weekly or monthly; or they could take an offering for missions once each month through the Sunday Schools. Remittance forms and envelopes will be sent free for use by church treasurers from the Convention's business office upon request. A post card to Mr. Leon P. Spencer, 301 Hillsboro Street, Raleigh, N. C., will be sufficient.

11. Suppose a church uses a budget system but has not been giving through the Cooperative Program?

Churches which have not given to world missions through the Cooperative Program are asked to give at least 10% of total receipts. For example, a church with no Cooperative Program gifts for the past year, but which had budget

receipts amounting to $5,000 for the year would be asked to accept a goal of $500 for the Cooperative Program for 1962.

12. Why is the Baptist Student Union Department included in the Christian Education Advance Campaign?

80% of Baptist college students in North Carolina are in non-Baptist institutions. On week ends fewer than 40% of these are in the communities where the colleges and universities are located. The most effective spiritual ministry the denomination can provide for them is through the Baptist Student Union program. An effective BSU program requires a building. At present six such centers are critically needed near institutions where some 8,000 Baptist young people are in the learning process. Within five years several others should be constructed. All funds received for BSU through the Christian Education Advance Campaign will be used for student center construction.

13. Beyond 1964, what?

It is our fervent prayer that once our Baptist people have risen to this height of missionary concern instead then of cutting back after the Christian Education Advance Campaign is over, they will strive even harder to do more than ever before, that the Gospel may be lived and preached throughout the whole world. North Carolina Baptists could thus become God's spearhead for world mission advance.

14. What is needed most now?

A full surrender to God; a stewardship of life and possessions based on full surrender to God; a sincere concern on the part of the churches for world missions; persistent and earnest prayer; a blessed fellowship growing out of spiritual unity; a willingness to cooperate fully in this and in every other great endeavor affecting our witness to the world. Without these we can do nothing for God. With these God can work wonders through us.

WE ARE WELL ABLE

Baptist are well able to meet the goals suggested. If scriptural stewardship were practiced, North Carolina Baptists would exceed the nearly fifty millions of dollars now being laid on the altars of our churches by seventy million dollars annually. We are at present giving about one-third of the Tithe.

If our objectives are to be attained, a new spirit of sacrifice must possess us. Our total giving must be greatly increased. Of the total budget receipts in the local church a larger portion must be channelled through the Cooperative Program.

SOUTHERN BAPTIST RADIO-TELEVISION COMMISSION

Paul M. Stevens

Man can now send radio and television signals anywhere and no unfriendly government can stop him. Communications satellites have made this possible. These and many other fantastic advances in the communications field have provided us an open door in space for our Southern Baptist Radio-Television ministry.

There are many places in the world today where our missionaries cannot go, yet can easily be reached by radio. Russia is closed to us, but we preach the Baptist message there every week in the Russian language through Trans-World Radio in Monte Carlo. Red China has expelled all our missionaries, yet vast areas of China are exposed to radio from the western world. With coming improvements in communications there will be no place on earth beyond the reach of radio. While some doors shut, other open—wider and wider.

We are not doing all we can do through radio and television to spread the gospel now. The world population is increasing each year at the rate of 50 million persons. Less than one-fourth of these are won to the Christian faith, leaving 38 million lost annually to pagan forces of our world. The world's population is reachable to a large degree by radio and television. These people are being reach by non-Christian forces—they are not being reached by us.

Here's what Southern Baptists *are* doing through radio and television: Through more than 1100 stations we reach an estimated 50 million listeners each week with the eight radio programs and one television program produced and distributed by the Radio and Television Commissions. These programs include: *"The Baptist Hour,"* now celebrating its 20th anniversary, on 470 stations and

reaching a weekly audience of 22 million; *"Master Control,"* a variety program with a direct Gospel appeal, now on 200 top-rated stations with an audience of seven million, plus a 15-minute version beamed to Great Britain. In *"The Answer" for* television, the dramatic format presents everyday life problems and solutions found in God's Word. The weekly audience is roughly five million. Other programs are: *The Spanish Baptist Hour; Chapel Upstairs,* a devotional program; and the *International Sunday School Lessons.*

Thousands of letters pour into the Commission each month in response to various programs and representing individuals who seek spiritual light. The mail is the result of the world-wide missionary work on radio and television. Letters are a tremendous testimonial to the effectiveness of this work.

We at the Radio and Television Commission are ready to attempt the mightiest Christian witness during the next four decades of the 20th Century that the world has ever known. We can do no less if we are to measure up to the opportunities of the space age in which we live. The communications satellite can make it possible for us to match the population explosion with a gospel explosion. We can, if we will, use these messengers of outer space to help fill the inner emptiness in lost men's hearts.

REPORT OF CHRISTIAN LIFE COMMITTEE

The report of the Christian Life Committee consists mostly of the work which was done during the past Christmas Season.

The committee placed over three hundred window posters in our associational territory on the theme "Keep Christ in Christmas." One good size advertisement was printed in the local newspaper, and for approximately two weeks prior to Christmas, "Spot Announcements" by four of the pastors of our association emphasizing the importance of keeping Christ in Christmas were heard on two of the local radio stations.

On April 18, 1961, Mr. B. G. Leonard, of the Christian Life Committee, gave an informative talk on the "Blue Laws" to the Executive Committee.

Let all of us be alert to the dangers that are around us as Satan is trying to tear down the moral strength of our nation. Let us voice our disapproval of all sin, whether it be in the form of obscene literature, evil movies, degrading TV programs, desecration of the Lord's Day, or alcoholic beverages sold anywhere.

"Awake to righteousness and sin not; for some have not the knowledge of God: I speak this to your shame." I Cor. 15:34.

Respectfully submitted,
Charlie Monk, Jr., Chairman
Walter Crissman
B. G. Leonard
Ed Williford
Mrs. Glenn Draughn
Mrs. W. H. Reddick

The Mayor of our city, Mr. Carson Stout, was introduced, who spoke to this report. He pointed out that there were pressures being brought to bear upon (1) a vote on ABC stores in our city, and (2) the changing of the Blue Laws in our City.

He is opposed to ABC stores, and to changing the blue laws to let people carry on their business on Sunday.

He called for all of our people to be alert to the evils, to stand true to what is right.

Mr. Stout's message was well received, and following it the following motion was offered by the Clerk, seconded and unanimously passed: "I move that our Christian Life Committee prepare a resolution concerning these issues discussed by our Mayor, and place them before our Executive Committee in January, 1962 for action."

REPORT OF THE CHILDREN'S HOMES

The Baptist Children's Homes of North Carolina is a Christian agency providing love and care for more than 800 deserving boys and girls annually. These are dependent and neglected children who, for some reason, have found it necessary to live away from their homes.

Your child care ministry is child centered, Christ centered and church centered. It is based on the redemptive plan of God. These children have lost their parents through a number of ways. Workers use all the skills available, plus the help of God, to establish in these children trust in adults, trust in self and trust in God.

Boys and girls live at Mills Home, Kennedy Home, and Odum Home. One hundred twenty five children live in Christian Foster Homes throughout the state. Some mothers who have lost husband and father receive financial grants in the home which enables them to keep and care for their own children. Well trained case workers are spending an increasing amount of time working with and strengthening families.

It became necessary during the past year to reduce the number of children in Foster Home care by 35 boys and girls. At one time we were caring for 162 children in Foster Homes. We now have 127. This trend can be changed only as we have additional income. Many types of service to children in need are being delayed for lack of money.

Our financial support for this year has come from the following sources:

Thanksgiving Offering	33 per cent
Cooperative Program	32 per cent
Once a Month Offerings	18 per cent
Special Gifts and Endowment	17 per cent

Members of the Board of Trustees, members of the staff and our boys and girls wish to thank you for your generous support. You have given these children love, food, clothing, shelter, schooling, medical care, recreation, guidance, music and hundreds of other benefits.

One third of our support comes at Thanksgiving time. The Thanksgiving offering goal for 1961 is $400,000.00. Help this to become a reality!

You may stay informed about the child care program throughout the year by reading Charity and Children. This newspaper is published each week by the Baptist Children's Homes. It is now in its 75th year and circulation is higher than ever before—well over 52,000. Every family in every church should receive this Christian newspaper.

EVANGELISTIC REPORT

Neil Armstrong

These are tremendous days in which we live. Billions are being spent for getting men to the moon, while comparatively little is spent for getting men to God. Multitudes sit in darkness and many in despair while the forces of darkness move constantly in a dedicated abandon toward their objectives. The number of hopeless people—hopeless because they do not know Christ—grows daily. The world's population is increasing by 48,000,000 per year. All religions are winning only 10,000,000 per year.

Many of these lost people live in the territory of our association. They live near our churches. In regard to their need for God they have been deluded by the powers of darkness, and numbers of them disillusioned by the apathy and lack of dedication to Christ on the part of professed Christians. In this desperate day God's people must wake up to the fact that "business as usual" will not suffice. Surely this is the time for total dedication to Christ in His purpose of winning the multitudes to God.

To move forward we must start from where we are. Our association is the best launching place for new frontiers in evangelism and missions.

Therefore, we recommend:

1. That we encourage ourselves in the Lord our God for the resurging in-

terest in evangelism across our Convention, continuously praying that God may work in us and through us to bring the revival we need.

2. That our association participate in the "Baptist Jubilee Revivals" in 1962. Our dates are as follows: April 29-May 13.

3. That each church prayerfully and studiously consider participating in the Baptist Jubilee Revival, and that special emphasis in all revivals and week by week evangelism throughout the year be placed upon personal, face-to-face, heart-to-heart soul-winning and faithful teaching and preaching of the Gospel.

4. That all churches make full use of the Revival Plan Book for 1962, 1964, supplied free to all pastors by the Division of Evangelism, Baptist State Convention. Reprints of portions of the book are available for members of the church councils.

5. That our association have an Evangelism Clinic following the suggested program supplied by the Division of Evangelism. The date for our next Clinic is January 23, 1962.

6. That our association recognize the elected associational officers as the evangelism committee, the Chairman of Evangelism to be the Chairman of this committee, and that we pledge our wholehearted cooperation to this committee.

7. That our association send the Chairman of Evangelism to Ridgecrest for the annual conference on Evangelism during Home Mission Week.

8. That we commit ourselves to the following outline of achievement for 1962:

I. CHAIRMAN OF EVANGELISM—An evangelistic pastor elected to serve during associational year. Promotes perennial soul-winning in all churches. Serves as Chairman of Baptist Jubilee Revival committee and Chairman of Evangelism Committee, which is composed of associational officers.

II. ASSOCIATIONAL EVANGELISM CLINIC—Annual clinic devoting two sessions exclusively to evangelism. Seventy-five percent of churches represented by pastors. Seventy-five percent of churches with at least three members of their church councils present.

III. ANNUAL BAPTIST JUBILEE REVIVAL—Eighty percent of churches participating. Eighty percent of churches observing same dates. Eighty percent of churches with two consecutive weeks of evangelistic preaching.

IV. ALL CHURCHES CONDUCTING REVIVALS—Each church conducting a minimum of one revival annually. Fifty percent of churches conducting two revivals annually. Churches sponsoring mission revivals where needed.

V. EACH CHURCH WINNING AND BAPTIZING NEW MEMBERS—Churches endeavoring to increase previous year's baptismal record. Seventy-five percent of churches using the church council. Churches sustaining perennial evangelism and perennial spiritual growth programs.

ANNUITY BOARD REPORT

The Relief and Annuity Board no longer exists—name-wise, that is. The official name is now *Annuity Board of the Southern Baptist Convention.* Deletion of the words "Relief And" from the title was approved at the 1960 Southern Baptist Convention in Miami, and made official in March of this year, when trustees of the Board voted to change the Board's charter, incorporating the new name. Baptists over the Convention are urged to use the Board's new name.

Total new members in all Annuity Board's plans in 1960 increased by nine percent over 1959, with the largest increase, 2,053, being in the Southern Baptist Protection Plan. Total membership stood at 22,578 on January 1, 1961. More than 4,000 of the churches participating in the protection program are paying the full 10 percent dues. This is an increase of 17 percent over the previous year.

On April 1, 1961, six states had enrolled more than 70 percent of their churches and pastors in the protection program. District of Columbia had the highest percentage, 94. Seven states were in the 60's, percentage-wise, and 11

showed a participation of between 50 and 60 percent. The remaining three were above the 45 percent mark. Average participation of all states was 63 percent.

Benefits amounting to $2,745,613.60 were paid to more than 5,200 retired and disabled ministers and denominational workers or widows during 1960. A little more than 4,200 of these were beneficiaries of one of the Board's retirement plans, and the rest were on the relief rolls. Four hundred forty six were new annuitants, added in 1960. Since the Board's beginning in 1918, it has paid out benefits totaling $34,425,100.55.

Fifteen field representatives now serve 22 states in the Convention. The continued increases in new members in the Board's protection program in recent years can definitely be attributed to the work of education and promotion being carried out by these men within the local churches and associations.

Rev. R. T. Greene, field representative for North Carolina, has his offices at the state headquarters in Raleigh—mailing address, 301 Hillsboro Street. He will be glad to try and arrange a time when he can come to your various church or associational meetings to talk about the Annuity Board's ministry. Rev. Greene is available also for personal conferences with pastors or church leaders. Write him for arrangements.

MEMORIALS COMMITTEE REPORT

The Rev. W. L. Smith came forward, and made appropriate remarks concerning those who have labored with us, and said that at this time he would give no names, as the complete list of those who had gone home to be with the Lord was not in. He then read John 14:1-6, and led us in prayer, thanking God for those faithful servants who had been with us. He then had Mr. Jacobs to lead us in singing "In The Sweet By and By".

CROSSING THE BAR

Sunset and evening star,
And one clear call for me!
And may there be no moaning
of the bar,
When I put out to sea.

But such a tide as moving seems
asleep
Too full for sound and foam,
When that which drew from out
the boundless deep
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness
of farewell,
When I embark;

For though from out our bourne
of Time and Place
The flood may bear me far
I hope to see my Pilot face to face
When I have crossed the bar.

THESE MINUTES

ARE DEDICATED TO THE LOVING

MEMORY OF

MRS. D. H. (ADDIE) SHORT

Mrs. Addie Short, along with her husband, Dan H., was a charter member of the North Park Baptist Church, organized by Green Street Baptist Church, February 10, 1929. It was her motion that led to the moving of the church which located in the six hundred block of East Lexington Avenue, and the name of the church became Lexington Avenue Baptist Church.

Mrs. Addie Short served from 12 to 15 years as President of the Woman's Missionary Union of her church, and was an active member of the WMU. She was active in every phase of the life of her church: Sunday School, serving as department officer at times, as teacher at times; the Training Union, serving in the various offices. She was present at all of the regular services morning and evening on Sunday, and Wednesday evening.

Her children rise up and called her blessed. One daughter, Jean Allen, is a Southern Baptist Missionary to Guatamala. Another daughter, married to a pastor, Barbara Nowell, is a missionary volunteer for Africa. Another daughter is a deaconess in a Baptist Church in California, Helen Root. A son is an ordained deacon, William F. (Bill).

She was faithful, steadfast, unmoveable, always abounding in the work of the Lord, interested in the work of the association, of the state, of the world. And her works do follow her. "Whose Faith Imitate."

ARTICLE IX--Doctrinal Statement

The New Testament is the sole authority for the faith and practice of this Association. The doctrinal statement known as the New Hampshire Declaration of Faith, as revised by the Southern Baptist Convention in 1925, reflects in general the doctrinal beliefs of this body.

ARTICLE X--Amendments

This Constitution may be amended at any annual session of the Association by a vote of two-thirds of the messengers voting, provided, that a notice to amend, and a written statement of the proposed amendment be presented to the Executive Committee at least two months prior to the annual session, and a copy of the proposed change be mailed to each member of the Executive Committee by the secretary of the Executive Committee prior to the annual session where the change will be presented. 1. The Association will operate its financial program under a unified budget, and each church is invited and encouraged to contribute to the work of the Association on a monthly basis.

3. The Finance Committee will present a proposed budget for the coming Associational year to the Executive Committee at their regular monthly meeting in September, the month preceding the annuall session of the Association. The proposed budget will be discussed and recommendation will be made to the Association at its annual meeting.

4. When adopted by the Association, the budget shall stand as authority for payment for purposes specified, provided receipts are ample. If receipts are not ample the Finance Committee shall be called together to consider what payments are to be made.

5. For any special need the Finance Committee may make its report and recommendation to the Executive Committee. The Executive Committee may then authorize the Finance Committee to proceed in obtaining the finances for these special needs.

6. The Finance Committee will set up a system for purchasing any and all items for the Association. Any person making a purchase for the Association shall submit a purchasing order for approval before the purchase is made. No purchase shall be honored by the treasurer unless it is made on a purchasing order.

ARTICLE VII--Ordination

It is our belief that a local Baptist Church is the proper authority in the matter of ordination to the gospel ministry. However, the significance and far-reaching effects of such an ordination on other Baptist churches and ministers impose a special obligation upon churches to be extremely careful in setting apart men for this sacred calling. A matter having such scope and importance merits a spirit of Christian cooperation of the highest order both between local churches and ministers.

Recognizing that the local church is the authority for ordination, we, therefore, only suggest that the churches use this Committee at their convenience and discretion.

1. The following suggestions are offered for use by the Ordination Committee when ordaining ministers:

(1) Unless there are justifying circumstances, a candidate shall first be called to and serving a church.

(2) When a local church is convinced the time has arrived for ordination, the church may notify the Moderator of the Association who will in turn request the Ordination Committee to assist the local church in every possible manner with plans and preparations for the ordination service.

(3) Any candidate, even before an oral examination, should meet the basic scriptural requirements for a pastor as found in I Timothy 3.

a. He should be a mature Christian, apt to teach. (I Timothy 3:6)

b. His home life should be correct. Specifically, he should not have a wife from whom he is divorced (I Timothy 3:2)

c. His character should be recognized by all to be above reproach.

(4) A candidate having met the above requirements shall then pass an earnest and thorough examination on Baptist faith and practice as set forth in Article IX of this Constitution. This examination shall be given by the Ordination Committee and all other pastors of the Association who wish to participate. The said examination is to take place at least several days before the ordination service. Upon passing this examination the candidate shall then be recommended to the church which requested his ordination and that church will proceed with the ordination.

ARTICLE VIII--Visitors

Baptist brethren, not members of the Association, who may be present at any session of the body, may on invitation by the body, take seats and participate in the debate of the Association, without the privilege to vote.

ARTICLE IX--Amendments

These By-Laws may be amended at any session of the Association by two-thirds vote of messengers voting, provided the proposed amendment has been read to the Association at least one hour prior to a vote thereon.

REPORT ON BAPTIST HOSPITAL

The services of our Baptist Hospital are subject to heavy demands which grow heavier year by year. Last year the already overcrowded clinics of the Out-Patient Department received a new high of 83,000 visits from 96 counties of the state, sixteen other states, and two foreign countries. Two-thirds of these were by our Baptist people.

One of the most pressing needs is the enlargement of the facilities of the Out-Patient Department. Along with this is the urgent need for a building to provide adequate and unified facilities for the Hospital's eight schools for the training of skilled nurses, technicians, and other medical personnel, all of whom are in short supply and are essential to good medical care in our local hospitals and communities.

The new Progressive Care Center is attracting the attention of Hospital authorities over the country. Patients have been most pleased with it. The trustees and administration regret that the Hospital does not have sufficient funds to permit the admission of Service Patients to this fine facility.

The Pastors Library now contains well over 100 volumes among the best books in various fields of Christian thought and pastor-work. It can be of great value to pastors and they are invited to use it. It is located in the Medical School Library.

The care of Service Patients remains at the heart of the work of the Baptist Hospital. In cases where help will be needed on the hospital bill, it is extremely important that this be made known in advance and the arrangements be made when the patient is admitted to the Hospital. When appointments are requested for examinations it is necessary to let the Hospital know if the person needs to come through the Clinic, or if he will come as a private or full-pay patient. If a doctor is making the arrangements for a patient he should be told to make clear when he calls or writes if it is a Service or Clinic Patient. Mother's Day money cannot be used for Private Patients.

The Mother's Day Fund is the foundation of the financial aid given Service Patients. The Hospital tries to help the most needy cases as much as possible, but the funds have not been sufficient to give as much as is needed in many cases. In other cases of real need it has not been able to give any help, except the free services of the doctors and reduced rates on other items, such as X-rays, which consideration is given all Service Patients. We must remember that the help given is limited by the Mother's Day gifts of our churches.

The Hospital has prepared a full and attractive Information File Folder covering all of these matters in our relations with the Hospital. A copy is being mailed to all our pastors and associational missionaries. We urge you to acquaint yourself with this, keep it in your file and refer to it when questions arise and when arrangements are being made for patients to go to the hospital.

Respectfully Submitted,
W.W. Robbins

MUSIC COMMITTEE REPORT

Our Associational Music Ministry suffered a great loss this year with the leaving of Mr. Walter Jacobs. Mr. Jacobs was called to be Minister of Music-Education at the North Trenholm Baptist Church in Columbia, South Carolina and consequently left our Association in the early Spring.

There were three major activities in which the Associational Music Ministry had a part during the past year.

The first of these was the M-Night program in which the Associational Choir furnished the special music.

The second event was the Junior Choir Carol Sing just before Christmas in which several of the Junior Choirs of our churches, as well as some individual members of some of the Junior Choirs, participated. This was a means of witnessing and blessing to the people and also a means of training for the Junior Choir members.

The third event was the Regional Choir Festivals held at Green Street Baptist Church. Many of our churches took part in this and all received a blessing from singing in the Choir Festival. This, perhaps, was the most beneficial program of the year for all of the choirs. We encourage all of the churches to take part in the Choir Festivals if at all possible, because of its great influence in bringing forth the best of your potential.

All of the churches in our Association have been most cooperative in the past, and we look forward to the future and a greatly expanded Music Ministry. To quote Mr. Jacobs: "I see no reason why Central Association shouldn't have the finest Associational Music Program in the state." This, to be sure, is a high goal to attain; however, with the help of our Lord, and in working for His glory and praise, it can be done. The challenge is ours. Will we accept the challenge and move toward the finest Associational Music Ministry possible? God help us to do just that.

Respectfully submitted,
Joseph M. McWethy

BROTHERHOOD REPORT

Since the reorganization of the Brotherhood and the change in the Royal Ambassadors Program began several years ago, the Brotherhood has been a juggernaut slowly moving into position as a positive factor in every phase of our church program.

The Associational Brotherhood program has included primary emphasis on organization and training on both the association and church level. We feel that these are two basic fundamentals for improving the work. The new program as set forth in the CHURCH BROTHERHOOD GUIDEBOOK offers a tremendous challenge and unlimited potential for every church. We have one new Brotherhood which was organized at Oak View Baptist Church with the Reverend Max Reece as pastor and Brother Ed Shufelt as President. We look forward to this coming year with a new enthusiasm for the work to be done.

The Associational Brotherhood makes the following recommendations for the coming year:

1. All churches who do not have a Brotherhood consider starting one.
2. Those churches having a Brotherhood consider training opportunites on the local church level.
3. Any church desiring help in either of these fields contact the President of the Associational Brotherhood or Superintendent of Missions at the Associational Office.

Respectfully submitted,
Robert A. Culler

TRAINING UNION REPORT

By reading the Scripture we learn that Jesus trained his disciples. Those men who worked so close to, and with Jesus while he was on earth saw the need of being trained and took advantage of his training. This has inspired many people through the years to also train for better and greater Christian Leadership. For this reason Baptists began their Training Program and have through the years given their members advantage of being trained in Church Membership believing that we should, "Study to show ourselves approved unto God a workman that needeth not to be ashamed rightly dividing the word of truth."

When I look around and see the vast number who should be training to be better leaders and do not choose to do so it saddens me. However, I am grateful to God for those who do make, not only our Training Program possible but also make better leaders of our entire church program. I trust that each church in our entire Association will strive to enlist all their members in the Training program of their church.

Green Street Baptist Church was hostess to a Workshop of fifteen classes last October. These classes were led by people of our Association plus Mrs. Hal Pickard and Mrs. LaVern Zirtzman of Winston Salem. Another such is being planned for October of this year. The purpose of this workshop is to train the incoming Officers for their respective offices.

The Annual "M" Night Meeting was held on December 4 in the First Baptist Church. A great program was planned around the theme, "Lengthen..and Strengthen." The Reverend Charles Howard, Buies Creek, N.C., brought a most inspiring message using as his topic, "Lengthen...and Strengthen." There were representatives from 22 of the 30 Churches and Missions of our Association in attendance. A record number were in attendance; included in this number were 16 pastors and 14 Training Union Directors. Oak View Church was recognized as having the highest percentage of enrollment present. Hillsville Mission is also due special recognition for their number attending.

The Training Union Department participated in the Association's School of Missions held in February.

Again much work entered into the Tournament Work through the seven participating churches. The Tournament for the Junior Memory Work and the Adult Scripture Reading was held in the Conrad Memorial Church. The Youth Banquet with its program centering around the Intermediate Sword Drill and Young Peoples' Better Speakers Tournaments was held in the First Church. There were 33 Juniors in the Associational Tournament and 19 of this number were declared State Winners this summer. Mr. John Eddinger represented our Association in the Young People's Better Speakers Tournament and Miss Elaine Kilby in the Intermediate Sword Drill in the State Tournament. Mr. Eddinger was declared second place winner. Both of these fine young people are members of Green Street Baptist Church.

Please pray for us as we shall endeavor to do greater work this year for our Master.

Respectfully Submitted,
John A. Reavis

DENOMINATIONAL LITERATURE REPORT

The Bible can be defined as a written record of God's progressive revelation to man. God speaks to us through many media - nature, conscience, experience and His Written Word (Bible). The command of Jesus is for us to make disciples of the

world; and to teach them to observe the Christian way of life (Mat. 28:19,20). God has chosen "writing" as a means of revealing Himself to the world. God continues to use the printed page as one of the effective tools in reaching the souls of men. Inspired words are mighty tools and can enter doors where spokesmen can never go. Jesus showed His respect for the written word by His much quoting of the Scripture.

Southern Baptists are blessed with a wealth of printed materials which flow from our Sunday School Board, state papers, and the missionary organizations. Since the organization of the Sunday School Board in 1891 Southern Baptist Churches have been supplied with the best helps available to aid in the teaching and interpreting of the Bible. The Board has met, and continues to meet this need through its ninety-nine (99) separate items of church literature. There are ninety-two (92) other nations who recognize the quality of literature published by our Sunday School Board. The church literature needs of sixty-four thousand (64,000) people are met each typical working hour during a normal shipping period at the Sunday School Board as materials are sped on their way to more than thirty-two thousand (32, 000) Southern Baptist Churches. Approximately one-hundred-twenty-five thousand (125,000) pounds of church literature are shipped on an average working day during this shipping period and seventeen (17) million pounds during the year.

The "Biblical Recorder" is our state organ of publication. J. Marse Grant, Editor, has recently listed six good reasons why the Biblical Recorder should be in every Baptist home:

(1) INDOCTRINATION: Baptists need to know what they believe and why.

(2) INFORMATION: The "Recorder" presents the full Baptist program of North Carolina, including missions, Christian education and benevolences.

(3) ENLISTMENT: Since the "Recorder" is a great informer it makes the task of enlistment more easy.

(4) INSPIRATION: The articles on inspiration are helpful in meeting life's day-by-day problems.

(5) COMMUNICATION: The "Recorder" is a great channel of communication among the Baptist Family.

(6) UNITY: The "Recorder" develops and helps to maintain a spirit of togetherness among its readers.

The Home Missions Board and the Foreign Mission Board produce a wealth of printed materials to help our missionary needs. The Brotherhood Commission also provides valuable materials for the men and boys of the churches. "God has not ceased to use the printed page."

The following suggestions are recommended for each Church in our Association to consider:

1. That Churches not now using S.B.C. Literature make a study of this literature and its helps in the light of using it.
2. Churches not now having at least a Biblical Recorder Club start one.

Respectfully submitted,
Russell Lee Hinton

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The past year in our N.C. Baptist Homes for the Aging has been one of great blessing. Of unusual significance has been the opening of our fourth home, the Hamilton Home, located in Eastern North Carolina, and enabling us to minister to 30 additional people. The residents there are supremely happy and are enjoying the abundant life in this new facility.

Over the past eleven years we have increased by 8 times our ability to minister to the aging in our midst. In the beginning there were 20 residents, and now we are able to give loving care to 160 persons in our four homes.

The need for more space is most urgent and pressing. There are 138 applicants on the waiting list. We want to move forward as rapidly as funds will permit in meeting the demands of our ever-growing population of aging people who need care.

The Special Day Offering from our churches are at an all time high ard are likely to go beyond all previous offerings by the end of this fiscal year. We urge each church to continue giving as liberally as possible through this vital medium. Ninety percent of the residents who live in our four homes are financially needy people and are sustained by the Special Day Offerings from our churches each year.

The plea of the elderly person in our midst, "Cast me not off in the time of old age", is one that cannot be lightly brushed aside, but one that must continue to challenge the highest and holiest in every North Carolina Baptist as we move forward in this great ministry which God has committed to us.

Respectfully submitted,
A.C. Moody

REPORT OF CHRISTIAN LIFE COMMITTEE

Your committee has held two meetings and makes the following recommendations:

1. That the Evils of Alcohol be dealt with in definite ways immediately and during the next year:
   (a) By requesting pastors to devote at least two sermons to the subject, if led by the Holy Spirit, during the next year.
   (b) That a Commitment Dayo total abstinence be set aside and emphasized in all our churches.
   (c) That some sort of educational program, perhaps a study course on the Evils of Alcohol be sponsored or set up by the Association. Perhaps join other denominations in distributing tracts, etc.
   (d) That radio and television time be obtained bo point out the evils of alcohol, and pointing out the fallacy in the argument about getting the taxes from liquor.
   (e) Should our Association or the High Point Ministerial Association put a sign on your highway near Jamestown Liquor Store saying "Your last chance to turn back - Liquor is not the answer, Christ is"?
   (f) That the Association make a contribution to the House of Prayer, a local institution dealing with and treating alcoholics.
2. That the Christian Witness Committee of the Associational Brotherhood be strengthened and augmented, and that a program of Lay visitation among churches be established.
3. That we take a firm stand against licentious movies and filthy literature.
4. That a float in the Christmas Parade promoting the magnifying of Christ at Christmas be considered.
5. That consideration be given to special programs and special seasons emphasizing the importance of the Christian Home and how to have a Christian Home, calling attention to the fact that Christian Homes are the best means of eliminating juvenile delinquency.

6. That consideration be given to having an Associational-wide program of study course on Youth Activities in our churches.

MISSIONS COMMITTEE REPORT

The Missions Committee of the Central Baptist Association has had numerous meetings during the year. The Committee has been diligent in seeking to fulfil its responsibility to the individual churches, the Baptist Student Union, and The Association.

The Committee worked with the Associational Superintendent of Missions in establishing an associational office in the Youth Building of the Green Street Baptist Church.

The Committee has met with representatives of the Baptist Student Union of High Point College and representatives of the Baptist Student Department of the North Carolina Baptist State Convention. One of these meetings was a supper meeting at High Point College, at which time the Baptist Student Union Budget of $385 was approved for 1962-63. We have sought to strengthen the relationship of the Association and the Baptist Student Union.

The Committee approved the report of the Oak View Baptist Church, requesting $80 per month in pastoral assistance from the State Missions Department.

The Committee worked with the Jewel Baptist Church and its Hillsville Mission, recommending that our Association give $500 to the church for use in the Mission. We also approved the request to the Baptist State Convention for aid in the purchase of property for this mission.

The Committee met with the Faith Baptist Church to give advice concerning a church matter.

The Committee met with the Missions Committee of the Oak View Baptist Church and approved their plans for beginning a Mission in the Grange Hall on the Tanyard Road.

EVANGELISM REPORT

Someone has said, "Two things make our age unique. It is the age of total revolution, and it is the age of terrible urgency."

If this is a total revolution, then it means that it will sweep the entire world in its onslaught. This certainly provokes a terrible urgency. This is not another crisis. The world has had numbers of these. This is total revolution, and it can only be met with any degree of success with total dedication, on our part, to our Lord and Saviour, Jesus Christ.

The past is behind us and the future is before us. What can we do in a practical way to meet this present threat? Evangelism offers us a commendable contribution through our local church, our association, and our Convention.

Our Association conducted a Simultaneous Evangelistic Crusade April 29-May 13. This two week effort was led by C.Y. Dossey of the Division of Evangelism of the Home Mission Board. Fifteen (15) of our churches participated in this crusade. There were two-hundred (216) decisions for Christ and baptism. Some eighty-six (86) Baptists moved their membership to a local church during this period. Numerous rededications of life resulted. The churches were truly revived.

Our associational clinic on evangelism will be held November 23,3:30 P.M. at English Street Baptist Church. All pastors and associational officers should attend, along with the teachers and officers of all church organizations.

Soul-Winning Commitment Day. January 6, 1963. We must train soul-winners by using "The Guide for Training Christian Witnesses" - pastor's edition - (which will be mailed free to every pastor on November 15, 1962, by the Training Union Department). Also, "Learning to Witness" to be ordered along with Sunday School quarterlies from the Sunday School Board, Nashville, Tennessee.

In January, it will be worthwhile to start your three months of cultivative witnessing, training our people to witness for Christ in preparation for our Baptist Jubilee Revivals in March and April.

February 11-13, State-wide Evangelistic Conference, Greensboro. Every church would do well to consider sending its pastor to this spiritually refreshing conference. Lay people should attend too.

February is transfer Church Membership Month. The non-resident membership problem should have special attention at this time to be followed with perennial efforts.

March and April - Baptist Jubilee Revival Crusades. The date for the Baptist Jubilee Revival in our association is March 10-24, 1963.

July 2-4, 1963, Convention-wide Evangelistic Conference, Dallas, Texas. Many people are praying and planning for this to be the greatest conference on evangelism ever held among Southern Baptists.

March and April, 1964 World-wide Baptist Jubilee Revival. The date for our association is March 29-April 12, 1964.

All things point up the need for full committal to Christ in His redemptive purpose NOW...Nothing less than this will be enough. In fact, nothing less than this has ever been enough.

RADIO AND TELEVISION REPORT

America's radio and television networks--NBC-CBS and ABC--offer the Southern

Baptist Convention its best opportunity for reaching large segments of the U.S. audience at relatively low cost, according to a recent study made by the Radio-TV Commission.

The Commission feels responsible for continuing to enlarge Southern Baptists' share of network television time. This can only be done by concentrating on unique and highly acceptable program material, and by investing significant funds with the networks to produce these programs jointly.

A "bonus" network audience is obtained by combined network and "The Answer" showing on TV. "And The Word Endures," a film produced of Russian Baptists, was shown by NBC-TV twice--April, 1961, and December, 1961,--with an audience estimated at seven million each time. In February, 1962, "The Answer" telecast the film to an estimated five million.

Southern Baptists will be represented by nine 30-minute television programs and one hour-long "special" on the three networks this year, plus a minimum of 14 network radio shows.

Southern Baptists' Radio and Television Commission now produces and distributes a total of 10 weekly radio programs and "The Answer" weekly television series for local consumption. (Our local station carries "The Baptist Hour" with Dr. Hershal Hobbs, President of the Southern Baptist Convention, as preacher each Sunday afternoon at 1 p.m.)

It takes the Gospel through these electronic media to 48 states and 25 foreign countries over an independent denomination network of 1300 stations. These programs have an audience estimated at 50 million each week.

Radio programs in several languages for minority groups are produced to realistically reach a larger segment of the world's listening audience. They are constantly trying to meet the needs of the broadcasting industry and of individual stations around the world for Christ.

Earlier this year, the Commission launched a completely new approach to religious radio programming. Called "Patterns," this is a weekly package of minute-long, tape recorded segments by well-known people on a wide variety of subjects. It is provided as a public service to stations. "Patterns" contain 20 secular and 10 inspirational briefs to be used throughout the day or night at the discretion of the station.

W.M.U. REPORT

With the Woman's Missionary Union, Auxiliary to the Southern Baptist Convention, we, this year, have the privilege of looking backward for Seventy-five years, as we are celebrating our Diamond Anniversary. It is a rich heritage we have, and a deep responsibility we must assume; the Central Baptist Association Woman's Missionary Union must fulfil its niche in this great work. We, of course, in this particular organization can look back only four years, since our organization in 1958, and we are increasingly aware that as years pass we accomplish such a small part of what should be done. At the same time, we may share in the joy of all the evidence of growth which is manifested in our churches. We note, and are grateful for, the increased awareness among the women in the churches of the needs of the world and the personal responsibility each of us bears for alleviating those needs. We note, and are thrilled by, the increased interest in the study of Missions, through our regular Mission Study periods and through reading of mission books. The increased

gifts through our special offerings are evidence of knowledge of the fields and the needs.

There are 23 active Woman's Missionary Unions in the Association, varying from an organization for one group to more than one organization for all age groups. The emphasis for this Jubilee Advance year has been on Enlistment and there is evidence of growth in numbers in many of our churches.

The Mission Study Institute in October, 1961, was held at the Green Street Baptist Church, under the leadership of Mrs. V.B. Collins, Associational Mission Study Chairman, with the help of the youth directors and others recruited to present the books for study. In January, 1962, the Mission Study Institute was expanded to be Association-wide in preparation for the School of Missions which was held February 19-23. The holding of the Mission Study Institute to help with the preparation of the teachers and assembling of materials, furnishing and training of teachers was the area of responsibility of the Woman's Missionary Union in the School of Missions. I am sure all of us are aware of the joy that came to our churches through this experience.

It was the general concensus that our annual meeting reached new heights this year in inspiration and information. North Main Baptist Church women were hostesses and we shall ever be indebted to them for their hospitality. Mrs. A.L. Parker, President of North Carolina Woman's Missionary Union, brought a most challenging message as our representative from the State Office, and Mrs. Colin Godwin, who with her husband is a missionary to Ghana, Africa, presented in pictures and words the work in that area in a manner that stirred our hearts.

On July 19, 1962, Mrs. Rawlinson, our incoming President, and Mrs. Rawley, Prayer Chairman, led in a Prayer Retreat for the women of the Association at the home of Mrs. Rawley. This was the first observance of the Anniversary Year, and being conducted in Prayer, it proved to be an inspiration for all those who were in attendance.

During this year your president has been in churches of the Association on eighteen occasions for the purpose of giving programs, teaching Study Courses, or helping with the training of officers. Your Mission Study Chairman has helped provide materials and teachers on thirty-three different occasions in churches of the Association. Your Girls' Auxiliary Director has helped with the organization, trained workers, taught study courses, and in many ways helped in churches this year. Your Sunbeam Band Director has helped many times by conferences and by consultations with the leaders and training of workers in the churches of the Association. Your Y.W.A. Director has aided organization, trained workers, and assisted in churches in the Association.

All of our officers for the coming year are preparing themselves, and are dedicated to the purpose of helping you in any way you desire. They are planning as this is written for the Annual Workshop for the training of in-coming officers to be held October 4, at the Reavis Memorial Baptist Church.

Your officers for the year 1962-63 are: President, Mrs. J.E. Rawlinson Vice-President, Mrs. Dolan Hedrick; Secretary, Mrs. Roy W. Kelley, Y.W.A. Director, Mrs. Roger W. Cole; G.A. Director, Mrs. R.C. Fincher; Sunbeam Band Director, Mrs. Lothair Cecil; Jubilee Chairman, Mrs. Russell Hinton, Mission Study Chairman, Mrs. V.B. Collins; Prayer Chairman, Mrs. D.A. Rawley; Stewardship Chairman, Mrs. David Reddick; Pianist, Mrs. Neil Armstrong.

Mrs. E.B. Hill

BAPTIST CHILDREN'S HOMES REPORT

Building a better tomorrow has always been the dedicated concern of the Baptist Children's Homes of North Carolina. Today's children will become the adults who shape tomorrow's world. NO task is more important than helping a child, hurt by life, to grow into healthy, well-adjusted, responsible citizenship.

Each child who comes to the Children's Homes is different, with a different need to be met and a different problem to be solved. It is the responsibility of the Homes to find the best solution possible. For many years that meant providing food, clothing, and shelter for orphans. Today the need has changed. Today our work is with children who for various reasons have lost the security of home and parents.

During the past year, 848 boys and girls were served by the Baptist Children's Homes. In addition to those already in care applications were received for the admission of 646 other children. We had space and money sufficient to admit 170 of these--leaving 476 for whom no room was available. Provision should be made immediately to expand greatly our foster home program to meet the needs of these children. This can be done through an increased Thanksgiving Offering. Since our Thanksgiving Offering is but a short while away, you will be interested to know that $6,093.24 was given through our Central Association last year plus $2,039.24, making a grand total of $8,132.50. OUR GOAL for this year's Thanksgiving Offering (Statewide) is $400,000.

Increasingly, your Homes are being called upon to serve children who are disturbed and emotionally ill. In addition to traditional types of child care, there is a growing need for specialized supervision and services. It is hoped that a step can be taken, within the year, to begin to provide, on a small scale, such services at the North Carolina Medical Center at Chapel Hill.

Financial support this year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-A-Month Offering	16 Per Cent
All Other	21 Per Cent

For the first time, income to the Children's Homes through the Cooperative Program exceeds that of the Thanksgiving Offering. This source of income meets one third of our operating budget and is greatly appreciated. At the same time, the Thanksgiving Offering continues to be vital to our existence, providing 30 per cent of income. We sorely need an increase of one hundred thousand dollars through the Thanksgiving Offering this year. This would enable us to provide a Christian home and care for an additional 125 children.

We owe a debt of deep gratitude to our friends whose genuine concern for the welfare of our children makes this help possible--especially our Baptist people. You have afforded hundreds of boys and girls opportunities and privileges which they otherwise could not have had.

CHARITY AND CHILDREN, our official publication, which this year celebrated its 75th anniversary of service to North Carolina Baptists, continues to grow in popularity and circulation. Each week 55,000 copies are sent to churches and individual subscribers throughout the state and beyond. You are invited to be among these readers and thus stay informed of our child care ministry and other denominational endeavors throughout the year.

Respectfully submitted,
Harold Buffington

This was seconded by Tom Haggai, and passed. In view of the fact that the association voted in June, 1961 to underwrite the expenses of a school of missions in February, 1962, and in view of the fact that this matter was not included in the budget of 1961 a motion was made by Rev. Clyde Tucker that the treasurer be authorized to pay any expenses incurred. This was seconded and passed.

His motive was that by co-operating together our missions would be stronger and more souls could be reached for Christ. Thanks and appreciation was expressed to the Conrad Memorial Church for the fine meal.

The association met the same evening at 7:45 in the Conrad Memorial Church. Rev. Neil Armstrong, moderator, presided. Music was led by Brother Joe McWethy. Rev. MAY 22, 1962, Rev. Clyde Tucker made a motion that our Assoc. write a letter to the Chairman of the Board of Trustees of the Biblical Recorder expressing our appreciation for the fine work Brother Morris Grant is doing.

2. Map and Zone Committee (5)
3. Personnel Committee (3)

SUPERINTENDENT'S REPORT

Associational Missions is the vital link between the local church and world missions. It is the first unit of work beyond the local church. Associational Missions is, EVANGELISM, CHRISTIAN EDUCATION, and MISSIONS at work with and through the local churches.

I am grateful for the wonderful privilege of working with such a fine group of people. There have been heartaches but the blessings have over-shadowed those. We express our sincere thanks to each of you who have made our work easier and those who wanted to help if their time would have permitted.

I believe the time has come for each of us to show by our actions that we want an associational program, the time has come for each of us to be prayerful about the work of our association, the time has come for us to be willing to "go the second mile" in order that God will bless us in a local and world-wide program.

Although I do not like written reports concerning what we do for God, I feel that you are due to know something of what I am doing. Please accept this report and all others that may follow as an attempt to reveal to you some of our work. Where it looks big it may be where we actually did the least, and where it looks the least, it may in God's sight be the most. Statistics do not tell a complete story, however, listed below are some of the things we have done this past year:

Group Conferences	93

SUNDAY SCHOOL BOARD EMPLOYEES OBSERVE TENSION IN BERLIN

The threat of communism was very real to members of the Broadman Films production crew who recently made an anti-communist film on location in Germany. Scenes in the film, THE COMMUNIST THREAT, were shot only one block from the Berlin wall.

Observers noticed the tension of spectators who gathered to watch the filming of a street scene. Actors dressed as East German guards were watched anxiously when they walked the street at lunch time. Someone even called the West German police who quickly determined that the actors were not authentic East German guards. The incident was not a real crisis, but it does reveal the anxiety of people who live under the constant assault of communism.

THE COMMUNIST THREAT was written by Don Fearheily and produced by Stanley Williamson. The film will be released late in 1962.

"Reasons for producing this picture should be evident," states W. Alvis Strickland, Broadman Press Public Relations Representative, Office of Denominational Relations, Baptist Sunday School Board. "To know the enemy is to be alert to his presence. Baptist people need to become aware of the threat of communism. It threatens not only the people of West Berlin and West Germany, but of the whole world."

THE NORTH CAROLINA BAPTIST FOUNDATION

The North Carolina Baptist Foundation was authorized by the Baptist State Con-

vention in 1919. The Board of Directors organized for business in 1920. From the period of the organization until the present, the Baptist Foundation has had a rather irregular promotion.

The Committee of 25 recommended to the State Convention in 1959 that the Baptist Foundation be fully staffed and activated. It requested the Convention to adopt a budget providing for a full-time executive secretary, with the necessary travel, office expenses, etc. It was not until July 1 of this year that a full-time executive secretary was employed. For the past few months, Mr. Peyton J. Brown has served as Interim Director, without remuneration. The total assets of the Foundation as of June 30, 1959, were $245,131.32. The total assets as of June 30, 1962, were $303,186.66. In these past three years our total assets have gained $58,055.54. This gain has largely been due to the Interim Director and our present chairman of the Board of Trustees, Mr. Brown.

What is the Baptist Foundation? The North Carolina Baptist Foundation is an incorporated agency of the Baptist State Convention of North Carolina. It was created by the Convention for the purpose of procuring endowment funds and for administering said funds for all institutions and agencies owned and controlled by the Convention. It is independent of the cause it serves, but committed to its best interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all our Baptist work.

Funds usually come to the Foundation through one of five channels:

(a) Through a CHRISTIAN WILL. In his will a person leaves all or part of his estate with the Foundation for some Baptist cause. Of course, the Foundation then receives its share when the estate is settled.

(b) Through a LIVING TRUST. A person makes a donation to the Foundation while he is living. The Foundation then administers the fund and directs the income to the Baptist agency of his choice. This allows the donor to see his gift at work.

(c) Through a MEMORIAL TRUST. A person makes a gift to the Foundation in memory of a loved one and instructs the Foundation to place the income from it to one or more Baptist agencies.

(d) Through a LIFE INCOME TRUST. A person makes a gift to the Foundation and specifies a Baptist agency as beneficiary, but requests the income for himself as long as he lives. This permits him to receive the earnings to the end of his life and to know the beneficiary of his charity after his death.

(e) Through LIFE INSURANCE. A person takes out a policy in some amount in the name of the Foundation and designates the Baptist cause as irrevocable beneficiary. The premium he pays is then tax free as a charitable gift.

Stan Hardee

Any person making a purchase for the Association shall submit a purchasing order for approval before the purchase is made. No purchase shall be honored by the treasurer unless it is made on a purchasing order.

ARTICLE VII--Ordination

It is our belief that a local Baptist Church is the proper authority in the matter of ordination to the gospel ministry. However, the significance and far-reaching effects of such an ordination on other Baptist churches and ministers impose a special obligation upon churches to be extremely careful in setting apart men for this sacred calling. A matter having such scope and importance merits a spirit of Christian cooperation of the highest order both between local churches and ministers.

Recognizing that the local church is the authority for ordination, we, therefore, only suggest that the churches use this Committee at their convenience and discretion.

1. The following suggestions are offered for use by the Ordination Committee when ordaining ministers:

(1) Unless there are justifying circumstances, a candidate shall first be called to and serving a church.

(2) When a local church is convinced the time has arrived for ordination, the church may notify the Moderator of the Association who will in turn request the Ordination Committee to assist the local church in every possible manner with plans and preparations for the ordination service.

(3) Any candidate, even before an oral examination, should meet the basic scriptural requirements for a pastor as found in I Timothy 3.

a. He should be a mature Christian, apt to teach. (I Timothy 3:6)

b. His home life should be correct. Specifically, he should not have a wife from whom he is divorced (I Timothy 3:2)

c. His character should be recognized by all to be above reproach.

(4) A candidate having met the above requirements shall then pass an earnest and thorough examination on Baptist faith and practice as set forth in Article IX of this Constitution. This examination shall be given by the Ordination Committee and all other pastors of the Association who wish to participate. The said examination is to take place at least several days before the ordination service. Upon passing this examination the candidate shall then be recommended to the church which requested his ordination and that church will proceed with the ordination.

ARTICLE VIII--Visitors

Baptist brethren, not members of the Association, who may be present at any session of the body, may on invitation by the body, take seats and participate in the debate of the Association, without the privilege to vote.

ARTICLE IX--Amendments

These By-Laws may be amended at any session of the Association by two-thirds vote of messengers voting, provided the proposed amendment has been read to the Association at least one hour prior to a vote thereon.

SUMMARY OF THE EXECUTIVE COMMITTEE MEETINGS DURING THE YEAR

A Summary of the Executive Committee Meetings of the Association during this year. All routine action is not given here. Only the action that is significant is put in this digest.

January 22, 1963. Rev. Russell Hinton gave an oral report of his conversation with Rev. Wall about Colonial Heights not participating in associational affairs for the past two years. Bro. Wall does not favor cooperation with the association. He said his church would take a vote and let us know. Thus far the church has not given an answer. The Constitution (Article IV, Section 4) states that messengers must decide to withdraw fellowship, so this cannot be handled until the annual associational meeting. Bro. Rawlinson suggested it would be well to get a written statement from the church.

John Wade gave a report naming a committee to study the Constitution: J. Harvey Clark, Chairman, Charlie Monk, George Tunstall, E. W. Price, Jr., and John Haas.

Clyde Tucker gave a report and recommendation from the Credentials Committee: "The Credentials Committee recommends that the Hillcrest Baptist Church be received into the fellowship of the Central Baptist Association." The recommendation was seconded and passed unanimously by the group.

April 16, 1963. A motion was made by Clyde Tucker and seconded by W. W. Robbins that John E. Wade serve as clerk until someone could be found to take this job.

A motion was made by Russell Hinton that the recommendation of the Missions Committee and the Finance Committee meeting in joint session be accepted. Recommendation reading as follows: A motion was made that we recommend to the Executive Committee that the money presently in the Atlantic Savings and Loan in Savings Account be transferred to the regular treasury for current expenses ($989.87). The motion was seconded by W. W. Robbins and after discussion was passed. The question was raised by Russell Hinton as to whether the Missions Committee should go further in the repair of the Supt. of Missions' home. Motion was made by Bill Clapp and seconded by Billy Freeman that the committee continue with the added expense not to exceed $400.00. After discussion the motion was withdrawn in favor of the following motion made by Clyde Tucker and Seconded by Billy Freeman. Motion was made to rescind the previous action and the money from the Atlantic Savings and Loan be used for repairing and repainting the Associational Superintendent's house and recarpeting the living room and replacing the draperies in this room. If any money remains from this fund it is to be placed in the general fund. This motion was carried.

Dr. E. W. Price, Jr. expressed the burden upon his heart for the work of the association and the seeming lack of cooperation upon the part of many of the pastors in our association. This only put into words the feeling of most of the pastors present.

Clyde Tucker was recognized to present a proposed resolution before the committee. This resolution to be sent to the Guilford County Commissioners concerning the suspension of the Guilford County law banning the sale of beer on Sundays at the request of the Greensboro Jaycees. Motion made by Clyde Tucker and Seconded by W. W. Robbins to adopt the resolution. Motion carried.

Floyde Rhyne made a request for the Executive Committee to meet regularly on Tuesday after the third Sunday each month and let the department heads know that each one is expected to be present with a report on his respective field of endeavor. All churches are requested to hold this night open as Associational Night. Carlton Hughes urged the committee in some way to get the idea of what the association is and does over to the laymen of our association.

May 21, 1963. John E. Wade brought a report from the Missions Committee and made a motion that the Executive Committee approve the request of Hillcrest Baptist Church for pastoral aid from the State Convention. Seconded, W. W. Robbins, passed.

W. W. Robbins expressed concern over the racial issue and lack of action upon the part of our churches. This was referred to the Christian Life Committee of the Association.

June 18, 1963. In the absence of Floyd Rhyne, Clyde Tucker read a letter from Paul Kesterson concerning the Pastor-Led Sunday School Enlargement Campaign scheduled for our association Sept. 16-20. Motion made by W. W. Robbins to have both the Elementary and the Junior-Intermediate workshop on September 12 in the evening. Seconded by Clyde Tucker. Carried.

Russell Hinton read the third of five recommendations concerning the Baptist

Jubilee Revivals in 1964. After much discussion the following motion was made:

Clyde Tucker made a motion that we suggest to our chairman of Evangelism that he urge the pastors of the General Baptist Convention in our area that they go ahead with plans proposed at the state convention when their president was present. Seconded by W. W. Robbins. Passed.

July 23, 1963. Brother Robbins made a motion that Rev. Lunsford be elected as Training Union Director and this was seconded, after much discussion this motion was withdrawn and a motion was made and carried that the committee have the authority to fill this place of service--motion carried. Officers elected: Sunday School Superintendent, John E. Wade; W. M. U. President, Mrs. J. E. Rawlinson; Brotherhood President, Robert Culler; Music Director, Roger Cole; Chairman of Evangelism, E. W. Price, Jr.

August 20, 1963. In the absence of Brother Harvey Clark, Brother John Haas gave a report from the committee to study the constitution.

September 10, 1963. Bro. Carlton Hughes gave the treasurer's report. A 17% increase by the churches in giving to associational missions was noted.

Bro. John E. Wade requested Institutional representatives and department heads to get reports in for the book of reports.

Bro. Paul Godfrey gave Finance Committee report and moved the acceptance of it. Seconded--passed.

Motion made by Bro. Clyde Tucker to recommend to the association to suspend any rules necessary to accept the report of the Constitution Committee which would allow a vote on the changes studied by them and mailed to each member of the Executive Committee prior to the Annual Associational Meeting. Seconded--Passed.

Bro. J. D. Allgood brought a request from Bro. Roger Cole, Associational Music Director to see if there were any way that the association might pay $150.00 more of the Music School expense.

Motion made by Bro. W. W. Robbins that the Finance Committee consult with Bro. Cole and make a report to the association at its annual session on the possibilities of this help being forthcoming. Seconded--passed.

Amendment to this motion was made by Bro. Charlie Monk, that the Finance Committee be authorized to work out the details and pay this $150.00 if necessary. Seconded--passed.

Respectfully submitted,
John E. Wade

RESOLUTION IV

WHEREAS the Christian Action League of North Carolina, supported by our Baptist State Convention as well as other evangelical denominations, seeks to inform and lead the citizens of our state in the realm of civic righteousness, and

WHEREAS the Christian Action League is in need of the support of all our people,

BE IT RESOLVED

1. That all of our people be encouraged to support this worthy cause individually, and

2. That we recommend to the Finance Committee that our Association contribute $100 to the work of the league.

RESOLUTION V

WHEREAS, salacious literature has been a contributing factor in the moral decline in our day, and

WHEREAS our news stands, and many drug stores and supermarkets who sell literature, have responsibility to the community for maintaining the highest standards in their sale of literature,

BE IT RESOLVED -

1. That we respectfully request all business that dispense literature to remove from sale all books and magazines that are not in accord with the highest moral standards of our Christian faith.

RESOLUTION VI

WHEREAS, the whole world is in a revolution, a revolution that touches all of life; and WHEREAS one aspect of this revolution is in the realm of racial change taking place in all areas of our world. In High Point we are conscious of this conflict, and

WHEREAS our city today is living under a truce, with the Negro citizens of High Point waiting to see what the White citizen of our city are going to do about these points of tension; and

WHEREAS our nation is founded upon the principle that all men are created with certain inalienable rights, among these are life, liberty and the pursuit of happiness; and

WHEREAS every citizen, so created, is to have the right to grow, develop, enter into the full capabilities of his being; and

WHEREAS this ideal is based upon the Christian faith, which teaches that all men are capable under God of dealing directly with God in Christ, and capable under God of responsible action in all realms of life; and

WHEREAS it behooves all Christians and all citizens, regardless of color or race, to face up to their responsibilities as Christians and citizens in this time of crisis, seeking to know the right as God gives it to us and to do the right - thus facing what is right rather than who is right - and, once knowing the right, to do it with courage, with humility, with faith in God, and faith in the intention and purpose of our Fellow Christians and citizens, BE IT THEREFORE RESOLVED ON THIS OCTOBER 18, 1963 by the Central Association:

1. That we ask all of our citizens, White and Negro, to set the Sunday before Thanksgiving, November 24, 1963, as a day of prayer in all our churches, White and Negro, to pray for the spirit of God to lead us, to direct us, to be with the churches and their leaders, with our city government, with our business leaders, our industrial leaders, that each of us will seek the right in the relation of the races in our city.

2. That we believe in free enterprise which grants to a business the right to conduct the business as it chooses, and that a business that chooses to serve people of all races will not be penalized by our refusal to trade with them because of their choice.

3. That all encouragement be given to our citizens to show love, consideration and understanding to all peoples in this crisis, to treat all others as Christians ought to treat others - in love that centers in the cross of Calvary.

4. That we call upon our Negro brethren, our fellow citizens, to do nothing that would be detrimental to their own race, and to realize that all of us can work toward the goal of achieving what belongs to every American citizen, with the faith that will achieve the right, without hurting the cause of our Lord.

5. BE IT FURTHER RESOLVED that our Association express our deep sorrow for the cruel bombings of the Sixteenth Street Baptist Church of Birmingham, Alabama which caused the loss of four lives, and damage to church buildings. We ask God to forgive such a terrible deed, and praise God for the example of patience and love displayed by this people and congregation in this time of loss and sorrow.

RESOLUTION VII

WHEREAS the High Point Enterprise has graciously given many columns of space to the work of our churches and our Association through the year, and

WHEREAS our churches have thereby benefited greatly, BE IT RESOLVED that we convey to the High Point Enterprise our appreciation for the coverage they have given to our churches and our work as an Association, and that our Clerk convey this Resolution to the High Point Enterprise.

REPORT OF BAPTIST CHILDREN'S HOMES

More children were served by the Baptist Children's Homes of North Carolina last year than ever before in history. This was made possible by the interest, prayers and giving of North Carolina Baptists and other friends. We are indeed grateful for every remembrance--the Thanksgiving offerings, once-a-month offerings, Cooperative Program gifts, food, clothing and other things. Without these we could not provide the many services to children and families which we do.

The physical, mental, social and spiritual growth and development of our children has been most gratifying. North Carolin Baptists have every reason to rejoice with the very fine response of these boys and girls to the Christian love and care afforded them. Members of an already fine and capable staff continue to grow in their love for children and their ability to work effectively with them.

We have been reminded for several years of a growing need for specialized services for an increasing number of children who suffer emotional illness. We are happy to report that these services are being provided a limited number of children in a small home at Chapel Hill in cooperation with the University Medical Center. They are receiving the best professional, medical help that can be provided. We are most fortunate to have this facility. It will strengthen greatly our entire program of child care.

We are compelled to keep our pressing needs before you. Applications for the admission of children are increasing. Relatives, pastors, friends of dependent children, departments of public welfare and others plead with the leadership of the Homes daily for help. A familiar plea is, "Unless you can help this child, there is no hope for him." We lay upon your hearts three areas of need.

1. An immediate increase in the number of children in good Christian foster homes in all areas of the state.

2. Continuous expansion and up-grading of facilities to enable the Homes to keep abreast of the best in child care.

3. An increase in financial support to undergird and strengthen the entire program.

A generous Thanksgiving offering is a must! Without it we cannot maintain what we now have in progress. We would challenge Pastors, Sunday School Superintendents and church leaders to make the best preparation possible for the forthcoming offering. Giving for the care of dependent children affords one of our greatest joys in Christian service.

Financial support for the past year has come from the following sources: Cooperative Program - 33 percent; Thanksgiving Off. - 30 percent; Once-a-Month Off. - 16 percent; All Other - 21 percent.

CHARITY AND CHILDREN, the official publication of the Homes, is now in its 76th year of publication and is widely read by our Baptist people. It has long been one of the best religious papers published among Southern Baptists. Every family in every church is invited to be among its readers to keep informed about our child care program and the world missions of our Lord. An issue of Charity and Children can be enjoyed each week during the year for only sixty cents. See that your church receives it.

SUPERINTENDENT'S REPORT

This has been a good year in our Association. I want to thank all of you for the fine spirit of cooperation you have shown. There were six important weeks in which our churches had a chance to participate during the year:

A Course of Studies for Training Union Workers
An Associational-Wide Survey
Simultaneous Revivals in April
Church Music Workshop in August
A Pastor-Led Sunday School Enlargement Campaign

We also had an afternoon and evening clinic on Evangelism, a Vacation Bible School Clinic, an Elementary Workshop for Sunday School Workers.

I had part in all the above and to give you an account of my personal Stewardship I am including the following statistics:

Local Church visits made (does not include my church)	67
Sermons preached	137
Individual Conferences	168
Group Conferences	87
Committee Meetings (on and off field)	146
Denominational Meetings Attended	11
Miles Traveled (includes all mileage in church related work on and off field)	21,314

EVANGELISM REPORT

As we close the record book upon another associational year, we humbly thank our heavenly Father for the victories won, and we turn our attention to the task before us.

During the year the churches have reported additions as follows:

Baptisms ____ Other Additions ____ Total _____

There is much to be done as we continue our efforts to get ready for the great endeavor before us in 1964. We, in our own strength, cannot bring a revival but there is no record in history of a revival among God's people against their will. History reveals that every spiritual revival has come only when God's people had longed for it and earnestly prayed for it. Also, a fervent proclaiming of the Gospel has always been in evidence when God poured out His spirit in power upon His people. Of course this means that revivals are of God but it also means that He uses His people in them.

1964 has been designated as the climactic Jubilee year for our best effort under God in evangelism. Plans call for Jubilee Revivals in every Baptist church on the North American Continent.

Southern Baptist's TOP PLANS for 1964 are listed below. We should prayerfully study them and follow them as the Holy Spirit leads.

REPORT ON BAPTIST HOSPITAL

The opportunity of serving persons created in the image of God is a high and holy privilege.

You and I have such an opportunity in multiplied thousands of people who are sick in body, mind and spirit, and who come to our Baptist Hospital seeking help. We reach out the hand of love and mercy through the skilled and dedicated hands of our doctors, nurses, chaplains, and many others involved in this ministry to the total person. We are grateful for this opportunity of joining hands with those who soothe the fevered brow, give the miracle drug, guide the surgeon's knife, bring the message of hope, and do the hundreds of other tasks which are necessary in the operation of our great Medical Center.

The number of those who receive the services of our Hospital this year will be greater than the population of one of our medium-size North Carolina cities, such as Goldsboro or Salisbury. Most of them will be seriously ill and referred by their family physicians because they need the kind of care available only in a large medical center. They will come from all areas of our state and from all walks and circumstances of life. What a privilege it is to serve these friends in need and what a challenge to our skills and our compassion!

The Mother's Day Fund, which we provide by our special offerings or by an item in our church budgets designated for the Hospital, is the means through which we make it possible for those who cannot pay to have the care they need. The $176,000 which the Hospital receives from the Cooperative Program provided by our churches must go to help pay for buildings, purchase equipment, and support the Department of Pastoral Care.

We call attention to the Service Patient Endowment Fund of the Hospital which we may place in our wills for any amount, or contribute to at any time, and thus continue to be a part of this service of love through the years after we are gone.

We wish to thank our people for their share in this ministry and call upon them to make their support a worthy expression of their Christian concern.

The following report indicates how our churches have failed to measure up to the challenge. I urge each one of our churches to make a contribution to this worthy ministry of our denomination through our hospital. With sincere appreciation for what has been done and with the prayer that we will do more this coming year, I am, sincerely,

Respectfully submitted,
Woodrow W. Robbins

RADIO AND TELEVISION COMMISSION REPORT

Radio and television have been given to the church of Christ as powerful tools

of mass communication--media through which the saving Gospel can be brought into the hearts of great numbers of people over vast areas.

For the first time in the history of the world as we know it, it is possible to reach virtually every person with the Good News of our Lord Jesus Christ. In our own country there are 49,800,000 television homes (nearly 91 per cent of all homes). There are 51,690,000 radio homes nearly 94 percent of all homes).

The Commission had a banner year in 1962, continuing into 1963, with continued recognition from the radio and television industry in terms of increased time allocations. This applies both to network time and to independent station time.

Special program production for all three networks, both radio and television, is at an all-time high this year. For instance, four half-hour programs for N B C - T V have been allotted Southern Baptists through the Commission from September 1 to December 29 this year. C B S - T V has scheduled three television programs for the denomination. A B C - T V has already produced two.

Cooperative film ventures with the networks and production of a number of documentary films on missions enabled your Commission to offer television stations all new material in "The Answer" for 1963 for the first time since 1960.

In the area of radio there was a net gain of 244 stations carrying Southern Baptist programs in 1962 for the greatest annual increase and the highest station total in the Commission's history.

The Commission currently services a total of 1293 radio and television stations weekly with eleven differently weekly radio programs and a weekly television series, for a total of 34,385 hours a year.

Half-hour radio programs, with the station count for each, is as follows: The Baptist Hour, 502; "Master Control" (domestic), 289; La Hora Bautista, 51; Multiplex Music, 4; Patterns, 164.

Quarter-hour programs for radio are: International Sunday School Lesson, 84; Chapel Upstairs, 22; Music to Remember, 17; Control Central, 26; Mississippi Baptist Record, 12; Oklahoma Baptist News on 14 stations is a five-minute program produced by the Commission for the state convention.

Technical aid in radio-television production to individuals, churches, state conventions, and associations is also on the rise. Two weekly radio programs for state conventions and one in Spanish for an association are currently being produced by the Commission. Technical aid in planning and establishing two tape recording studios was given last year. One was at the Baptist seminary in Zurich, Switzerland, and the other at Clear Creek Baptist School, Pineville, Ky.

The Commission's constant effort is to meet the needs of stations and to provide new and different religious programming. By so doing, Southern Baptists' agency for radio and television is able to get its figurative foot in the door. Following the initial programming in an area, there is often an opportunity to add another program. An evangelistic program such as "The Baptist Hour" is always pushed into the opening, or "La Hora Bautista" for Spanish speaking areas.

An up-to-date accounting of the annual value of the time given Commission-produced Southern Baptist programs throughout the nation shows it comes to the astounding figure of $3,701,988. This does not include the 93 stations overseas which receive our programs.

Our Baptist Hour is heard over Radio Station W H P E each Sunday at 1:30 p.m.

Respectfully submitted,
Charlie Monk, Jr.

DENOMINATIONAL LITERATURE

Have you ever wondered what it would be like to be unable to read? Do you realize how much of what you know has come to you through the printed page? Have you ever thought about what you would do for information, program materials and teaching helps if it were not for the books, magazines and papers which come to us in a constant flow from our various denominational boards and agencies?

Most of us have been limited in opportunities for formal education in the Christian religion. But we do not need to continue to be uneducated or uninformed if we will use the materials which are available to us. We need to know what is being done in our Southern Baptist Convention and in our state to spread the gospel of Christ throughout the world. What better way than to read regularly "The Biblical Recorder" and "Charity and Children," papers which have been for many years valuable instruments of communication among North Carolina Baptists? The Recorder, 130 years old, has a current circulation of more than 80,000. Many Churches order these publications on the club plan for general distribution to their members. Does your church? If not, aren't you interested in promoting such a plan? Our organized church life--and by this I mean Sunday School, Training Union, Woman's Missionary Union, The Brotherhood, the Music Ministry--has extended its avenues of value and usefulness as materials have become available for use. Imagine a Training Union without quarterlies for program suggestions and the Training Union Magazine for additional helps! Or, a Sunday School class without quarterlies for guiding pupil study and the teacher's magazine and the Sunday School Builder for the direction of the teacher! These, as well as the familiar piece of literature from the Woman's Missionary Union and the Brotherhood and from our mission boards are not new. But there are also such specialized materials as a magazine on church recreation, one on church administration, the various publications for the music ministry -- and others so numerous that I shall not try to name them all. Closely allied to periodical materials, and supplementing it, are books and films. Whatever the need for informational and inspirational materials, there is something to satisfy the need.

So -- eyes are to see, minds are to think, and hearts are to feel. What do we see? What do we think? What do we feel? If we use the materials available -- periodicals, books, films -- we can but see a dying world; we can but think of Christ who came to serve that world; and we can but feel impelled to do our part, as individuals as well as churches, to give the messageof Christand his loving atonement to all the world.

Respectfully submitted,
Mrs. James W. Moffitt

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

God has blessed the ministry of our North Carolina Homes in a wonderful manner during the twelve years of operation, and the past year has been filled with His goodness. We are now able to serve 160 residents in our four Baptist Homes - the Hayes Home and Resthaven Home in Winston Salem, the Albemarle Home at Albemarle, and the Hamilton Home at Hamilton.

In June of 1962, the doors of the lovely new Hamilton Home were opened to the first residents, and the halls have been ringing with laughter and happiness since. This beautiful facility has greatly strengthened the arm of our total ministry,

and has brought much joy and happiness to our Baptist people in Western North Carolina. Our greatest single need is for more space continually. Today there are 160 people waiting for admission, and it is a heartbreaking experience to keep these people waiting who urgently need to come. Our youngest resident is 65, and our oldest resident will be 102 in July. Between this age span, we are seeking to meet almost every need of the individual. Each person is surrounded by love, peace and security. The resident is assured that he will receive tender loving care in sickness as well as in health.
person is surrounded by love, peace, and security. The resident is assured that he will receive tender loving care in sickness as well as in health.

The tie with our Baptist people and our Baptist churches is a blessed one indeed. We are dependent upon the prayers, the visits, the great concern, and the financial support of our people. The two most vital media of support from the churches are the Special Day Offerings, received on the third Sunday of February each year, and the Homes' share in the Cooperative Program. Inasmuch as we receive only 1 3/10% of the State Convention's share of the Cooperative Program, or $7.92 out of each $1000.00 contributed through the Cooperative Program, we shall have to continue to look to the Special Day Offerings for the greater part of our support from the churches.

North Carolina Baptists have given a good account of their stewardship in their ministry to the aging during these years of a wonderful and successful beginning, and we have the faith to believe that they will continue to move forward in this great area of human concern.

STATE MISSIONS

Let's take a look at a Cooperative Program Dollar. When it gets to Raleigh 34 cents is taken out and sent to Nashville to be used for southwide and world-wide causes. The remaining 66 cents are used in North Carolina in the following ways: 25.7 cents for Christian Training for Young People; 12.7 cents for Christian Social Services; 2.2 cents for Administration; and 25.4 cents for Missions.

From the Missions allocation 3.2 cents is designated for the Division of Missions. Under the leadership of Dr. E. L. Spivey this division does a tremendous task. The responsibility of the division is to promote a vigorous program of mission activity in North Carolina. This work is carried out in various departments within the division. Attention is called to some of these departments and their work.

The Church Development Department majors on reaching unchurched people, by cooperating with the Chruches and the Associations in surveys, research, counsel, and supervision. The main objective of the department's survey program is to discover the unchurched and to make available this information to the churches and the various departments of the Baptist Convention.

State Missions undergirds the work of Fruitland Bible Institute. The school director, Dr. Fritz Hemphill says that, "Fruitland plays a strategic role in carrying the Gospel into every community in North Carolina." Forty-six students came for the first session when the school opened in 1946. The enrollment has grown until at present an average of 175 men study there in the fall and winter sessions.

Dr. W. R. Grigg, secretary of the Department of Interracial Cooperation, informs us that 25 percent of all people in North Carolina are Negro people.

This means that one-fourth of all our evangelism prospects are Negro people

and the department seeks to promote the kind of evangelism that reaches all people indiscriminately. Through the Division of Missions and Jerry Potter the Gospel invades the halls of silence preaching and teaching to the deaf. This work is done on television and many other centers. New opportunities are constantly opening. Through the Seminary Extension centers located at eleven places in the mountain areas of Western North Carolina 55 Pastors and nearly 200 lay people have studied. Competent and approved teachers meet these classes teaching the Bible and related subjects to the Indians and the Negroes and white people.

The Division cooperates closely with the Associations. North Carolina has 63 missionaries or superintendents of missions working in 68 associations. State Missions provides $63,000 each year on salaries for these workers.

Much could be said about Pastoral Aid, Church Lot Fund, Church Loan Fund, Pastors Schools and Schools of Missions, Institutional Ministries, Goodwill Centers, and General Missions Projects. The amazing thing is that so much is being done with such a small percentage of our gifts. Every North Carolina Baptist is challenged to pray for this phase of our ministry and to support the work and the workers with appropriate financial gifts.

MISSIONS COMMITTEE REPORT

The members of the missions committee would like to express appreciation for the privilege of serving the cause of Christ in Central Baptist Association this past year.

Your committee has met whenever there was a felt need or a request to do so. The committee met with representatives from several churches to hear request for state aid. The following amounts were approved and recommended: Parkwood Mission $1200 annually; Oakview Church $480 annually; Hillsville Mission $2,000 annually; Hillcrest Church $1,500.20

This year the associational pastorium has been repaired, painted, the living room recarpeted, new living room draperies, the city sewage connected, and rocks placed in the driveway.

The committee was invited by the Parkwood Mission to advise and direct them in the establishment of a church. The mission was constituted into the Parkwood Baptist Church on August 18, 1963.

The pastor of Colonial Heights Baptist Church was contacted about the church's intentions to remain in fellowship with the association or to withdraw fellowship. The pastor says that the intentions are to withdraw, but we have not heard officially from the church.

Time was given to discussing the need for office equipment. Time was also spent evaluating the proposed mission of the North Main Street Baptist Church.

The committee also recommended that $100 be taken out of the associational treasury for a Christmas gift to our superintendent of missions.

Russell L. Hinton, Chairman

TRAINING UNION REPORT

I am grateful that God has helped me see the need of Christian Training and has given me will power to take advantage of such training through the Training Union Departments of our Baptist Churches.

We stress the fact that it is more and more important that our youth be trained for the work they plan to do; therefore we should have, not just a good training program, but the very best training program possible. Our adults who make up the leadership of our churches can be greatly helped by having a vision of well trained workmen for God in all phases of our Church work.

Accomplishments this Associational year include planning meetings, clinics, and nights of inspiration and entertainment. Aplanning meeting was held on September 7, at which time the Associational Officers planned the calendar for the year's work. On October 23rd at Green Street Baptist Church a one night Training Union Clinic was held for pastors, Training Union Directors, Associate Directors, Committee Members, Leaders, and Sponsors. The conference leaders were chosen from various churches in the association. This proved to be a helpful and informative clinic. There were seventy-five in attendance.

"M" Night was held December 3 at Green Street Baptist Church. The theme was "Be Ye Witnesses" and Rev. George Simmons of First Baptist Church, Wadesboro, North Carolina, brought a most challenging message stressing world missions. At the "M" Night meeting Hillsville Mission received the highest percentage award and Lexington Avenue Church received the attendance banner with 110 attending from their church. There was a total of twenty pastors, nineteen Training Union Directors, and twenty-seven churches represented in the 782 attending the meeting.

In February a week of "Courses of Studies" was held at English Street Baptist Church. A faculty was secured for thirteen different classes, one member of the faculty, Mrs. Smoot Baker, being a State Approved Worker.

Eight of the Associational Training Union Officers attended the Associational Officers' Clinic for Region Five at North Main St. Baptist Church on March 29, which was led by Mr. Versil Crenshaw of the Sunday School Board, Nashville, Tennessee.

A Youth Banquet was held at North Main Baptist Church on April 5, with eighty two in attendance. Some sixty others came in for the program, which consisted of the Intermediate Sword Drill and Young People's Better Speakers Tournament. There were four Intermediates and four Young people who participated in the Tournaments. Miss Carol Price of Green Street Church took first place in the Associational Sword Drill Tournament and represented the association in the Regional and the State Tournaments. High Point Baptist has been represented in the State Intermediate Sword Drill for the past seven years. Mr. Kay Clinard of English Street Church took first place in the Young People's Better Speakers Tournament and represented our Association in the Regional Tournament.

On Sunday, April 17, there were thirty-seven Juniors participating in the Junior Memory Work Tournament and four Adults participating in the Adult Scripture Reading Tournament which was held at the Hilliard Memorial Baptist Church. From this group of Juniors Fairmont Park, Green Street, First Baptist, North Main, Oakview, and College Heights Training Unions had participants and went to the State Tournament, with three Juniors being four year winners. These Juniors being, Carol Ballard, North Main Street Church, Barbara Alexander, First Baptist Church and Jackie Fincher, College Heights Missions. Mrs. Ann Denney of North Main Street Baptist took first place in the Adult Scripture Reading Tournament and

represented our Association in both the Regional and State Tournaments.

Congratulations to the First Baptist Church who had more Juniors in the Regional Junior Memory Work Tournament than any other church. The Region represents seven Associations.

In July the Training Union Department was in charge of the associational meeting. This was held at Reavis Memorial Church Hut and followed in the annual Training Union's pattern of songs of praise and fellowship by everyone's enjoying home-made ice cream and cake.

This closes many years as my being director of Training Union work for this area. I am deeply grateful for your many prayers and your every cooperation. Special thanks are due those who served with me as your Training Union Officers. Thank you for giving me the responsibility and privilege of serving you.

Respectfully submitted,
John Reavis

REPORT OF CHRISTIAN LIFE COMMITTEE

Your current committee inherited a superb report from its' predecessor, the same is still most meaningful. However, recommendation such as it contained are meaningless, unless they can be implemented. In-so-far as implementation was concerned, your committee found itself completely ensnarled in procedural and budgetary difficulties.

To be progressive in this area the association needs to consider and answer in its own way several important questions. First, "study, present and recommend" as the committee is now structured, does not lend itself to action. Does the association desire an action committee in this area? Is it content as the collective voice of Baptist Churches in High Point to make a report on an annual basis and do nothing else? Could this not be likened to those of scriptural fame (infamous) who say, "Lord, Lord" yet do not as he commands?

Secondly, if an action committee is desired, what changes are to be made in our constitution and by-laws? What group shall empower the committee to act? And to what extent? Action inevitably leads to the expenditure of funds. Should not Budgetary allocations be made?

There are many areas of deep concern in which our people cry out: for directions, for leadership, for knowledge and for a more perfect example. In response there seems to be an eerie, hollow, appalling silence most of the time; with an occasional mild protestation. There is: gross moral decay of our homes; the monster "alcohol" gradually devouring our culture; obscenity and rampant sexuality; muted signs of racial, economic and political discrimination among Christian brethren; and probably the greatest evil of them all complacency in the face of all the others. Paraphrasing Mordecai of old "who knows but that Central Baptist Association is come to the Kingdom for such a time as this?"

MUSIC COMMITTEE REPORT

The major musical emphasis this year was the Church Music Workshop, August 19-23, held at Green Street Church. It was a well-publicized event and

attracted over 300 people from many churches in our association.

The faculty of 10 was most outstanding and did a quality job in teaching music, a separate workshop emphasizing choir work and voice training was offered the adult, Youth, and Junior ages respectively. In addition, a music reading Course was open to all church members interested in church music, whether they could read music or not.

Your associational Music Committee tries to plan a music study every other year. It urges participation by church choirs in the Regional and State Choir Festivals each spring.

The Associational music director is always ready to help the pastors and their music ministry leadership in any way.

REPORT OF CHRISTIAN EDUCATION

ENROLMENT

(fall semester, 1962)

Campbell College	1, 727	Meredith College	880
Chowan College	851	Wake Forest College	2, 915
Gardner-Webb College	615	Wingate College	1, 012
Mars Hill College	1, 189	Total	9, 189

Of special interest this year is the fact that Campbell College graduated its first senior class. Mars Hill will be graduating its first senior class in the spring of 1964.

The advancement of our program of Christian education continues to be made possible through the gifts of the local churches through the Cooperative Program. The Baptist colleges of North Carolina deeply appreciate what has been done through the Christian Education Advance. The benefit from this program will be felt by the college for many years to come. We urge all Baptist churches to cooperate with Director R.T. Greene as we move into the final year of the campaign.

DENOMINATIONAL LEADERSHIP

We are more strongly convinced than ever that the denominational college plays its most vital role in its production of Christian leadership, not only in Christian vocations such as the ministry, missions, evangelism, church music, religious education and related fields; but, more particularly, it is contributing a vital leadership through laymen who are serving in many capacities in local communities.

This past year during Christian Education Day we emphasized the fact that Baptist colleges (North Carolina) now have missionary alumni who are serving all around the world. Almost 200 dedicated men and women are preaching the gospel in many lands and in many tongues.

But we must remember that it was Dr. Baker James Cauthen who, in a letter to the secretary of the Council, pointed out that in addition to this wonderful contribution, Baptist colleges are taking seriously the task of producing Christian leadership for our times.

FOUR GREAT CHALLENGES FOR CHRISTIAN HIGHER EDUCATION

1. The challenge presented by the plight of modern youth who are desperately trying to find the meaning of existence in a world which elders did not know, a

world teetering on the brink of atomic destruction on one hand and staggering under the burden of military training on the other.

2. The challenge of Christian leadership in a world which for the past several years has watched an alarming decline in the number of men and women committing themselves to the Christian vocation.

3. The challenge of liberty and individual freedom and dignity in a world which has witnessed a dehumanization of man on every level.

4. The challenge of a culture which has radically changed from Christian to non-Christian in practice and world view.

5. The challenge of high academic standards and competent teaching.

CHRISTIAN EDUCATION EMPHASIS FOR 1964

Therefore, mindful of the real dangers which our denomination faces with a decline in the number of young people answering the call to full-time Christian service, your Baptist colleges, working through the Council on Christian Education, have designated Christian Education for 1964 as Christian Vocational Day. This will be a day for "calling out the called," the day in which the colleges will join our churches in appealing to young people to heed the call to the ministry, missions, and evangelism, to prepare themselves to accept positions of leadership in religious education, church music, and in many of the special fields related to these.

It is the hope of the colleges, through the Council, to make this a permanent emphasis, not only in the "calling out of the called," but in recognizing the role which the layman plays in the church and community.

In addition to this, we hope to make the Christian Education Day offering next year a great offering to help those young people answer the call to full-time Christian service and to go to college. The colleges feel that for too long this area has been neglected. While thousands of dollars are available in scholarship funds in this country for those who want to study science, technology, teaching, or many other professions, there has been no corresponding effort to help the Christian vocational worker overcome their financial problem.

This plight is painfully illustrated by what happened in a church not too many weeks ago. According to one of our fine associational missionaries, a young woman went home from the morning service with great enthusiasm and a determination to give her life to full-time Christian service. At lunch, after she had expressed this desire, the father shook his head sadly and said to her, "I wish this could be possible, but you might as well put it from your mind. We can barely pay the taxes, much less get up the money to send you to college." This is a true story, and we will perhaps never know how many young people have been lost to leadership because we have failed to provide sufficient help.

WOMAN'S MISSIONARY UNION REPORT

Woman's Missionary Union is auxiliary to the Conventions. Associational WMU serves as the liaison unit between the state WMU and the church level union. Its primary purpose is to enlist all women and young women, girls and children in the promotion of Christian missions through a program of mission study, prayer, community missions, and stewardship.

The aim emphasized for this 75th Anniversary Year has been WMU extension. With the cooperation of the superintendent of missions, pastors, WMU leaders and members, and associational officers and directors much work has been done toward trying to attain the anniversary goals and aims for advancement. The four points on the associational aims for advancement have been met with approved recognition.

Five of the six anniversary goals were met for which recognition will be given by the state office. (We missed the goal of having at least one Honor WMU in the association).

Much of the work done can only be evaluated through an understanding of our watchword "Laborers together with God" 1 Corinthians 3:9. "That the world through him might be saved." John 3:7. Through these words God says to every Christian "Come work with me and together we'll show the world the way of salvation."

The year began with a Prayer Retreat at the home of Mrs. D. A. Rawley, prayer chairman. Rev. J. E. Rawlinson led the Bible Study and Mrs. Charles Allen, Missionary to Guatemala, brought the missionary message. W. M. U. members from 12 churches led discussion and prayer groups.

On October 4 at Reavis Memorial Baptist Church the annual workshop was held for the training of new officers. Under associational leadership officers, 126 registered from 15 churches and 2 missions.

Under the able direction of Mrs. V. B. Collins, mission study chairman, and directors of Y W A, G. A. and Sunbeam Band, Mission Study Institute for the preparation of teachers of the Foreign and Home Mission graded series were held in October at Conrad Memorial and in January at North Main Street.

The 5th annual spring meeting was combined this year with the Long Range Program to offer leadership training in the association. The members of English Street Baptist Church, Rev. G. T. Tunstall, pastor and Mrs. King D. Key, W. M. U. president, were the gracious hostesses for the three day conference on April 16, 17, 18. Miss Miriam Robinson, Executive Secretary of State W. M. U., assisted by Miss Willa Dean Freeman and Mrs. Louise Burgess from Raleigh and Mrs. Roger Cole of High Point taught the manuals to 166 leaders and members from 22 churches and 4 missions. 72 qualified for credit on the courses. Also at this time the ladies brought gifts to be used in their home to associational superintendent, Floyd Rhyne and Mrs. Rhyne. Of the 31 churches and 7 missions in Central Association only five (5) have had reported the organization of any W M U unit: Cloverdale, Oak Grove, Pine Grove, Smith Grove, and Woodlawn. During the year new societies were organized at Friendly, Hillcrest, Jewel and Parkwood, while additional W M S were organized at Conrad Memorial, High Point First, Green Street, and Lexington Avenue.

Mrs. R. C. Fincher, Jr., G. A. Director, organized the Associational Girls' Auxiliary on November 1, 1962 at Green Street at a "Around the World" Banquet. Mrs. Fincher, Dannie Fincher, president of the Associational G. A., and Mrs. Earl Gibson, counselor from High Point First, attended the first National G. A. Convention in Memphis in June.

Mrs. Roger Cole, Director of Y W A, organized the Y W A Council on Nov. 13 in the chapel of Green Street. We are proud of these two "firsts" during our anniversary year and rejoice that it means a forward step in the young people's work. Each has continued to meet quarterly, as has the W M U Executive Board also.

We should like to commend Mrs. Lothair Cecil, Sunbeam Band Director, as the first of our associational W M U officers to continue in her tenure of office for the full five (5) years allowed by the Constitution.

The officers for next year are: President, Mrs. Dolen Hedrick; Vice President, Mrs. Jack M. Cox; Secretary, Mrs. Roy Kelley; G. A. Director, Mrs. R. C. Fincher, Jr.; Y. W. A. Director, Mrs. Donald E. Elliott; Sunbeam Band Director, Miss Beverly Neilson; Mission Study, Mrs. David A. Reddick; Community Missions, Mrs. J. P. Crowder, Jr.; Prayer, Mrs. D. A. Rawley; Stewardship, Mrs. J. Harvey Clark; Jubilee Chairman, Mrs. Russell Hinton.

With the Anniversary year 1963 just behind and the Jubilee year 1964 just ahead, women of Central Association can in the words of our watchword for the new year "O Give thanks unto the Lord; call upon his name; make known his deeds among the people." Ps. 105:1.

Respectfully submitted, Mrs. J. W. Rawlinson

3. The Superintendent agrees to work with the Pastors and the Department Heads of our Association. He will work to the end that all churches will have all organizations and auxiliaries; but he shall at no time go beyond the Pastors and officers of the churches to hold meetings of any nature in the churches.

4. The Superintendent agrees to attend all Associational-wide meetings, all group meetings, and will serve any church in the Association in any way he may be called upon. He will accept invitations for service including supply, religious census, teaching study courses, etc., on a first come first served basis, in line with the total program promoted by the Associational Missions Committee. He will never cancel an appointment in a smaller church in order to speak in a larger one.

5. No mission will be organized without having some church or churches of the Association to extend an arm to mother or supervise it.

6. The Superintendent will supply pulpits when needed and invited, with the understanding that he will not supply more than three weeks in succession at any one church, except in cases of needy fields or new work, and then only upon approval of the Missions Committee. Any Church asking the Superintendent to supply in the absence of its Pastor will make a check in the same amount as paid for a regular supply, the check made payable to the Treasurer of the Association. This does not apply to new work. This does not apply to any promotional work the Superintendent may do in the local church.

10. The Superintendent of Missions shall be ex officio member of all standing committees.

This work agreement may be revised at any time that both parties involved may deem it wise and profitable.

Article V - Denominational Representatives

The Association will elect annually representatives for the following Denominational Institutes: The North Carolina Baptist Hospital, the North Carolina Baptist Children's Homes, the North Carolina Baptist Homes for the Aging, the Southern Baptist Convention Radio and Television Commission. Denominational Colleges and Seminaries, Denominational Publications, and other such denominational work as the Association desire.

5. For any special need the Finance Committee may make its report and recommendation to the Executive Committee. The Executive Committee may then authorize the Finance Committee to proceed in obtaining the finances for these special needs.

6. The Finance Committee will set up a system for purchasing any and all items for the Association. Any person making a purchase for the Association shall submit a purchasing order for approval before the purchase is made. No purchase shall be honored by the treasurer unless it is made on a purchasing order.

ARTICLE VII--Ordination

It is our belief that a local Baptist Church is the proper authority in the matter of ordination to the gospel ministry. However, the significance and far-reaching effects of such an ordination on other Baptist churches and ministers impose a special obligation upon churches to be extremely careful in setting apart men for this sacred calling. A matter having such scope and importance merits a spirit of Christian cooperation of the highest order both between local churches and ministers.

Recognizing that the local church is the authority for ordination, we, therefore, only suggest that the churches use this Committee at their convenience and discretion.

1. The following suggestions are offered for use by the Ordination Committee when ordaining ministers:

(1) Unless there are justifying circumstances, a candidate shall first be called to and serving a church.

(2) When a local church is convinced the time has arrived for ordination, the church may notify the Moderator of the Association who will in turn request the Ordination Committee to assist the local church in every possible manner with plans and preparations for the ordination service.

(3) Any candidate, even before an oral examination, should meet the basic scriptural requirements for a pastor as found in I Timothy 3.

a. He should be a mature Christian, apt to teach. (I Timothy 3:6)

b. His home life should be correct. Specifically, he should not have a wife from whom he is divorced (I Timothy 3:2)

SUMMARY OF THE EXECUTIVE COMMITTEE MEETINGS DURING THE YEAR

A Summary of the Executive Committee Meetings of the Association during this year. All routine action is not given here. Only the action that is significant is put in this digest.

January 22, 1963. Rev. Russell Hinton gave an oral report of his conversation with Rev. Wall about Colonial Heights not participating in associational affairs for the past two years. Bro. Wall does not favor cooperation with the association. He said his church would take a vote and let us know. Thus far the church has not given an answer. The Constitution (Article IV, Section 4) states that messengers must decide to withdraw fellowship, so this cannot be handled until the annual associational meeting. Bro. Rawlinson suggested it would be well to get a written statement from the church.

John Wade gave a report naming a committee to study the Constitution: J. Harvey Clark, Chairman, Charlie Monk, George Tunstall, E. W. Price, Jr., and John Haas.

Clyde Tucker gave a report and recommendation from the Credentials Committee: "The Credentials Committee recommends that the Hillcrest Baptist Church be received into the fellowship of the Central Baptist Association." The recommendation was seconded and passed unanimously by the group.

April 16, 1963. A motion was made by Clyde Tucker and seconded by W. W. Robbins that John E. Wade serve as clerk until someone could be found to take this job.

A motion was made by Russell Hinton that the recommendation of the Missions

Committee and the Finance Committee meeting in joint session be accepted. Recommendation reading as follows: A motion was made that we recommend to the Executive Committee that the money presently in the Atlantic Savings and Loan in Savings Account be transferred to the regular treasury for current expenses ($989.87). The motion was seconded by W. W. Robbins and after discussion was passed. The question was raised by Russell Hinton as to whether the Missions Committee should go further in the repair of the Supt. of Missions' home. Motion was made by Bill Clapp and seconded by Billy Freeman that the committee continue with the added expense not to exceed $400.00. After discussion the motion was withdrawn in favor of the following motion made by Clyde Tucker and Seconded by Billy Freeman. Motion was made to rescind the previous action and the money from the Atlantic Savings and Loan be used for repairing and repainting the Associational Superintendent's house and recarpeting the living room and replacing the draperies in this room. If any money remains from this fund it is to be placed in the general fund. This motion was carried.

Dr. E. W. Price, Jr. expressed the burden upon his heart for the work of the association and the seeming lack of cooperation upon the part of many of the pastors in our association. This only put into words the feeling of most of the pastors present.

Clyde Tucker was recognized to present a proposed resolution before the committee. This resolution to be sent to the Guilford County Commissioners concerning the suspension of the Guilford County law banning the sale of beer on Sundays at the request of the Greensboro Jaycees. Motion made by Clyde Tucker and Seconded by W. W. Robbins to adopt the resolution. Motion carried.

Floyde Rhyne made a request for the Executive Committee to meet regularly on Tuesday after the third Sunday each month and let the department heads know that each one is expected to be present with a report on his respective field of endeavor. All churches are requested to hold this night open as Associational Night. Carlton Hughes urged the committee in some way to get the idea of what the association is and does over to the laymen of our association.

May 21, 1963. John E. Wade brought a report from the Missions Committee and made a motion that the Executive Committee approve the request of Hillcrest Baptist Church for pastoral aid from the State Convention. Seconded, W. W. Robbins, passed.

W. W. Robbins expressed concern over the racial issue and lack of action upon the part of our churches. This was referred to the Christian Life Committee of the Association.

June 18, 1963. In the absence of Floyd Rhyne, Clyde Tucker read a letter from Paul Kesterson concerning the Pastor-Led Sunday School Enlargement Campaign scheduled for our association Sept. 16-20. Motion made by W. W. Robbins to have both the Elementary and the Junior-Intermediate workshop on September 12 in the evening. Seconded by Clyde Tucker. Carried.

Russell Hinton read the third of five recommendations concerning the Baptist Jubilee Revivals in 1964. After much discussion the following motion was made:

Clyde Tucker made a motion that we suggest to our chairman of Evangelism that he urge the pastors of the General Baptist Convention in our area that they go ahead with plans proposed at the state convention when their president was present. Seconded by W. W. Robbins. Passed.

July 23, 1963. Brother Robbins made a motion that Rev. Lunsford be elected as Training Union Director and this was seconded, after much discussion this motion was withdrawn and a motion was made and carried that the committee have the

authority to fill this place of service--motion carried. Officers elected: Sunday School Superintendent, John E. Wade; W. M. U. President, Mrs. J. E. Rawlinson; Brotherhood President, Robert Culler; Music Director, Roger Cole; Chairman of Evangelism, E. W. Price, Jr.

August 20, 1963. In the absence of Brother Harvey Clark, Brother John Haas gave a report from the committee to study the constitution.

September 10, 1963. Bro. Carlton Hughes gave the treasurer's report. A 17% increase by the churches in giving to associational missions was noted.

Bro. John E. Wade requested Institutional representatives and department heads to get reports in for the book of reports.

Bro. Paul Godfrey gave Finance Committee report and moved the acceptance of it. Seconded--passed.

Motion made by Bro. Clyde Tucker to recommend to the association to suspend any rules necessary to accept the report of the Constitution Committee which would allow a vote on the changes studied by them and mailed to each member of the Executive Committee prior to the Annual Associational Meeting. Seconded--Passed.

Bro. J. D. Allgood brought a request from Bro. Roger Cole, Associational Music Director to see if there were any way that the association might pay $150.00 more of the Music School expense.

Motion made by Bro. W. W. Robbins that the Finance Committee consult with Bro. Cole and make a report to the association at its annual session on the possibilities of this help being forthcoming. Seconded--passed.

Amendment to this motion was made by Bro. Charlie Monk, that the Finance Committee be authorized to work out the details and pay this $150.00 if necessary. Seconded--passed.

Respectfully submitted,
John E. Wade

REPORT OF BAPTIST CHILDREN'S HOMES

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. It is the purpose of the Children's Homes to develop the highest quality of men and women possible out of boys and girls who are served. Careful attention is given to their needs, both present and future.

Children are accepted as they are when they come to the Homes. In the spirit of Christ, they are recognized for their sacred worth and value. They are provided food, clothing and shelter. But of greater importance than material things is the genuine interest, concern and love given every child by the Christian men and women who work with them. Many children who have known only heartbreak and tragedy learn to love again--learn to trust in themselves, in adults and in God.

A member of this year's senior class expressed her appreciation for the Children's Homes in the following way: "Living at one of the Homes has given me a chance to make something out of myself. I have been afforded the opportunity of getting a good education. Things have been learned and friendships have been formed which will bless my life as long as I live. Best of all I have learned to know, to trust, to follow and to serve Christ as my Saviour. I want North Carolina Baptists to know how very much I appreciate all that they have done for me and for thousands of other boys and girls who have needed a home, love and care."

Applications for the admission of children to the Homes far exceed resources with which to care for them. Areas of unmet need in child care await our attention. Many couples who have a double measure of love to share with homeless and dependent children have a wonderful opportunity of service awaiting them through the foster home program.

Financial support of the past year has come from the following sources:

Cooperative Program	36 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-Month Offerings	15 Per Cent
All Other	19 Per Cent

Most North Carolina Baptists are well acquainted with "Charity and Children," official publication of the Baptist Children's Homes. This unique newspaper is published each week and goes to more than 55,000 subscribers. Well over half the Baptist churches in the state receive it in bundles for distribution to the members on Sunday. See that your church receives "Charity and Children" so that every family may be better informed about the work of North Carolina Baptists, and particularly the program of child care. The subscription price is sixty cents per year in bundle form.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Our Baptist Homes have just completed their 13th year of operation and are entering into the 14th year with eager anticipation and with much enthusiasm. God has blessed these brief years with an abundance of His love and with the good things of life. Growth has been rapid, the development of facilities amazing, and the need for additional space staggering. We have come from 1 resident and 1 building, since March of 1951, to 160 residents and 4 buildings in 1964. Today there are 170 people waiting for admission. There are hundreds of inquiries during any given year from aging persons who are sick, for whom we cannot care because of lack of bed patient space. We must give an answer to these good people and begin now making plans for a nursing facility that will be large enough to receive some of these who are sick, or invalids, at admission.

The choicest bit of news for 1964 is the development of a 5th Baptist Home, to be located at Yanceyville, North Carolina. We are hoping to begin construction on this new project during this year, and thus, the burden of our hearts will have been relieved, in a measure, by being able to care for 30 additional residents. The Home at Yanceyville is the greatest single bequest that has ever been left for us in our ministry. Enough land at Yanceyville and money were given to the Baptist Foundation of North Carolina for us, by the late R. Sterling Graves and his sister Mrs. Sallie Willie Graves Bradsher, to build and equip the Home there. Even so, we will still need to look to our Baptist people for the maintenance of this Home and for assistance in supplementing needy residents who will live there through the years.

Today North Carolina Baptists are contributing an average of $90.00 a month on the cost of care of 90% of the residents who live in our four Baptist Homes at Resthaven and the Hayes Home in Winston Salem, at the Albemarle Home and Hamilton Home. This support comes through the Special Day Offerings, received in the churches on the third Sunday of February each year, through designated gifts from church budgets, and through the Homes' share in the Cooperative Program. These needy residents could not possibly be with us, nor could they receive the loving care that they do, if it were not for the gifts from our 3400 Baptist churches. Earnest heed should be given by each church, therefore, towards increasing the amount of Special Day Offerings and designated gifts to the Homes. This should be emphasized especially in view of the fact that there was a 5% decline in gifts to the Homes in 1963. We will not have an accounting on gifts for 1964 until September, but we can only hope that there will be considerable increase.

Life among the residents these days is most interesting and filled with a variety of experiences. The youngest resident celebrated her 66th birthday in January, and the oldest her 103rd birthday in July. Some are doing creative writing, others sewing, gardening, teaching, painting, and living a good life in general. All are praying for a world and its needs. All are expressing thanksgiving to God for the people called, "Baptists," and for the happiness and security of the Homes that our Baptist people are helping to make possible for them.

There is nothing to prevent our receiving any needy aging person, 64 years old and above, who is reasonable well, mentally and physically, except lack of space. Let us join our hearts in prayer and our lives in dedication that we may give a good account of our stewardship in this great area of human concern and give an answer to as many of these dear people as possible.

Our association gave $2,183.68 to the Homes for Aging ministry.

RADIO AND TELEVISION COMMISSION REPORT

"Growth" is the key word in any conversation concerning Southern Baptists' Radio and Television Commission. Annual expansion in all areas of endeavor is now accepted as a characteristic of this agency.

Thus, breaking ground for a new and functional headquarters building in Fort Worth in June proved a highlight of 1964 for the Commission and for all Southern Baptists. The structure will be dedicated during the 1965 Convention to be held in Dallas, with completion expected the following October.

The high quality of radio and television programming carried on the Commission has resulted in increased acceptance of Southern Baptist programs, with a new gain of 73 stations for the first six months of 1964. The agency now services with its programs an all-time high of 1450 radio and television stations each week.

Of the 13 programs produced and distributed by the Commission, "The Baptist Hour" is the oldest and is on the largest number of stations - 522. "Master-Control,"

a variety program of interviews, music and gospel, is on 299. "The Answer" on television is aired by an average of 103 throughout the year.

New radio programs planned for production during 1964 include, "Threshold," a program of youth counseling; and "Youth Speaks To You" a quarter hour program by high school students to high school students, five days a week.

New television programs to begin this year are: "Jot," a children's program; "Journey To Adventure," 15 minute Bible land films; "The Secret Place," a children's program; "A. D.," variety format, and a series of one-minute gospel capsules on film.

Dr. Hershel H. Hobbs has continued to grow in popularity as the radio preacher of "The Baptist Hour." His expository, Scripture centered messages have established this broadcast anew as the flagship of Southern Baptist programming.

In addition to preaching the Good News of Jesus Christ in so many varied ways, the Commission also continues to fulfill other vital functions of audience building, counseling by mail, and technical assistance to pastors and missionaries.

Our Baptist Hour is heard over radio station WHPE, High Point, North Carolina, each Sunday at 1:30 p.m.

SUNDAY SCHOOL REPORT

The Great Commission of our Lord is just as relevant in our generation as it was in the first Christian century. We are to "Go and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things."

The Sunday Schools of our churches have been assigned the tasks of outreach, teaching the Bible, leading all church members to worship and witness daily, providing opportunities to perform the personal ministries of the church, furnishing workers for various projects, and interpreting the work of the church and denomination.

Dr. A. V. Washburn, secretary of our Southern Baptist Sunday Schools, says, "Before outreach can become a continuing reality, our churches must get their programs in the right order. The natural order is the reaching of people, the winning of the lost, and the development that should come out of it."

Southern Baptist Sunday Schools are seeking to enroll ten million by 1970. In order to achieve this goal we must gain approximately 30% in the next six years. In North Carolina we are challenged to reach a Sunday School enrolment of one million by 1970, or a gain of 29%. This tremendous task of outreach must have priority.

We are asking each Sunday School in our association to accept an enrolment increase of 2% for 1965, 3% for 1966, 4% for 1967, 5% for 1968, 6% for 1969, and 7% for 1970. We will grow great Sunday Schools as we show compassionate concern for the unreached. Evangelism, stewardship, missions, discipleship--all of these wait upon outreach. People must be our concern.

These enrolment gains can be realized by organizing new Sunday Schools (a new Sunday School will gain 30); the creation of Extension Bible classes (each will gain 10); the starting of new adult classes (each will gain 6); the activating of Extension, Cradle Roll, and Young People Away departments (each will gain 6); and enrolling Vacation Bible School pupils not in Sunday School.

If we will follow the simple growth formula advocated by Dr. Arthur Flake many years ago--locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people--we will experience the glorious opportunity of reaching people for Bible study that they might become followers of Jesus Christ.

Along with an accelerated emphasis upon outreach, each Sunday School is urged to observe January Week of Bible Study, to plan Vacation Bible School, to promote

opportunities of training in the Church Study Course, to cooperate in the Adult Thrust effort to reach thousands of Adult church members not enrolled in Sunday School, to encourage workers to attend the Sunday School emphasis at the North Carolina Baptist Assembly, Fruitland, and Ridgecrest. As our Sunday Schools go, so will our churches go.

Our Sunday Schools in the association reported a total enrolment of 12,605 in 1963. In accordance with the plan for Sunday School Enrolment Advance a 1% increase for 1964 would mean that our total enrolment would be 12,731.

Respectfully submitted,
John E. Wade

TRAINING UNION

These are challenging and exciting days for the ministry of Training Union. A more definite role has been defined, along with many new ideas, new materials and a new seriousness to our need for Christian training via our Training Unions. The great shame is that these benefits are being limited to a select minority of our church membership. We, Baptists, ought not to tolerate such restrictiveness in our church life.

However, in Central Baptist Association, our churches are apparently satisfied with their Training Unions. Your associational officers have had few requests for assistance and an equally few reports of progressive activity. You are urged to use the fine group of Christian leaders provided for you in this area.

Special projects engaged in include:

1. Leadership and Officers Clinic - October 22, 1963, at Green Street Church with 65 attending.
2. M-Night, December 2, 1963, at High Point First with 700 attending.
3. Youth Night was observed with a banquet on March 20, 1964, at Hilliard Memorial Church. The program feature was our Intermediate Sword Drill Tournament with two participants representing one mission, and Young Peoples Better Speakers Tournament four participants representing two churches and one mission.
4. Our other associational tournaments were held April 12, 1964, at Oakview Church with seven churches and fifty participants in Junior Memory Work and five churches each with a participant being represented in the Adult Scripture Reading Tournament.
5. Our association was host to several important meetings. The Region V. T. U. Convention was held at Green Street Church with the following tournament participants being declared winners: Sword Drill-Dannie Fincher and 19-25 Speaker-Neil Jones, both of College Heights Mission; Ann Young was 17-18 Speaker of High Point First. These represented our region at the State Youth Convention held at High Point First Church, May 1-3, 1964. Mrs. Perry McDowell of Green Street the Scripture Reader went on to become state winner at Fruitland in June.

A meeting of great value was the SBC Learning Improvement Clinic held in Greensboro in February. Very few of our people availed themselves of this opportunity and it was prematurely concluded because of bad weather.

Plans are nearly complete for our Pastor-Led Training Union Enlargement Campaign scheduled for October 25-31.

We have 27 Training Unions in our association with an enrollment of 3081. Our goal for next year is a 10% increase in unions and enrollment. There are a few Adult Unions in our association using the Alternate Organization Plan, many more could profit from its use. More Alternate Plans are in process of being developed for our use.

May I urge each of you to study and stay abreast of Training Union materials, especially in "The Training Union Magazine." It is so essential, provide it for all your workers in Training Union.

Also, may I thank each of you for your prayers, assistance and support in carrying on the Training Union work. Furthermore, I pledge fervent effort in the coming year and beg you to support and use your Training Union as a means toward a more effective Christian witness through the local church.

Respectfully submitted,
Robert C. Fincher

CHRISTIAN EDUCATION REPORT

During the past 25 years, North Carolina Baptist colleges have enjoyed a phenomenal growth. Today in these seven Baptist colleges we have enrolled more than 11,000

students. The total property value of these colleges exceeds $60,000,000. The Council on Christian Education reports that in 20 years we have built and paid for more than $50 million worth of buildings. These colleges have graduated almost 50,000 students. Of special interest to our church people is the fact that enrolled in these seven colleges are 426 young men and women studying to be pastors, missionaries, directors of religious education, and leaders in church music.

The Cooperative Program is a lifeline between the colleges and the North Carolina Baptist State Convention. The Cooperative Program income represents an endowment of $33,000,000 without which not a single North Carolina Baptist college at the present could meet standards for accreditation by the Southern Association of Colleges and Schools. North Carolina Baptists rank well with all denominations in supporting Christian higher education out of the total amount which they have to give.

The ties which bind these seven colleges to the Convention are not now nor have they ever been primarily financial. The true ties which bind us together are to be found in the Bible, in our history, and what we believe as Baptists is our mission in the world. Ours is a covenant relationship.

Baptists from the beginning have believed that the task of learning is appointed by God and that all knowledge and wisdom has its unity in Christ; and since we do believe that Jesus Christ is Lord of Life, we believe that Baptist churches through their colleges, as members of the covenant community, have an obligation to every area of life and culture. Thus, our fellowship comes through a covenant relationship and a sense of working together to acheive a common goal.

The Council on Christian Education is now engaged in a serious self-study, which includes the theological basis for Christian education; the objectives of a Christian college; the responsibility of a Christian teacher; and the place of worship in the life of the campus.

We are encouraged over the report listed in the latest Southern Baptist Annual showing the figures for 1963. These figures appear to show that Wake Forest College is ahead of such other notable institutions as the University of Richmond, Mercer, Stetson, and William Jewell in number of faculty, ratio of faculty to students, volumes in library, gifts from the State Convention, outside gifts, and endowment income. There is only one small exception, Richmond, that received .5% more from outside gifts. We are challenged to take pride in our institutions of learning. We are encouraged to express a greater interest in the maintaining of our Baptist principles by giving more earnest prayers and more liberal gifts through the Cooperative Program.

Clyde Tucker

NORTH CAROLINA BAPTIST HOSPITAL REPORT

The trustees and administration of our Baptist Hospital have expressed their appreciation for the interest and concern our churches have shown in the ministry of the hospital. In behalf of thousands of our people who cannot pay for the skilled care received at our Medical Center, they express their thanks for our Mother's Day gifts which make this service possible.

A difficult problem is that of meeting the cost of caring for those who cannot pay for the service they need. Within our State there are many older people who live on a meager Social Security or Old Age Assistance income, families whose savings and sometimes their ability to earn have been wiped out by long and serious illness, and great numbers who cannot rise above the poverty line. All who come must pay for their medical care in so far as they can, but there are great numbers who simply cannot pay the full cost.

The hospital receives a share of our Cooperative Program money, which helps to support the Department of Pastoral Care and provide equipment and facilities required

in the work of the hospital; but the Mother's Day Fund provided by our churches is the only means the hospital has of bridging a wide gap between the funds available and the cost of caring for those who cannot pay for their medical service.

The people of the Winston - Salem area have expressed their confidence in our Medical Center by pledging more than seven million dollars to our enlargement program. Our great concern is that, when our hospital has increased its capacity to meet our specialized medical needs, will our churches provide the money to take care of those who need these services but cannot pay for them.

This is a heavy burden on those who are responsible for the operation of our hospital. We are confident that if our people are informed of the work and the great need, they will provide the necessary means. We call upon our pastors and other church leaders to lay this upon the hearts of their members. It is a greatly needed and wonderful ministry to which Jesus gave himself without reserve. We who are His followers must not fail those to whom He would minister through us.

The churches of the Central Association gave $6,995.87 this year through the Mother's Day Offering, an increase of $1,162.23 over 1963.

MISSIONS COMMITTEE REPORT

The Missions Committee met seven times during the year, we will only list the highlights of the meetings:

November 10 - We visited the Calvary Baptist Church at the request of the Deacons and Trustees and met with same. The church was having financial problems and we met to encourage them. The Superintendent of Missions had met with them two times previously to our meeting.

December 9 - The committee met with the pastor of the Parkwood Church to approve the request for Pastoral Aid from the State Convention. (This was done at the request of the Executive Committee in session.)

June 8- The committee met at the Associational office, opened the meeting with a season of prayer and then proceeded to the home of Brother and Mrs. L.B. Weaver. This meeting was called at the request of the Weavers, for the purpose of discussing the possibility of beginning a new work in their area. Suggestions were made to those present. Nothing definite has been done at present. Several other meetings were called to care for our duties in caring for the pastorium.

EVANGELISM REPORT

The special five-year effort (known as Baptist Jubilee Advance), in evangelism and missions on the part of the Baptists of North America came to a close at the joint meeting of the groups in Atlantic City, New Jersey, in May, 1964. What was done is now history and we cannot go back to improve or to change the record.

The record of our association reveals the following additions to the churches in 1964:

By Baptism _____ By Letter _____ Total _____

The inevitable question arises, where do we go from here? What shall we do in 1965?

We can and we must search our hearts before God to find His will for us and to experience His empowering as we endeavor to be obedient to His commands. This we need as individual Christians, as churches and as a denomination.

Most of us need to take a fresh look at evangelism as it is practiced in our personal lives and in our local church. To do this on the right basis we must first make an earnest effort to see what evangelism is as it is revealed in the New Testament. A good definition of the New Testament picture of evangelism is found in the new "Southern Baptist Handbook on Evangelism" which is as follows: "Evangelism is the outreach of the church by confrontation with the gospel of Christ to bring people to a personal faith and commitment to Christ as Saviour and Lord, in order that the committed may become a part of the outreach."

This wonderful experience of Christ confronting the lost through His people will not become a reality in a life or a church merely by accepting and adopting a creed, a statement of doctrine, a set of rules for conduct. There must be the experience of being in Christ and a perennial vigilance in seeking to be used of Christ in His purpose of redemption. In the light of these and other pressing truths we should ever keep before us these objectives:

1. To keep all programming and activities aimed at creating a spiritual atmosphere for evangelism in every church.
2. To keep alive a perennial awareness of the urgency of personal witnessing on the part of every Christian.
3. To refine and intensify our revival efforts.
4. To seek to keep the message positive, practical, scriptural and spiritual with unceasing prayer and diligence.
5. To spare nothing in seeing to it that the new and old church members become a part of the outreach.

For practical help in moving toward these objectives consult the "Evangelism Plan Book for 1965" which the Division of Evangelism of the Baptist State Convention of North Carolina will mail to all pastors this fall and the "Associational Evangelism Workbook" which will be released by the Convention Press in October, 1964.

CHRISTIAN LIFE COMMITTEE REPORT

Your current Christian Life Committee has attempted to become more than a study and recommendation committee by first attempting to overcome procedural and budgetary difficulties in which we found ourselves completely ensnarled.

We have minimum finances provided for in our new budget; however, it is conceivable that if difficulties arise in certain areas that more funds would have to be solicited in the coming year.

Your Committee plans to continue its work toward removing the sale of alcoholic beverages from our city, and the education of our citizens to the evils of strong drink.

Your Committee, realizing that the only hands that our Lord has to do His work in our area are our hands, would like to recommend the following:

1. That your committee be given a sub-committee composed of one member from each church in the Association to act as a liason between the individual church and your Christian Life Committee. This sub-committee would create a closer tie between your Association Christian Life Committee and the individual church.

2. (a) That the Association make and pass a resolution calling on the City Council of High Point to set up a Vice-Squad within the local Police Department with all due haste. That a copy of said resolution be delivered to the High Point City Council by your Christian Life Committee.

(b) That the Association make and pass a resolution calling on the City Council of High Point to set up a Juvenile Division of the Police Department with all due haste. That a copy of said resolution be delivered to the High Point City Council by your Christian Life Committee.

Edwin H. Shufelt

CHURCH MUSIC REPORT

The area of church music presents a great challenge to the churches and people of our Central Baptist Association. There is a wealth of untapped talent in every church which needs to be developed and used for the glory of God. Many churches of our Association that are blessed with musical talent do not yet have adequate leadership to utilize it effectively. Baptists here need to see a bigger vision of what the Ministry of Music can mean to their churches.

A great musical opportunity and a first for the association is being planned this year. An association-wide presentation of "The Messiah" by Handel will be given on the following dates:

Sunday, December 20, 1964, 2:30 p.m. - First Baptist Church, High Point, N.C.

Monday, December 21, 1964, 8:00 p.m. - Green Street Baptist Church, High Point, N.C.

The event is being sponsored by our Executive Committee and Music Committee. All singers from all our churches have been invited to participate. By the first week of October, over 100 people responded and others are expected. Rehearsals and performances were scheduled in co-operation with church, school, and associational activities and to make attendance as convenient as possible for all participants.

The new "Messiah Choir" will also sing the "Hallelujah Chorus" on December 7, 1964, for Training Union "M" Night.

The music emphasis for 1965 will be the "Baptist Choir Festivals." Every church who has a choir that sings on Sunday can and should participate. Each choir - Adult, Youth, or Junior need only learn two hymns or anthems. The experience of working together toward this goal will do something for the spirit and music of your choir as well as your church.

Choirs from the Association will not have to attend a Regional Choir Festival in a distant city this time. The festival for juniors, intermediates, and young people will be held in High Point at the Green Street Baptist Church, Thursday, February 25, at 5:00 p.m. and 7:15 p.m. Adult choirs will sing Thursday, March 4, 7:15 p.m. at the First Baptist Church, High Point.

Your Associational Music Director has had opportunity to help pastors and their music leaders in many ways this year. He is always glad to be of assistance.

Respectfully submitted,
Roger W. Cole

LITERATURE REPORT

Never has there been a day when the Christian witness was more needed in dealing with the problems of the world. The church at work in the world needs all the information and insight it can get. Our democratic form of church government is founded upon the belief that people will do the right thing when properly informed.

Whether words are spoken or written they are effective when God has inspired them. Southern Baptists are blessed with the variety of excellent denominational literature.

What would a Baptist church do without the publications of the Sunday School Board? Since the organization of the Board in 1891, we have been supplied with the best helps available to aid in the teaching and interpreting of the Bible. In addition, we have the Baptist Bulletin Service and the Broadman Press.

Where will we find Mission Journals to equal the "Home Missions" and the "Commission?"

When N.C. Baptists think of their own literature, they naturally think of their state paper since 1833, "The Biblical Recorder." Down through the years it has been one connecting link among Baptists. The "Recorder" seeks to do the following:

1. To Inform. Baptists cannot properly do until they properly know. The "Recorder" staff gathers, sifts and publishes significant news from as many sources as possible.
2. To Interpret. The "Recorder" seeks to say something about the meaning of the events as well as reporting them.
3. To Influence. A Baptist paper has the responsibility to let its light shine in the world. A long record of service, integrity and courage has earned respect for the voice of the "Recorder" both within and without the denomination. Take the lead in seeing that every family in your church receives the "Recorder."

SUMMARY OF THE EXECUTIVE COMMITTEE MEETINGS DURING THE YEAR

A summary of the Executive Committee Meetings of the Association during this year. All routine action is not given here. Only the action that is significant is put in this digest.

February 18, 1964 - Mr. John Sullivan gave the Auditing Report. Dr. R.C. Fincher made the motion that we adopt the report. Seconded by Charlie Monk. Carried. (This was carried over from Annual Meeting.) On the recommendation of Rev. John Haas, Chairman of the Committee on Committees, a committee on Jewish work was elected: James Pharr, Chairman, Charlie Pierce and Max Reece.

July 21, 1964 - An Advisory Committee was appointed to make further study and preparation for a Seminary Extension Center to begin in the association this fall: Floyd Rhyne, Chairman, Duncan Futrelle, Harvey Clark and Charlie Pierce. Rev. Clyde Tucker made a motion that we look with favor upon having a united effort in evangelism and a committee be appointed to report as soon as possible.

September 1, 1964 - In the absence of Bro. Harvey Clark, Bro. Max Reece gave a report from the Committee on Associational-Wide Evangelistic effort. He informed us that Dr. E.J. Daniels could come in 1965. After much discussion pro and con from those present who knew Dr. Daniels and had been with him in this type meeting, Bro. Woodrow Robbins made a motion that the Executive Committee recommend to the Association that we have a City-Wide Campaign and invite Dr. Daniels to come. The exact dates to be arranged later. Motion was seconded by Charlie Monk, motion passed. Bro. Clyde Tucker spoke on Christian Education and distributed copies of a resolution to the group, then read it with them. He moved the acceptance of the resolution. Motion was seconded by W.W. Robbins. Dr. E.W. Price made a substitute motion that this motion be tabled until further information from the State Council on Christian Education could be brought. Seconded by Bro. Paul Godfrey. Bro. Duncan Futrelle brought an amendment to the substitute motion that this matter be tabled until September 22, 1964, at the next regular Executive Committee meeting. Carried.

September 22, 1964 - As a preliminary statement before the discussion of the motion that was tabled on the date of September 1, Russell Hinton stated, "One of the signs of Christian maturity is that you are able to work together with those with whom you disagree." Clyde Tucker distributed copies of the resolution opposing the proposals and requested that Dr. Price present the proposals and explain the reason for the action of the General Board. Bob Culler interposed the question as to whether or not any action by the Executive Committee of the Association at this time would be in accordance with the Constitution of the Association. In response, W. W. Robbins stated, "We are in accordance with the Constitution to act on this." After much discussion and information pro and con, Bob Culler made a substitute motion that copies of this resolution with copies of the full proposals from the Council on Christian Education be sent to the Pastors and Chairman of Deacons of each church in order for them to be informed about these resolutions and urge them to send their quota of messengers to the State Convention in Greensboro in November to vote as the Holy Spirit leads them. Seconded by Dr. R. C. Fincher. The motion was discussed, motion lost. Clyde Tucker made a substitute motion that with the change in dates (September 1 to September 22) that this meeting tonight approve the spirit of this

resolution and that it be referred to our annual meeting of the Association in October. Seconded by Bob Canipe. Carried. Thirty seven (37) voted for the motion, one (1) against it.

In order for all the messengers to have a copy of the above mentioned resolution we have placed it in the Book of Reports.

WHEREAS, The Council on Christian Education, the Executive Committee, and the General Board of the North Carolina Baptist State Convention have approved and plan to present to the North Carolina Baptist State Convention a proposal that would permit 25 per cent of the trustees of our colleges to be non-Baptists and a proposal to permit each of our colleges to participate in the Higher Education facilities Act of 1963, and

WHEREAS, Convention leaders in other states, Editors of Baptist State publications, and leaders in the Southern Baptist Convention express concern and believe that North Carolina Baptists would make a mistake to approve these proposals, and

WHEREAS, there is evidence that approval of these proposals would do irreparable damage to the Cooperative Program, and

WHEREAS, in a poll 28 of the 32 active Pastors in the Central Baptist Association have expressed opposition to these proposals,

NOW, THEREFORE, BE IT RESOLVED by the Executive Committee of the Central Baptist Association in its meeting on September 22, 1964:

1. That we express disappointment in the action of the Council on Christian Education, the Executive Committee, and the General Board of the North Carolina Baptist State Convention.

2. That we call upon our member Churches to send their full quota of messengers to the Convention in November.

3. That we call upon North Carolina Baptists to reject these proposals and reaffirm our loyalty to our Baptist principle of separation of Church and state and our conviction that Baptist institutions should receive direction from Baptist people.

4. That we hereby reaffirm our confidence in the Cooperative Program as the basic means of financing our institutions and that we also reaffirm our faith in our historic Baptist principles that have made us what we are as being sufficient to give an adequate witness in our time.

Respectfully submitted,

BROTHERHOOD REPORT

We have been most encouraged during the past year in our Associational Brotherhood work. One of our greatest needs is for pastors and laymen to visualize and understand the purpose of the Brotherhood as a service organization to support and undergird the total Church program and sum up this purpose in the scriptures. Reading from Matthew, 25th Chapter, Verses 35 and 36, "For I was an hungered and ye gave me meat: I was thirsty, and ye gave me drink: I was a stranger, and ye took me in: Naked, and ye clothed me: I was sick, and ye visited me: I was in prison, and ye came unto me." We are challenged by the Life and Words of Christ to minister to the people even as He did; to witness to people about Jesus Christ.

During the past year we have had two Associational meetings. The first was a Men's Rally held at Hilliard Memorial Baptist Church, in January. We had a good attendance and an interesting program conducted by Roy Kelley, Christian Witness Leader, and Gene Saunders, World Missions Leader. The program consisted of a film on Matthew Yates, a Missionary from North Carolina, to China. The men were challenged to return to their Churches and to promote World Missions and to be good witnesses.

Our next meeting was held in June at the High Point Municipal Park and was a Boy's Rally. Approximately 145 R.A.s and men were in attendance and Robert Draughn, Associational R.A. Leader, was in charge. An interesting film was shown to the group after a picnic supper.

During 1965 we hope to emphasize four different areas of work. First, we hope to promote training and organization in our local Churches. It is necessary that our men be informed and be trained as to the needs and the programs of the Brotherhood. It is impossible to do this without a Well Knit Organization and a complete one. Each Brotherhood should have their full number of officers, or an many as possible, and committees completed to assist the officers. We hope to strengthen, through training and organization, the Brotherhood and R.A. programs.

The second emphasis for 1965 will be on Missions. The Southern Baptist Convention has assigned Missionary Education for men and boys to the Brotherhood. This program is designed to encourage men and R.A.s to participate in Mission training programs in the local Churches. The third emphasis for 1965 will be on total Stewardship. Our stewardship effort in most instances is concerned with stewardship of money, however, this is only a part of our commitment to Christ. We feel that stewardship is the basis for every program that we project in our churches. A total stewardship program would include tithing our time, talents, influence, as well as money. Reading from Matthew, Chapter 6, Verses 19 through 21, we see that Christ is telling us "Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal: But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal: For where your treasure is, there will your heart be also." While we hear so much regarding our treasures as being our money, we feel that the greatest treasure perhaps that we can have today is not money, but time. And this being our greatest treasure we should consider laying up time in Heaven as much as our monetary gifts. In our city we have the United Appeal, the Welfare Board, the YMCA, the YWCA, and other agencies to serve people. If we as Church Members, and if our Churches did the job that they are supposed to do, we would not need the United People, the Welfare Board, or the other agencies. The Churches are, of course, the people, and the Churches are only as strong as their people. During this coming year we hope to promote, through the Brotherhood, a total Stewardship program.

The fourth item of emphasis, we hope will be the Brotherhood Workshop. We are looking forward to this being the first of a series of annual Workshops.

Every office, execpt one, for 1965 has been filled. The following have agreed to serve:

Vice-President ..... Roy Kelley
Secretary ..... Tom Charping
World Missions Leader ..... Gene Saunders
Christian Witness Leader ..... Bobby Beane
R.A. Leader ..... Everett Grubb

We have a tentative commitment also for Personal Stewardship Leader. We feel that our Association Brotherhood program is accelerating and moving forward. We earnestly solicit your encouragement, and more especially your prayers.

Respectfully submitted,
Robert A. Culler

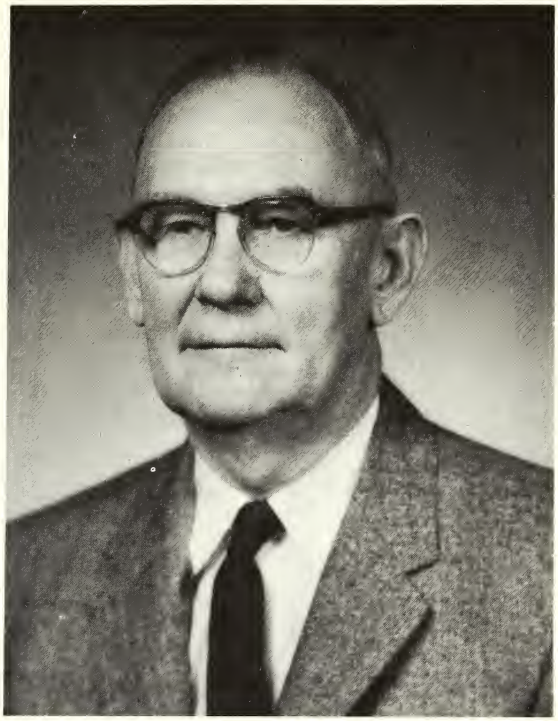
WE HONOR OUR FRIEND



Rev. George T. Tunstall

The membership of Central Baptist Association is pleased to dedicate this seventh volume of the minutes to Rev. George T. Tunstall. Brother Tunstall is a blessing to all with whom he walks. Always bringing cheer to the weary, he is a light for the dark hours and a comfort to those in trouble; but above all else he is a tower of strength to his fellow pastors.

J.W. Nixon once wrote, "We do not honor the fathers by going back to the place where they stopped but by going on toward the things their vision foresaw." This is exactly what Rev. Tunstall's life means to all of us.

CONSTITUTION

OF THE CENTRAL BAPTIST ASSOCIATION OF NORTH CAROLINA

(Revised October 15, 1965)

PREAMBLE

For the declaration of its fundamental purposes and the permanent guidance and control of its activities, the body does adopt the following as its constitution, subject to amendment:

ARTICLE I - Name

The name of this body is the Central Baptist Association.

ARTICLE II - Purpose and Objective

The purpose of this Association shall be to assist in the cooperation of Missionary Baptist Churches in the area of High Point, North Carolina. The Association shall promote fellowship, evangelism, church organization, church building, missions and Christian education in the area of the Association; and at the same time cooperate with other associations, the Baptist State Convention of North Carolina, and the Southern Baptist Convention in all work of Southern Baptists.

ARTICLE III - Membership

The Association shall consist of messengers who are members of the affiliated churches as follows:

(1) Each church affiliated with this Association shall be entitled to four messengers, and every church having one hundred members shall be entitled to six messengers, and one additional messenger for every fifty thereafter, provided that number does not exceed ten:

(2) Pastors of the affiliated churches and their missions:

(3) Duly elected officers of the Association.

ARTICLE IV - Affiliated Churches

Section 1. Baptist churches shall be received into the fellowship only after having been under the watchcare of the Association for one full year. Application for membership shall be made through the Credentials Committee. The Executive Committee shall have authority to receive any church under watchcare upon recommendation of the Credentials Committee. Churches under watchcare of the Association shall make written monthly reports on forms provided by the Associational Clerk.

Section 2. Baptist churches affiliated with and in fellowship with other Baptist Associations may become affiliated with the Association without coming under the watchcare; upon the recommendation of the Credentials Committee, and approval of the Executive Committee or Association.

Section 3. The Association shall be clothed only with the authority to advise the churches touching all things pertaining to their interest but shall in no case presume to direct or control them in reference to their own government or internal policy. The Association recognizes the complete autonomy of each affiliated church. Each Church shall recognize the complete autonomy of the Association.

Section 4. When any church shall fail to be represented by letter for two consecutive years, the Moderator shall ask the Credentials Committee to confer with the church. If a satisfactory reason is not given, and there is no evidence of effort to keep alive their association with cooperating churches, the Credentials Committee shall bring its findings to the Association. The Association, by majority vote of its messengers casting ballot, may then withdraw its fellowship. The Association recognizes that any affiliated church has the right to withdraw its fellowship from the Association.

ARTICLE V - Officers

Section 1. The Officers of this body shall be Moderator, Vice-Moderator, Clerk, Treasurer, Trustees, Sunday School Superintendent, Training Union Director, Music Director, Women's Missionary Union President, Brotherhood President, Chairman of Evangelism and Superintendent of Missions.

Section 2. Election of Officers

(1) The Moderator and Vice-Moderator shall be nominated and elected by a majority of those messengers voting at each annual meeting. They shall not serve for more than two successive years. This election shall be by ballot.

(2) The Clerk, Treasurer and Trustees shall be nominated by the Nominating Committee at the annual meeting. This shall not preclude nominations from the floor.

(3) The Sunday School Superintendent, Training Union Director, Music Director, Women's Missionary Union President, Brotherhood President, and the Chairman of Evangelism shall be nominated by the Nominating Committee and elected no later than July by the Executive Committee so they can secure their workers by the time of the annual meeting. All officers shall assume their duties at the close of the Associational meeting and serve until the close of the next annual meeting.

ARTICLE VI - Committees

Section 1. Executive Committee

(1) The Executive Committee shall be composed of the pastor of each church and

mission, one lay member from each affiliated church and mission, the officers of the Association, and the Chairmen of the Standing Committees.

(2) The name of the lay member of the Executive Committee, elected by the church, shall be reported to the Association at its annual meeting and shall take office following the said meeting.

(3) The Executive Committee is charged with the duty of executing the plans and decisions of the Association. A full report of its work shall be presented at each annual meeting, together with plans and recommendations for the promotion and extension of the work of the Association. The Executive Committee shall act for the Association between the annual meetings in conformity with the expressed decisions of the Association.

(4) This Committee shall meet on the dates as prescribed by the Associational Calendar of Activities. Ten members shall constitute a quorum after all the members have been duly notified of the meeting.

(5) The Committee shall be authorized to hold special meetings if needed, upon the call of the Chairman or in his absence the Vice-Chairman. Notice must be given in advance for any special meeting.

(6) Officers of the Executive Committee shall be the Moderator, Vice-Moderator, and Clerk of the Association.

REPORT ON THE BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

The care of dependent, neglected and homeless children is the central mission of the Baptist Children's Homes of North Carolina. In addition to providing care for children it is the purpose of the Homes to join hands with other Christian forces to strengthen wholesome, Christian family life throughout the state. Our people have supported this ministry in a most generous and commendable way.

Our Homes are serving as many people who need our help as possible. They are dependent upon North Carolina Baptists for support. Every gift, however small or large, is appreciated and is used for the purpose for which it is given. Income through the Cooperative Program is becoming increasingly important.

The Thanksgiving Offering of last year is approaching three hundred ten thousand dollars ($310,000.00) and is the largest ever given. This suggests that our people welcome an opportunity to support the "helping ministries" of the church which are close to the heart of our Lord.

Two estates have made possible two very fine buildings which have just been completed on the Mills Home campus. Income from the estate of Mr. and Mrs. Leland J. Sadler of Anderson, South Carolina, was used to build a library. An addition to the church was financed from the estate of Robert M. Idol and Lela Idol of Winston-Salem. These buildings will fill a most useful purpose in the educational and religious life of the Mills Home family.

There is a growing need for good Christian foster homes in which children needing this kind of care can live. Many families are finding much happiness and a great opportunity for service in caring for foster children. Thus, many boys and girls are privileged to grow up in Christian homes who otherwise would not have this opportunity. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

The need for a home in the western part of the state, more adequately to serve the people west of the Blue Ridge Mountains, has been discussed in various meetings and conferences. The possibility of such a home is meeting with genuine interest and enthusiasm. Attention is currently being given to a suitable location.

Members of the Board of Trustees and members of the staff of the Children's Homes are committed to the task of maintaining a Christian program of child care--a program that will merit the undivided support and loyalty of our people and that will bring honor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

REPORT ON NORTH CAROLINA BAPTIST COLLEGES

Last year our colleges enrolled 14,395 students. Of these, 500 are volunteers for full-time Christian service. In addition to producing these trained Christian vocational workers, hundreds of graduates of the North Carolina Baptist colleges return to the local communities to become active leaders in church and civic affairs. Moreover, college faculties, administrators, and students render valuable services to our churches by filling pulpits, teaching study courses, and assisting in the development of stewardship, missions, and evangelism.

Each Sunday from campuses all over the state, faculty members, administrative officers, and students move out into the churches to preach and assist the churches as supply pastors, Sunday School teachers, youth leaders, and special speakers in the area of missions, stewardship, and evangelism. Teachers, particularly in our colleges, welcome the opportunity to supply pulpits. If your church is without a pastor or if your pastor is ill or has to be away, then contact your nearest Baptist college. Either the president's office or the office of public relations will be delighted to recommend someone to help you out for these Sundays.

The Council on Christian Education during the past three years has been engaged in a serious study in several important areas. A printed summary report will be ready for distribution before the Convention meets in November.

Included in this study will be a statement on the commitment, purpose, objectives in Christian higher education, the distinctive role of the Christian college, the distinctive role of the Christian teacher, function of the chapel on the Christian campus, a statement on academic freedom and responsibility, a study of faculty salaries and finances, and a special study of the Christian vocational worker and his needs. Many other areas are covered which would be too lengthy to include in this brief report. The Council has had the complete cooperation of the administration and the faculties of all our Baptist colleges in developing this study.

During the past year the contribution of Baptist colleges to Christian lay-leadership in church and community has been strongly emphasized. Our seven Baptist colleges, to date, have graduated more than 45,000 men and women.

Many of these graduates are not only filling responsible places of leadership in their churches, but are exerting a profound influence on religious, moral, and

ethical life of communities in which they live. All during the past year testimonies have continued to come in from teachers, doctors, lawyers, industrialists, artists, musicians, homemakers, and many other categories too numerous to name. All of these testimonies assert two things: attending a Christian college gives a closer tie to the local church, and a greater sense of responsibility for Christian citizenship in the local community.

During this year 12 churches of the Central Baptist Association have designated $625.92 to Christian Education. In 1966 the Christian Education Day theme will center around the contribution of Baptist colleges to denominational leadership.

Each church is urged to participate in the advance of Christian Education, especially in the Baptist colleges of North Carolina, through more dedicated prayers and contributions. It is hoped that every church in the Central Baptist Association will make a special contribution in 1966.

Respectively submitted,
Clyde H. Tucker

REPORT ON NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The day that North Carolina Baptists launched a ministry to the aging fourteen years ago was a great day indeed. Since that time four Homes for the Aging have come into being, and a fifth one is in the making. More elderly people have been blessed by this compassionate ministry through the years, and today 160 people are in residence at Resthaven, and the Hayes Home in Winston-Salem, the Home in Albermarle, and the Hamilton Home in Hamilton. When the proposed new Home at Yanceyville is completed, there will be capacity for 200. It is anticipated that construction will begin on the Yanceyville Home during 1965.

This labor of Christian love and nurture is ours together, and we could not operate without the concern, the prayers, and the financial support of our Baptist people. This financial aid from the churches comes to us through two very vital avenues - the Special Day Offering, received on the third Sunday of February each year, and the Cooperative Program. Special Day Offering receipts for 1964 were at an all time high and exceeded $96,000.00. Through these gifts we were able to supplement from 80% to 90% of our needy residents who could not be with us otherwise.

It is urgently hoped that the Special Day Offering for 1965 will be the greatest ever, especially in view of the pressing and ever - increasing needs of the aging in our midst who seek our help. The waiting list now is 175 and grows almost daily.

As the great heart of the Saviour yearns for all in the various areas of human need, we are grateful that He has commissioned us to include also a special ministry to the aged among us. We have responded to His plea, we are giving an answer to Him for these elderly people who are very dear to Him, and we pray that every church in our State Baptist Convention will be very careful to give increasing emphasis to this vital ministry.

In the Special Day Offering this year our Association gave $2,266.19.

Respectfully submitted,
J.D. Allgood

REPORT OF CHRISTIAN LIFE COMMITTEE

Your Christian Life Committee would like to commend all the Baptists who have

supported the newly formed Citizens for Christian Action organization, both financially and through personal work. This new group has been able to achieve some outstanding results, greatest of which during 1965 was the defeat of the High Point liquor referendum.

We would recommend your continuous support of this organization in the many endeavors it is planning to undertake in the future.

Your Christian Life Committee recommends that the Committee be allowed to participate in an educational program concerning the moral conditions of our community.

REPORT OF RADIO AND TELEVISION COMMISSION

Twenty-five years of broadcasting the Good News of God's love is being observed by Southern Baptists' Radio and Television Commission this year. THE BAPTIST HOUR, first "official" broadcast of the denomination, was begun on the afternoon of January 5, 1941, in the auditorium of the First Baptist Church, Shreveport, Louisiana. Dr. M.E. Dodd was the speaker.

From that beginning of a half-hour worship service broadcast 13 weeks a year, the Commission has advanced to the present 22 different radio and television programs each week.

Observance of this 25th anniversary year was climaxed during the Southern Baptist Convention in Dallas on June 2, 1965, when the agency's international Communications Center was dedicated. This event signified a new beginning of Southern Baptist efforts to proclaim the Good News into the far reaches of the world, and to witness to the millions who do not know Christ and the hope which lies in Him.

The new headquarters building looks back on 27 years of operating in borrowed offices, converted homes and store buildings in order to use radio and television to preach the gospel. It contains offices, studios, radio-tv production areas, plus printing and warehouse facilities in the two buildings which contain 42,000 square feet and cost about $720,000.00.

In spite of the obstacles, the Radio-TV Commission has brought the Southern Baptist Convention to third place in the free world in the number of broadcasts and hours put out annually. Radio Free Europe and the Voice of America are first and second.

The Commission prepared and distributed 79,984 individual broadcasts in 1964 for a 27.2% increase over 1963. A total of 22 programs were produced and broadcasted regularly last year, 13 in English and nine in other languages. This was four ahead of last year and a dozen more than in 1962.

The number of stations broadcasting these programs rose from 1210 in 1962 to 1732 in 1964. The figure stands at approximately 1800 now. In the past decade, programs produced by the Commission in the name of Southern Baptists have risen from 9,624 hours a year to 37,804 hours and from an estimated 13 million audience to 60 million - an overall increase of 361 per cent.

The agency operates under a four-part program structure approved by the Southern Baptist Convention. This includes radio-tv production, audience building for these broadcasts, a program of inquiry and counseling to those who respond to broadcasts, and a program of technical assistance to pastors and agencies of the Convention.

A new facet of the program of inquiry and counseling beginning next year will be a Radio Bible Correspondence Course - thought to be the first such course in America to offer Seminary credit.

Locally, during our recent Area-Wide Revival with Dr. E.J. Daniels, programs

advertising the meeting were carried over radio stations WHPE, WMFR and WNOS, and WGHP- TV.

THE BAPTIST HOUR is broadcast each Sunday at 1:30 p.m. over WHPE.

We appreciate the cooperation of our local stations, enabling us to get the gospel to many people, some of whom do not attend church anywhere.

Respectfully submitted,
J. Charlie Monk, Jr.

TRAINING UNION REPORT

Those of us who were familiar with the BYPU of yesteryear would scarcely recognize the current Baptist Training Union.

The broadened, diversified program and streamlined alternate organization plans certainly stretch our concepts. Are these, as well as; "Resource units," "undated units," "program selection" and the various group learning experiences sufficiently familiar to us to be workable and fully utilized in our churches? If not, my Christian friend, you are a dated, prehistoric square, in modern vernacular.

The most significant happenings in Central Baptist Association were as follows:

1. Pastor- Led Enlargement Campaign, October 25- 31, with about one-half of our pastors participating. Mr. J.P. Morgan and Dr. Leroy Ford challenged us to the core.
2. M- Night was an elevating affair with Dr. Edward Young of Philadelphia defining the Educational Function of the Church and our own Dr. Eugene Spears inspired us with the Worshipping Church. Twenty- eight churches were represented by 425 members and 18 pastors.
3. Youth Night- March 19, 1965, at English Street was a gala occasion. Following the banquet our Tournaments were held with two participants in the Intermediate Sword Drill, Freddie Riddle of Oakview being declared the winner. There were four Young People Speakers, with Linda Wood of College Heights and Eunice Sechrest of High Point First being declared winners.
4. The remaining Tournaments were held at Southside, April 4, 1965, with 51 Juniors participating in memory work and 47 qualifying. Of the four taking part in Adult Scripture Reading, Mrs. J.W. Moffitt of Green Street was selected.
5. The above represented the association at the Region V Training Union Convention with Miss Wood and Mrs. Moffitt being judged winners there by moving on to represent us on a statewide level. We are especially proud of the 46 Juniors who went to this tournament, the greatest of any association.
6. The Associational Training Union prayed earnestly and worked with great dedication for our Central Carolina Evangelistic Crusade.

As your associational leadership stands ready to assist you, with Mr. John Reavis reassuming the directorship, please let us help you to a more meaningful church training ministry and help us by praying that the Lord's will be done in this vital phase of His work.

Respectfully submitted,
Robert C. Fincher

WOMAN'S MISSIONARY UNION REPORT

Woman's Missionary Union achieves her purpose of enlisting and educating for missions through a program of work centering in the church where women and young people study, pray, and give of self and money in support of the Southern Baptist missionary program. Activity on the church level is often initiated and constantly stimulated by the activities of the associational organization. The Association

Woman's Missionary Union is the connecting link between the church W.M.U. and the State W.M.U. It is a vital force in sustaining promotion of all W.M.U. work and in providing opportunities for inspiration and fellowship with W.M.U. members from other Baptist churches. This organization has a responsibility to assist in organizing W.M.U. organizations in any church within the association where there is none. It also provides leadership training opportunities for W.M.S., and W.M.U. youth organizations. The Woman's Missionary Union has four tasks which it should perform for the church. They are: (1) teach missions, (2) lead persons to participate in missions, (3) provide organization and leadership for special mission projects of the church, and (4) provide and interpret information regarding the work of the church and the denomination. Your Central Baptist Associational Woman's Missionary Union has as its purpose to help each church in our association accomplish these tasks as each W.M.U. member and organization perform them.

Reports, ----- facts, ----- and figures for a year's works. These, ----- do not tell the story of our accomplishments. Only God knows the true value of the efforts that has been put forth.

Our Associational W.M.U. has had a terrible set-back even though it is only seven years old. For the first five years, we had a new organization, with the usual ups and downs, but continually growing; then the terrible blow; the Central Baptist Association W.M.U. was without a President. No President for over a year. This crushed our women and the associational organization suffered. It was after the new year had begun, in fact, it was at this meeting last year that your present W.M.U. President felt God's call to this tremendous task. For the past year, with the leadership of the Holy Spirit, the assistance of the State Office, and each of you, we have tried to re-organize and map our course. With enthusiasm and inspiration we are expecting great things for God in 1965-66.

Of the 35 churches and missions - 28 report having W.M.U. work; this leaves seven of our churches without any W.M.U. units of any kind. This is heavy on our hearts and we covet your prayers as we work with these, our sister churches.

Our Foreign Mission Study Institute was held in November at Green Street Baptist Church under the direction of our Mission Study Chairman, Mrs. D.A. Reddick. There were 80 in attendance at this meeting. For our Home Mission Study Institute, we took advantage of our State Mission Institute in January, which was held at Lexington, North Carolina, with 20 of our women participating. Two of our officers attended the Tri-City Mission Conference in Kernersville, N. C., on November 23, 1964.

Mobilizing with the Training Union, our Associational W.M.U. joined hands and hearts as about twenty of our young people in the various mission groups of our association led in the call to prayer on "M" Night, the beginning of our week of Prayer for Foreign Missions.

Two Associational G.A. Meetings were held with an average attendance of approximately 75. Mrs. Gene Phillips, missionary to Rhodesia, was the guest speaker at the August meeting. Mrs. Bonnie Hughes had to resign as G.A. Director and Mrs. Betsy Hackler graciously filled the vacancy.

The Executive Board held quarterly meetings with an average attendance of eight of the possible seventeen.

Our Association had 99 of our women present for our State W.M.U. Annual Meeting held in Greensboro, March 16-18.

The Associational Sunbeam Band Director, Mrs. R.F. Greene, held a day-camp for eight year old Sunbeams at Hanging Rock with a total attendance of 38. Miss Virginia Highfill, a missionary from Japan, led in the inspiration period.

Under the direction of Mrs. Floyd Rhyne, our Associational Y.W.A. Director, we have had two Y.W.A. Council Meetings, one an organizational meeting, and the other a planning meeting with nominating committee. The total attendance was approximately 20.

Three of our associational officers attended the Baptist World Alliance held in Miami, Florida.

A Prayer Retreat was held by our Prayer Chairman, Mrs. D.A. Rawley, at her home with attendance of approximately 25.

Eight of our Associational Officers attended one of the State Workshops for Associational Leaders held at Campbell College in August and Fruitland Baptist Assembly in September. Our own Associational Workshop held at Fairmont Park Baptist Church, September 16, 1965, was attended by 100 women.

One of the highlights of our year, even though not in visible numbers, was our Annual Associational W.M.U. Meeting held April 15, 1965. Two sessions were held, the morning or day session held at Hilliard Memorial Baptist Church with an attendance of 91 and the evening or night session held at First Baptist, High Point, with an attendance of 47. There were 21 churches represented in the Association, with three visiting churches not in our association, with a total attendance of 138. Miss Kathryn Bullard, State W.M.S. Director from Raleigh, was with us during both the morning and evening sessions. Dr. and Mrs. Keith Edwards, missionaries to Nigeria, brought our inspirational messages for both meetings. For the night session, our Associational Brotherhood was invited and asked to feature the Brotherhood Plans for the coming year. Surely, "We are laborers together with God." 1 Cor. 3:9.

Your Associational W.M.U. Officers for 1965 - 66 are:

President	Mrs. R.C. Fincher
Vice - President	Mrs. J.B. Phillips, Jr.
Y.W.A. Director	Mrs. Floyd Rhyne
G.A. Director	Mrs. E.H. Hackler, Jr.
Sunbeam Band Director	Mrs. R.F. Greene
Director of Prayer	Mrs. D.A. Rawley
Director of Mission Study	Mrs. John Dickey
Director of Stewardship	Mrs. J.W. Saunders, Sr.
Director of Community Missions	Mrs. Max Reece
Pianist	Mrs. Neil Armstrong
Secretary	Mrs. C.W. Wood

These, your officers, are willing and anxious to assist you in whatever way we can. Won't you please call on us. We are eager to help, but we must know if you need and want help.

As we think of our accomplishment this past year, we say with the psalmist, "I will praise thee, O Lord, among the people; I will sing unto thee among the nations." Psalm 57:9.

1965 - 66 faces us with the theme, "A Church Fulfilling Its Mission Through Proclamation and Witness."

As each W.M.U. member has been renewed in worship this year, may this renewal send us forth into the world faithfully proclaiming the everlasting gospel to all people. As the women of Central Baptist Association strive to make this a better year for our Lord -- May we let these words, from our hymn, be our prayer:

"My gracious Master and My God,
Assist me to proclaim
To spread thro' all the earth abroad
The honors due His Name."

Respectfully submitted,
Mrs. R.C. Fincher

MISSIONS COMMITTEE REPORT

The Missions Committee met four times during the year, listed below are the highlights of the meetings:

NOVEMBER 13 - Met and studied applications for pastoral aid for the Parlwood and Hillcrest Churches.

FEBRUARY 2 - Met at the Albertson Road Baptist Church for a period of general discussion of the work of the association.

APRIL 1 - At the request of the First Baptist Church of Archdale, the Chairman of the Missions Committee and the Superintendent of Missions, met with the pastor of Archdale and Harry Ward, a young minister of the church, and drove over the community of Lake Park to study the possibility of beginning new work.

APRIL 24 - A special called meeting of the Missions Committee met at Archdale Baptist Church. After prayer and considerable discussion about the Lake Park area, the entire committee drove over the area. It was the thinking of the committee that this would be a good place to begin a new work. Brother Tom Allen, made a motion that plans be made to begin a new work at Lake Park. Motion was seconded by Rev. Stan Earomirski and motion carried.

SEPTEMBER 18 - Committee met at the associational office to discuss applications for aid on church lot and pastoral aid. After the applications were read and discussed, Brother Tom Allen made a motion that they be recommended to the Executive Committee for approval. Motion seconded by Brother M.R. Shields and motion carried.

Statistics of the Superintendent's work:

Local Church visits made	104
Sermons preached	136
Individual conferences	211
Group conferences	34
Committee meetings	57
Books taught	5
Denominational meetings attended	12
Miles traveled	19,701

Mr. Rhyne also attended the Southern Baptist Convention, the Baptist World Alliance, and spent 10 days in mission study on the campus of Southwestern Baptist Seminary.

Respectfully submitted,

DENOMINATIONAL LITERATURE REPORT

With serious moral issues facing us on every hand, Baptists need an accurate and comprehensive source of information. Secular papers cannot meet this need. These papers cover so many things -- sports, society, business, obituaries, entertainment, national and foreign affairs, to mention a few. All too often religion is found only on a Saturday church page -- if at all. This is the RECORDER's job, to be the eyes and ears when we cannot be there. The "Charity and Children" is an excellent supplement to our Baptist State paper and we thank God for both of them.

An example of this was the editorial in the RECORDER arousing our people concerning the possibility of legalized distilleries in our state. When the people were aroused and contacted their legislators, the bill was soundly defeated.

We expect the same thing to happen when a liquor-by-the-drink bill may be proposed in 1967 Assembly.

Last year the number of churches with the RECORDER Every Family Plan increased from 3 to 8. We commend this as the best plan. The next best plan is the RECORDER Club. Individual subscriptions are $3.00; Club Plan - $2.50; and Every Member Plan - $2.00.

May we commend also in this year of Proclamation and Witness The Home Mission Magazine and our foreign missions journal, "The Commission." These should definitely be in the hands of our church mission leadership. To build more Christian homes and to promote family worship, we recommend that the "Home Life Magazine" be distributed along with other literature to every family. In addition, to help the Deacons, Staff Members and Committees -- "The Church Administration Magazine" and "The Recreation Magazine." These are just a few of the many helps offered by our denomination. Let us promote the use of all of these helps in every way possible.

Respectfully submitted,
E.B. Stewart

BAPTIST HOSPITAL REPORT

More than 35,000 sick people were seen in the clinics of our Baptist Medical Center in Winston Salem last year, and more than 19,000 were hospitalized for bed care. These sick people came from all sections of our state, out of all kinds of

financial circumstances, and with almost every type of serious disease and sickness known to man. Most of them were sent by their local doctors, because they had problems which were difficult of diagnosis or treatment, and needed specialized facilities and skills such as those found at our Baptist Hospital.

In addition to the sick people who were served, there were more than 700 persons in training in the various fields of medical care and Christian service. These students were studying in ten different schools and in other fields of training in our Medical Center, and will go out to serve as physicians, nurses, technicians, pastors and other Christian workers, in our communities and churches throughout North Carolina and on our mission fields around the world. These schools offer excellent opportunities, and they are interested in qualified Baptist young people who wish to invest their lives in useful service to their fellow man and in the Kingdom of God.

The ministry of our hospital to people who are seriously ill and in meager circumstances lies at the very heart of its total work. All of our Mother's Day offerings are used for this purpose; when the doctors have given their skilled services without charge to these patients, and the money available from all other sources is added, every dollar we give is multiplied nine times over in free service to those who need help.

It is a high privilege for us in our churches to minister in the name of the Great Physician, through our hospital, to these multitudes who are sick. It will be a welcome voice when the King shall come in His glory and we can hear Him say: "Come, ye blessed of my Father; for I was sick, and ye visited me."

SUNDAY SCHOOL REPORT

The Great Commission of our Lord continues to be the marching orders of Christians in this twentieth century. We are to "Go and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; TEACHING them to observe all things ..."

Southern Baptist Sunday Schools are seeking to enroll ten million by 1970. In order to achieve this goal, we must have an enrollment gain of approximately 30% in the next five years. We are challenged to have an enrollment of one million in North Carolina by 1970. Outreach must have priority.

We have accepted the challenge to increase our enrollment each year until 1970. Next year we will need an increase of 3% and we can reach this goal easily if each church will set a goal and WORK. We will grow great Sunday Schools as we show compassionate concern for the unreached.

These enrollment gains can be realized by organizing new Sunday Schools (a new Sunday School will gain 30); the organizing of Extension Bible Classes (each will gain 10); the starting of new adult classes (each will gain 6); the activating of Extension, Cradle Roll, and Young People Away Departments (each will gain 6); and enrolling Vacation Bible School pupils not in Sunday School.

Next year we urge each church to observe January Bible Study Week, to plan a Vacation Bible School, to promote opportunities for training, to cooperate in the Adult Thrust movement, to support associational Sunday School projects and to plan opportunities for their leaders to attend Sunday School weeks at Caswell and Ridgecrest.

The Sunday Schools in the association reported a total enrollment of 12,802 as compared with 12,645 in 1964.

Five association representatives attended the State Vacation Bible School Clinic at Wingate College this year and conducted a clinic in the association.

Respectfully submitted,
John E. Wade

MUSIC REPORT

Two major events stand out in the area of music. They show a wonderful spirit of cooperation among the churches of the association in the service of God through the ministry of music. They also mark two thrilling "firsts" in the young history of Central Baptist Association:

1. Presentation of "The Messiah" by Handel, Sunday, December 20, 1964, 2:00 p.m. at First Baptist Church, High Point, sponsored for the first time by Baptist churches. Over 100 singers participated in the scheduled rehearsals and performances. It was directed by Roger W. Cole and accompanied by Robert Sutter, organist, Marie Burnette, pianist, and a string quartet from the faculties of nearby colleges. Soloists were Mrs. C.J. Rountree, soprano, Jeanette Ogg, alto, Cy Moffitt, tenor, Hal Shoemaker, bass, and Bill Marlowe, trumpet.
2. Revival Choir of Central Carolina Crusade for Christ, held in the spring of 1965 at College Village Shopping Center, High Point. There was a splendid response with about 250 voices on the opening night the largest in the experience of the Daniels Crusade Team. It was necessary to enlarge the choir loft under the tent. A two-manual electronic organ was donated for the services by Harris Music Company of English Road, High Point.

   Lowell Leistner was Music Director and soloist. The organization of the Revival Choir was under the supervision of the following special music committee consisting of representatives from participating churches: Rev. Max Reece, Chairman, Don Gurley, Johnny Cooper, Mrs. Leila Payne, Argie Wood, Leon Boyles, Richard Turner, Darrell Saunders, Cliff Christian, Roger Sharrock, Ricky Coffey, Grady Combs, F.H. Brookbank, J.W. Stevens, Pat Taylor, Mrs.

Lucy Patterson, Jim Martin, Jim Hutchens, Ray Alderson, Hubert Willard, Mrs. Sammy Young, F.T. Harmon, Mrs. Margaret Cockerham, J.C. Smith, Rev. Bill Barker, C.G. Mickey, C.B. Westmoreland, Richard Lightfoot, Arlin Hall, and Coy Jones.

The Baptist State Choir Festivals are held each February. Several adult, youth and junior choirs participated in 1965. Any church who has a choir should enter the festivals. IN 1966 THE DATES ARE FEBRUARY 28 - MARCH 4.

Joseph O. Stroud, Secretary of the Church Music Department, states:

"It is our hope that these festivals will be the means of leading people of the Baptist State Convention of North Carolina to know and to love the great music of the church."

"May these festivals be the means of inspiration to advance the standards for better church music in all the churches to the end that music may be used in the churches to deepen the spiritual life of all the people."

Respectfully submitted,
Roger W. Cole

EVANGELISM REPORT

Churches in the North Carolina Baptist State Convention reported 27,346 baptisms in 1963 and 29,725 baptisms in 1964 -- a gain of 2,379 or 9%. Churches in the CENTRAL Association reported 464 baptisms in 1963 and 514 baptisms in 1964 -- a gain of 50. This year the churches in our association reported 487 baptisms -- a loss of 27 under 1964.

The theme adopted by the Southern Baptist Convention for the year of 1966 is, "Proclamation and Witness." In our association this theme actually begins October 1, 1965 with the new associational year.

The highlight of Evangelism during 1964 - 65 in the Central Association came during our great area - wide Central Carolina Crusade, conducted by the E.J. Daniels Evangelistic Team of Orlando, Florida. For two weeks, April 25 - May 9, 1965, the Lord moved mightly in greater High Point, making an impact upon the entire area that shall not be soon forgotten.

This great Crusade, although sponsored by 62 churches of all evangelical denominations, was actually born in the hearts and minds of our Baptist people. We are thankful that through this sort of concern we were able to have the support of all of our 35 churches and missions.

The visible results reveal that 393 were dealt with in the Counselor's tent, with 252 of these making their profession of faith in Christ while 141 came for rededication of life. Some 2,000 pledged to tithe, over 2,000 pledged to "go the second - mile." Around 500 indicated their desire to become soul - winners. Ninety - eight of our Young People surrendered for full - time Christian service. The crowds overflowed the 2,200 capacity Canvas Cathedral until for the two closing services we witnessed between 4,500 and 5,000 gathered in the Football Stadium on the High Point College Campus.

There is so much about the accomplishments of this united Evangelistic Effort which cannot appear in statistics. This makes us believe that somehow, under God, a new day in Evangelism has dawned. As an example, one can recall the togetherness in singing, praying and witnessing in order that souls might be saved. Still further proof can be found in the fellowship of those days as being that of enabling us to know each other and our Lord better.

May the same spirit characterize our evangelistic efforts in 1965 - 66 as "Our Churches Fulfill Their Mission Through Proclamation and Witness."

J. Harvey Clark

REPORT OF THE RESOLUTIONS COMMITTEE

Your Resolutions Committee recommends that the messengers of the Central Baptist Association express:

First, our sincere appreciation to the Brentwood Baptist Church and to the Green Street Baptist Church for their gracious hospitality and excellent provision for the seventh annual meeting of our Association.

Secondly, that we express our gratitude to all of our associational officers for their faithful service during the past year with a special word of commendation for the following:

To Rev. Floyd Rhyne and to his good wife as they begin their fifth year of service with us.

To Miss Carolyn Echerd, faithful secretary to Mr. Rhyne.

To Rev. George Wallace, for his able leadership as Moderator of the association during the past two years.

To Rev. James Pharr for the excellent way in which he has presided over our annual association during this seventh annual meeting and further to the Program Committee for the inspiring program arranged for us.

Be it resolved, further, that the messengers of the Central Baptist Association go on record as expressing our appreciation to the following media of publicity in our city.

To WGHP - TV, WHPE, WNOS, WMFR, and the High Point Enterprise for their coverage of church news, especially the excellent coverage given our Evangelistic Crusade during the spring.

To WGHP - TV for the "Television Pulpit" program inaugurated this year, giving many of our churches their first opportunity to proclaim the gospel in song and sermon on television, each Sunday from 9:00 - 9:30 a.m.

To radio station WHPE for cooperating with us in broadcasting the Baptist Hour each Sunday from 1:30 - 2:00 p.m.

Fourth, that we express our continuing concern to our City Council concerning the need for a Vice - Squad and Juvenile Division within the Police Department, and that we assure them of our own cooperation through the Christian Life Committee and the Juvenile Rehabilitation Committee the latter being recently set up at the seventh annual meeting of Central Baptist Association.

We further ask that our Associational Clerk, Mrs. Roy Angel, be requested to convey these messages of appreciation and concern to those people mentioned who are not included in our fellowship here today, and that the Christian Life Committee convey the letter from the clerk to the City Council.

BAPTIST FOUNDATION REPORT

During the past four years the Foundation has been actively presented to the Baptist of North Carolina through the associations, churches, group meetings and through other media of communication. Our reception has been a most cordial and pleasant one. When the Baptist are properly and fully informed on any program, they can be depended upon to act wisely. Our main concern during these past four years has been to let our people know exactly what the Foundation is; how it functions; the various classes of people, churches, associations, conventions and agencies it represents as well as putting particular emphasis on Christian will making.

Memorial investments in the Foundation have gone from $60.11 to approximately $450,000. No sum is too small to merit our attention nor too large to be adequately handled. One of the strong characteristics of the Foundation lies in its fifteen member Board of Directors. These men are businessmen who give their business genius and ability to the work of the Foundation without any remuneration whatsoever. They want to invest a part of their time and talent in this phase of Kingdom work.

It is my great pleasure to assure you that The North Carolina Baptist Foundation, Inc. is a going concern. Our people throughout the State are responding in a very fine manner to the services offered through the Foundation. This report would not be complete if I did not pay particular tribute to the excellent cooperation I have received from the pastors of the Convention. This program cannot succeed without their active participation and they have not hesitated to graciously give aid and comfort to the program. The years ahead look bright. Call on us if we can help you.

C. Gordon Maddrey, Executive Secretary
